

God's Name is Revealed Through the Son

“The name of the father is the son. It is he who, in the beginning, gave a name to him who came from him, while he remained the same, and he conceived him as a son. He gave him his name, which belonged to him—he, the father, who possesses everything that exists around him. He possesses the name; he has the son. It is possible for the son to be seen. The name, however, is invisible, for it alone is the mystery of the invisible about to come to ears completely filled with it through the father’s agency. Moreover, as for the father, his name is not pronounced but is revealed through a son. Thus, then, the name is great. Who, then, has been able to pronounce a name for him, this great name, except him alone to whom the name belongs and the children of the name, in

whom the name of the father is at rest, and who themselves in turn are at rest in his name, since the father has no beginning? It is he alone who conceived it for himself as a name, in the beginning before he had created the eternal beings, that the name of the father should be supreme over them—that is, the true name, which is secure by his authority and by his perfect power. For the name is not drawn from lexicons, nor is his name derived from common name-giving. It is invisible. The father alone gave the son a name, because he alone saw him and because he alone was capable of giving him a name. For he who does not exist has no name. For what name would one give him who did not exist? Nevertheless, he who exists exists also with his name, and he alone knows it, and to him alone the father gave a name. He is the father, his name is the son. ... When it pleased the father, then, that his son should be his pronounced name, and when he who has come from the depth disclosed this name, he divulged what was hidden, because he knew that the father was absolute goodness. For this reason, indeed, the father brought this particular one forth, that he might speak concerning the realm and his place of rest from which he had come forth, and that he might glorify the fullness, the greatness of his name and the sweetness of the father.” ~The Gospel of Truth

Name of the Father

I don't think that when the Gospel of Truth says "the name of the Father is the son," that it literally means that God's name is "The Son". Neither does it mean that God's name and the name of the son are the same. It means that the name of God is known through His creation, and the son is the first creation of God. It also means that the name of God is revealed through the son, and the son is the eternal spirit known as Christ to most of us. The quote adds that God's true name is great, and only "pronounced" by God, and the true Children of God.

Children of God

We have been told that we are all Children of God, and that is true to a certain degree. But the vast majority of us are unrealized Children of God because we have never awakened and developed our spiritual faculties. Those few who have developed those faculties are the ones who truly know God.

That He Might Speak

The quote adds that God created the son and gave him a name so that “ he might speak concerning the realm and his place of rest from which he had come forth.” In other words, it is the job of the son to teach the lost souls how to return to God and Heaven. So the son is born in human form to bring the truth to us. This has happened several times, but the message tends to get lost, or at least greatly distorted, after a few centuries. The son teaches the truth of God, so we can say that he reveals the name of God, in a sense. And now that we are in the End Times, we must all start to listen to the message, and follow the teachings, before it is too late.

“Einstein was right, as was just shown by the collision of two very big black holes”

Albert Einstein's Theory of Relativity, which was published in 1905, suggested that gravitational waves, which are oscillations of the space-time fabric, exist. Now, more than a century later, we have proof that they do. Now, a new study has found clear signs of relativistic precession in the paths of two black holes that are crashing into each other.

Since gravitational waves were first found in 2015, this area has become a good place for modern astrophysics, letting experts see things they couldn't see before.

The coming together of two black holes is without a doubt one of the biggest and most violent things that can happen. As the two bodies move toward their inevitable end, they do a dance that looks like the end of the world. This dance and the fusion itself use so much energy that the fabric of space-time shakes like a sheet.

The Twenty-fourth Saying (Part 12)

And The Man continued.

“‘The best defense that one has against the Evil One and the Powers of Darkness is to live The Way. In the traditional Lord’s Prayer, we ask God to forgive us our trespasses as we forgive those who trespass against us. Our trespasses are of three kinds: The trespasses committed in one’s lifetime; the trespasses of the nation or culture that breeds one; the trespasses of the whole human race. These trespasses bind us.

“‘How does one break these trespasses – the karmic debts, to use a Buddhist theological expression? God has given us the means as an act of Grace and Love. Spiritual rebirth, or the means of attaining it, is a Gift from God. Once we live The Way, we are freed because our spirit, being reborn a Soul and no longer being bound by this world, assumes a new life in the spiritual realms. Our whole life then revolves around the spiritual Way of God. We discipline our sensory body and mind, as well as the psyche, within the earthly Church by our liturgical way of rite and ceremony and by the life of a

minister in service to humanity. In this way, the old self does not come back to haunt us.'

"A disciple, the third Companion of The Way to speak, said, 'What I have to say is really a statement of reassurance. The latest Saying, the Twenty-fourth, points out how the false religions arose because of Man's weakness. The Church of the First Dispensation failed because of human weakness and oppression. We of the Church of the Second Dispensation are just as weak as the ancients were and we are also oppressed. The cycle repeats itself. But the reassurance comes from the fact that we of this Church have available to us the power of the Image and the Word in the Sun of Righteousness. This fact gives us the superior strength necessary to overcome our human weakness shared by the earlier cultures, which led to State oppression. So we are in a unique situation. It is also reassuring to know that we have available something denied the ancients. We are destined to succeed as long as we trust in the Image and the Word and do not rely strictly on our human powers.'

"The Man said, 'Your statement is correct. God has come a second time. He has revealed His Image and Word as prophesied. We, in this generation, have the means of overcoming the errors of the secular-minded world fed by the Powers of Darkness and the Evil One. We use the sun of the solar system and God's Image as Light-bearers and coworkers with God to resist Evil. Since we are involved in the great struggle between the Powers of Light and Darkness at the End Times of the world, we are part of God's Divine Plan for human redemption. God has taken charge of the destiny of the world – not human saviors, not spiritual mediators, nor founders of religions, nor prophets, nor kings, nor governments – only God Almighty, who is establishing, from the Realms of Heaven, a Universal Theocracy that will govern the affairs of the whole universe by Intelligent Light and Spiritual Power over which no other living thing has control. As Light-bearers, we must

let go of the human instinct to preserve our bodies, or material nations, or even races or peoples.

“All material things are to perish by the brightness of God. Only the spiritual will survive. The human condition as we know it is to be dissolved. The Powers of Darkness will find no place in the coming new world of spirit. This was the cry of Jesus and the Prophets and Holy Ones from time immemorial. We of the New Church are obliged to trust God and to embrace the Divine Plan. If we fail to do this, then, of course, we will succumb to our human weakness, which is to preserve all those things that perish in the end as does a normal state of materiality. As Light-bearers, we invoke God to shine brightly, to burn up Darkness, to transform the material world, to cast out Evil in every form.

“Our religion is, of all things, spiritual, believing in and teaching of the spiritual Kingdom of God. Our Church is not concerned with an ordinary life. Indeed, we are pledged to live a life that will prepare us for the Kingdom, either in this world transformed, or in the higher World of Light upon us. This explains the need for the disciplined liturgical life of the Church of the Second Advent. Our survival as spiritual beings, and as a spiritual race, and as a spiritual Nation is to be determined upon our living in accordance with God’s redeeming Light that has been sent into the world to restore what has been lost. To cling to the past would be the heresy of heresies – the great blasphemy and the gravest of errors.’

“This homily ended the commentary on the Twenty-Fourth Saying.”

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,

Gene

Patriarchs**

PANNUCHES HOMILY

Chapel of the Holy Child

The Right Reverend Father Gene Savoy, Jr.

Copyright © International Community of Christ

In 2009, in accordance with Sacred Law and the 19th Saying of Jamil, I formally established the Holy Order of Matriarchs and appointed dedicated women of The Community who had attained age and wisdom, and who had devoted their lives and energies to God, as Matriarchs of the Church. Let's read from the 19th Saying regarding the Matriarchs.

Because God created man and woman in His Image, both are of God and therefore equal. Man and woman beget children which they do not beget separately, but together, as God intended for them to do under the light of the sun, conjointly with God as co-

creators, neither being superior to the other by natural law nor by spiritual law.

In many of the former religions, women were subjected to an inferior role because men were not able to serve both the creative spirit in women and God; therefore, they separated themselves from women entirely, fearing that love for women and family would separate them from God.

This Church is of God, and thus of spirit, but in order for it to be universal, it must include women in the ministry, as well as children reared for the ministry; for a Godly life begins at an early age. Indeed, it begins even before birth, for the parents must be of God if a child is to be of God – in both blood and spirit, as animated by the living Image and the Word of God.

There must be good order in the Church of God, and for this reason those admitted into the Church ministry, both men and women, must needs submit to the Codes of the Order if the Church would remain stable and be preserved. Let the men and women of the Church see themselves not as men or women, but as spiritual beings, coworkers with God for the creation of a new Earth under God's rule. And let the sacred marriages be consecrated in Heaven and ruled by Heaven's order under God.

I have established the ministry by my person, and God will nurture it by His Light. Therefore, as the first Patriarch of the Church is male, ordained of me, let your successors be male offspring of your seed, joined to me by blood and spirit forever, in order to preserve what I have established.

The females who have been admitted into God's Community of ministers in the new age shall exemplify the spiritual life as God intended them to do from the beginning; therefore, let them take their stations as ministers, following the order established by my person and by my successors,

equal with men in all things....

And if women would follow as disciples of the Order you will have established as Patriarch, let them subscribe to the vows after passing the age of 30 years, holding to the same requirements as the Patriarchs, but being called Matriarchs, an order of Progenitors of a new race of man.

And in this Church, the Matriarchs will exemplify the holiest path of devotion, inspiring their companions and offspring in time to come. And they shall be called Holy Mothers of the Church who will emulate the chaste and Holy Women of ancient times. And they will take the necessary vows as a requirement of this sacred office.

And the Patriarchs and Matriarchs shall assume responsibility for every child of Light of the Community. And they shall be aided by their Brothers and Sisters in Light to assure that the children are nurtured by the Light of God for the new creation of which they are a part.

In 1999, my father established the Holy Order of Patriarchs and appointed the first two Patriarchs, in addition to himself as Head Patriarch. Of course, since his physical passing from the world, the Office of Head Patriarch was vacant until I attained my 52nd year last month. Let us now read from the 18th Saying of Jamil concerning the Patriarchs.

Each of the religions of the world is to be given the Teachings by the Ordained. And by means of these Teachings, the older religions inspired by the Image and the Word of God given to the Prophets and Holy Ones in former ages, will be regenerated and fulfilled. And from within these

religions and the Ordained, the Enlightened of God will emerge to form a Holy Order of Patriarchs, an Order of Progenitors of a new race of man.

And they shall be called Holy Fathers of the Church. They will emulate the Prophets and Holy Ones of ancient times, and take the necessary vows as a condition of this Holy Office. And they shall inspire the formation of a True Church, a universal Church, brought out of the many churches of the world. This True Church will live the new laws of God and, by so doing, restore the sun and the earth and the cosmos to goodly order for a New Creation in which God's Image and Word will manifest openly as in the beginning of the First Creation....

And this Holy Order of Patriarchs shall lead the multitudes of churches of the world, inspiring them by their Light and wisdom. And by these means the Patriarchs will become fathers unto the churches, joining the noble family of Holy Men of times past, protecting and safeguarding those in their charge with love and understanding, justice, sympathy, patience, tolerance, generosity, honesty, peace, goodness, and Light as a unified whole, unseparated from one another; of one mind, one body, one spirit – universal and one.

And the Order of Patriarchs will have its beginnings when, upon a pre-ordained time, you shall withdraw from the activities of man and devote your whole life to God within the Community. And by the sign and color of your vestment, the holy members of the Order will recognize that the Order of Patriarchs has been formed. Once the Order is formed, you shall initiate disciples into it, and they shall

subscribe to the vows after the passing of 52 years of age...

And let the Patriarchs of the Church [dedicate] their entire lives to the service of the Community as a glory and a power to God, seeking their origins in Light until their final mergence with God at the conclusion of their lives on Earth. Let the Patriarchs live the Image and Word as did I, the Child, emulating the Way. Let the laws and statutes be impressed upon their hearts and minds and spirits, to be lived and not spoken, for the Word of God is neither found on paper nor revealed by the tongue. And by these means, the Holy Race shall be instructed and taught how to receive God in its midst.

“...This Saying teaches us that from out of the multitude of churches in the world that will teach Cosolargy, such as the Communities of Christ, Buddhism, Islam, Judaism, Brahmanism, and other religions embracing our concepts, something higher will evolve. We do not know how long this evolution will require, but it will begin in our lifetimes. A True Church will evolve which will be divorced from the popular religions of the day and age. It will be a truly universal religion in which men and women can express themselves as a race of spiritual beings. However, this will require a maturity which people today do not have. Therefore, the Teachings of Cosolargy will be given to the popular religions of the world as amendments and supplemental material so that they can be fulfilled as a higher religion. This Church which will evolve out of all churches will be shared by all races and creeds without favoring any particular religion. This is what the Saying

tells us.

“The first Patriarchs of this religion will be a select number of enlightened men who will follow in the footsteps of Jesus, Moses, Zoroaster, Buddha, Lao Tzu, and many of the other prophets of times past. And they will be known by their enlightenment. The office they hold will not be one that will be attained by earthly intelligence, but by spiritual enlightenment which will be discerned by all. And these Patriarchs will divorce themselves from the world so they may be able to counsel the leaders of the world. The Patriarchs will lead man as did the founders of the world religions in ancient times. They will represent a spiritual Order. And this Order will own no material thing...”

These lines are from the commentary on the 18th Saying.

Now that I have attained the age of 52 years, I assume the office of Head Patriarch of The Church, thus re-activating the Holy Order of Patriarchs. I have taken this opportunity to appoint two Ministers of The Community as the first to join me in this endeavor, at this time. They are the Reverend Fathers Robert Petrovich and Ted Staver.

These two appointments, which will be followed by the Rite of Ordination, mark a new beginning as we enter the third 20-year cycle in the 61st year of the Second Advent Calendar. More appointments will be forthcoming for both men and women who meet the required qualifications, which include solemn vows to The Order. These qualification and requirements can be found in the commentaries of the 18th and

19th Sayings. There is much to contemplate and discuss as we look to Second Advent Easter and Second Advent Pentecost.

Infinite Life in an Infinite Universe

"The Hermetic Fragments teach that the whole universe is ruled by intelligent and semi-intelligent Forces and Power.

Christian theology admits and even enforces belief in such, but makes an arbitrary division and refers to them as 'Angels' and 'Devils'. Science denies the existence of such, and ridicules the very idea. Spirituualists believe in the Spirits of the Dead, and, outside of these, deny entirely any other kind or class of invisible beings. The Occultists and Kabalists are thus the only rational expounders of the ancient traditions, which have now culminated in dogmatic faith on the one hand, and dogmatic denials on the other. For, both belief and unbelief embrace but one small corner of the infinite horizons of spiritual and physical manifestations, and thus both are right from their respective standpoints, and both are wrong in believing they circumscribe the whole within their own special and narrow barriers." ~[H. P. Blavatsky](#)

A Living Universe

Our universe is teeming with life, yet science has difficulty finding it by looking in too narrow a way for it. Science expects all life to be very similar to life on Earth and that is too narrow a viewpoint. In addition, much that science considers none living things are in fact alive also. What science doesn't understand is that the life force is one of the strongest forces in the universe and will generate life with whatever material it has available and in whatever environment that material exists.

Forces and Powers

As we develop spiritually, we will learn that there isn't much difference between forces, powers, and beings. And if beings of many kinds are alive, then forces and powers can be living things also. We should note that when we talk about forces and powers on a spiritual level, forces are things like gravity and centrifugal force, while powers are the governors of the realm of darkness, the realm of matter. So as you can see, there is no firm division between beings and powers, or even

beings and forces.

Spirits

Blavatsky says that Christians believe that spirits exist, but insist on categorizing them all as Angels or Devils. Then she says that spiritualists believe only in the spirits of the dead, making it seem as if the spirit only exists after a person dies. Both of those limited concepts of spirits are wrong. There are spiritual beings who have never lived as physical beings. There are also spirits other than Angels or Devils. Blavatsky then adds that only “ Occultists and Kabalists” have the correct idea of spirits by following ancient traditions. That may have been true at one time, but I think there are spiritual people today who are aware that all living beings have a spirit. Not just humans, but dogs, frogs, trees, and all living things have a spirit. And since everything is alive on some level, everything has a spirit. Native Americans knew that long ago. They believe that even mountains, wind, and rivers have spirits, and they are correct. The universe is teeming with life, both physical and spiritual. It is far more alive than our current science believes.

“NASA Scientists Find Proof of a Parallel Universe with Reversed Physical Laws”

According to a study, in a scene right out of “The Twilight Zone,” a team of NASA researchers conducting an experiment in Antarctica have discovered evidence of a parallel world with physics that is completely opposite to our own.

A cosmic ray detection experiment has discovered particles that may be from a parallel universe that also emerged from the Big Bang, according to the Daily Star. The idea of a parallel universe has been around since the early 1960s, largely in the imaginations of fans of sci-fi TV series and comics.

NASA’s Antarctic Impulsive Transient Antenna, or ANITA, was transported by a massive balloon far above Antarctica, where the freezing, dry air offered the ideal setting with little to no radio noise to skew the results.

“Dazzling galactic diamonds shine in new Webb telescope image”

The James Webb Space Telescope has captured a unique perspective of the universe, including never-before-seen galaxies that glitter like diamonds in the cosmos.

The new image, shared on Wednesday as part of a study published in the [Astronomical Journal](#), was taken as part of the Prime Extragalactic Areas for Reionization and Lensing Science observing program, called PEARLS.

It's one of the first medium-deep-wide-field images of the universe, with “medium-deep” meaning the faintest objects

visible, and “wide-field” referring to the region of the cosmos captured in the image.
