

10th Annual Shelter from the Storm Event Attended

Bishop Gene Savoy Jr. and his daughter Sonya Savoy, acting respectively as representatives of the International Community of Christ and Steamboat Hot Springs, attended the 10th annual Shelter From the Storm, a fundraising event sponsored by Volunteers of America.

Bishop Gene has been a member of the organization's advisory board for over a decade and served as an ambassador for the event, which raises money to run homeless shelters for men, women, and children in downtown Reno.
