The Twenty-second Saying (Part 4)

“And The Companion then asked, ‘Does being born again take the place of prayer? Is it necessary to pray after spiritual rebirth?’ To this, The Man said, ‘Here we have a dilemma. For example, we of the Church of the Second Advent preach to the Church of the First Dispensation saying, “Jesus Christ is not the Only-Begotten, First-Born Son of God.” That expression, taken from ancient religions, was always used to describe the great spiritual Sun of Righteousness by which God revealed His Nature to the world, expressed His Truth, which was perceived by the spirit of Man as Goodness or as Light, and spoke to the spirit of man and woman in The Word.

“‘The Sun of Righteousness was the intermediary between man

and woman and God. The intermediary was not a person. The Christians borrowed that concept from ancient sources. These sources taught the Greek and the Egyptian concepts: that God had revealed Himself and given His Body, which was Light, for man and woman to eat, so that they might be nurtured; that He had revealed His Nature and His Face to all humankind in the Light of the Sun of Righteousness and spoke to them by means of His Word; and that that Light – that Sun – was His Image and His First-Born, which He had sent into the world to redeem humankind as an act of Love. Christians of the first centuries well understood this, but those of later centuries forgot the original teachings.

“‘In the teaching that has come down to the modern Church, people became obsessed with the idea that the life of the body was in the blood, and that the life of spirit was also in the blood. They spoke about the sacrifice of Jesus’ blood as being the atonement for Man’s sin, not realizing that Jesus followed The Way of God, looked upon the Sun of Righteousness, received The Image, was re-created Image, and received The Word. Both Image and Word were incarnate within Jesus. And he told the Jews to follow him, to live The Way, so that they, too, might be re-created in the Image of God and receive His Word. The body of flesh was never intended to be the Image of God because it was heir to death; and God, being deathless, could not possibly create anything that would suffer or die.

“‘Prayer does not rise to God, no matter how emotional, how zealous it might be. It is the same as yelling for God with the voice. God hears neither mental prayers nor vocal speech. He hears only the voice of the spirit. And you must live The Way, or He will not hear you. There is no other way to raise a prayer to God. The perfect prayer, as taught by Jesus, the Essenes and other members of the Eternal Race in every great culture throughout the world (for the Essenes were an Order of men and women living in Palestine who had their fellows in other parts of the world) was the same fundamental teaching: a

person was reborn by living The Way, looking upon the Face of God, and allowing God to send His Word within that person so he or she might have a dialogue. And by “dialogue” was meant “God speaks to me and I speak to God by living The Way.” That is the perfect prayer – living The Way – not speaking, praying, asking, sacrificing, or any other thing a person might do.

“‘And that is the message we have for the Christian religion.’”

Very truly yours in Light+,

“The Mystical Way of the New Person of Spirit”

“If the Mystic Way be considered as an organic process of transcendence, this illuminated apprehension of things, this cleansing of the doors of perception, is surely what we might expect to occur as man moves towards higher centers of consciousness. It marks the self’s growth towards free and conscious participation in the Absolute Life; its progressive appropriation of that life by means of the contact which exists in the depths of man’s being—the ground or spark of the Soul—between the subject and the transcendental world. The surface intelligence, purified from the domination of the senses, is invaded more and more by the transcendent personality; the ‘New Person’ who is by nature a denizen of the independent spiritual world, and whose destiny, in mystical language, is a ‘return to the Origin.’ Hence an inflow of new vitality, a deeper and wider apprehension of the mysterious world in which man finds himself, an exaltation of our intuitive powers.

“In such moments of clear sight and enhanced perception as that which [Blake](#) and [Boehme](#) describe, the mystic and the artist do really see the Four-fold River of Life—that World of Becoming in which, as [Erigena](#) says, ‘Every visible and invisible creature is a theophany or appearance of God’—as all perhaps might see it, if prejudice, selfhood, or other illusion did not distort our sight.” ~[Evelyn Underhill](#)

Organic Process of Transcendence

The Mystic Way is an “organic process of transcendence” because it is a natural one. It doesn’t involve drugs or hypnosis. Those things produce fantasies, not transcendence. And simple meditation, while it can be one step in the process of transcendence, is not the complete process as believed by many. Underhill mentions Jacob Boeme in the quote above. Jacob Boeme had his transcendence when the sun reflected off a metal

bowl and into his eyes. Now that is not a recommendation that we all go out and try to repeat what happened to Boehme. He was fortunate that he wasn't blinded by that "accident." St. Francis was watching the sunrise when he had his awakening. While they don't often mention it, those in mystical schools know that many others were practicing some form of spiritual sun gazing to awaken their spiritual Self. The Essenes did it, as did the Pythagoreans, just to name a few. It is an important part of the Mystic Way in any real spiritual school.

Illuminated Apprehension

Today, apprehension generally refers to a fear of something unpleasant coming, but I think that when Ms. Underhill wrote about mystical apprehension, she meant it in a more general way as having some knowledge or insight into the future, whether pleasant or not. She further defines it as a "cleansing of the doors of perception" meaning that the veils of materialism and materialistic beliefs are removed for the mystics, allowing them to see the reality of a thing or being. In addition, their spiritual senses are functioning and reveal things hidden to the physical senses.

As Man Moves Forward

We have gone through centuries when religion and spirituality have slowly been reduced to a very small part of our lives, or worse yet, religions teaching material things rather than spiritual ones. Thankfully, that trend seems to be ending and more people every day are rediscovering the need for a spiritual life as well as a physical and mental one. It is not easy when we and our governments are so much under the control of the big multinational corporations that emphasize the material. Fortunately, we have the power of the promised Sun of Righteousness shining down upon us now and helping people

to awaken their spiritual Selves. There will, of course, be resistance from the forces of darkness, but the Light will prevail.

The Twenty-second Saying (Part 3)

“Then a male Companion of The Way, the first Companion to speak, asked, ‘Is the spirit, the sleeping spirit, related to the archetype?’

“And The Man answered, ‘The spirit of man and woman has the potential of Light and of Darkness. In that, we have an archetype. If we refer to the allegorical Garden of Eden, we see that Man and Woman fell away from God because they believed in the teachings or the words of the Power of Darkness, which we call the Devil. And, having thus believed, they followed the way of the Angel of Darkness and fell away from the Grace of God. And having thus fallen, they were denied nourishment and became dormant. A body denied food will

die. Thus Man and Woman took on form – material form – which began with an archetype.

“‘That archetype was the “shadow” of the angelic Body of Light, a Dark Body of Light, or a Dark Angel. That was the archetype. And out of the Dark Body of Light slowly evolved the material body we have today, as did the mind. So the mind is related to the material body – both evolved out of the Dark Body and the mutated Consciousness which we call the Kalos nature of the psyche. And all these evolved out of the Light Body and the Divine Consciousness which can only be restored by God.

“‘Therefore, even though a material person goes to a material church and prays to a material god, that person will in no way gain access to the True God. And though prayers may be emotionally, psychically, and mentally satisfying and good for a person, they will not restore the spirit to a living Soul. That was a fundamental teaching of Jesus and the reason he and the disciples and the first Christians were so fanatic in their zeal to spread the “Good News.” But the people, in desiring to worship a messiah, or a material god, and wishing to have a savior who would redeem them, clung to Jesus as that savior, denying the Power of God as the means of restoring them to their divinity.

“‘The archetype is the neuter spirit which has its origins in the angelic Body of Light and becomes alive again with the Word of God in the Image. Therefore, individuals looking upon the Sun of Righteousness and hearing The Word evolve physically – on the mental level – very strongly. The psychic level then begins to develop and the person has memories of who she or he was. Then these individuals begin to have a Consciousness of Spirit and, in an instant, remember who they truly are. As a consequence, they let go of the material world and serve the world of the spirit more than the world of matter. They become a complex, as it were.’”

2022 Convocation Announced for Ministers Ordained to the

Jamilian Order

COSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

You are invited to the 2022 Convocation

February 17, 2022

Dear member of the Jamilian Order,

It is with great pleasure that we once again are able to extend to you our invitation to join in Community for the annual Convocation of the Sacred College and ministry of the Second Advent Church.

We will meet for this year's Convocation from Thursday, June 2nd to Monday, June 6th, 2022.

This will be the first time in three years that we will be meeting in person, and we will be honored by your presence. This year's annual Convocation marks an important milestone for our Community and its members.

Together we will be defining the future direction of our Community. We need you to be part of this special moment in time.

This year we will host the Community Convocation of ordained ministers from Thursday, June 2nd to Monday, June 6th, 2022 and host a separate Seminar for Academy Consociates in September.

The June Convocation will be geared exclusively towards those persons who are ordained within the Jamilian Order and will include advanced concepts and techniques relating to Sacred College studies, research and practice, including the purpose of ceremony, liturgy, the use of chanting, tones, and the like. The importance of 2022 in our calendar cannot be overstated. It is the 60th anniversary of the birth of the Sun of Righteousness and also marks an important 20-year cycle – the third since 1962. We will be emphasizing during the June gathering how we have revived the ancient Essene Covenant of Renewal which always took place during the Feast of Weeks and later around Pentecost which, in our Community, is June 6th, a fixed day according to the solar calendar.

In the early Church that originated out of the Essene communities, Pentecost was a time of regeneration and revitalization for the Community that signified the annual renewal of the Covenant. In a similar state of gratitude, peace and love, we will be able to participate together in the Divine Service on June 6, 2022, at one with God and the cosmos. The Book of God's Revelation records the importance of this date in the Sacred Calendar of the Second Advent Church: In 1982 Revelations were received atop the Temple Mount on Divine Law and on the building of the Shrine of God's Waters. It is always important to reconnect at the Center, with others from around the world, and with our Prophecies and Teachings. And so we welcome this event as an important moment to connect, reconnect, and fuse together all members of Cosolargy International. In this era of an emerging new dimension of Consciousness, there is a power in the liturgies and the liturgy we perform in Community, aligned with the spiritual Forces of Light, to serve as an antidote to the influence of Dark Powers.

Register electronically through the email invitation sent to you.

If you do not have an email address, you may register by phone. Call our offices at 775-786-7431 and ask to speak with Elizabeth Reece.

We need to know if you will be attending this year's Convocation before April 1st so that we are able to make proper arrangements for our out-of-town members.

Every year your active participation has a profound meaning beyond words. Your presence will enhance the forces that have activated and motivated our Community for many decades. We look forward to seeing you!

“Man Falls from Heaven to Earth”

THE HUMAN DESCENDS INTO THE WORLD OF NATURE

"Then the primal person, who possessed all authority over the world of mortal creatures and irrational animals, leaned down through the harmony and, having broken the vault, showed lower nature the beautiful form of God. When nature saw the beautiful form of God, it smiled on the human with love, for it had seen the wondrous beauty of the human reflected in the water and its shadow on the earth. And the human too, on seeing this form, a form similar to his own reflected in the water, loved it and wanted to live in it. And his wish was immediately realized, and he began to inhabit a form devoid of reason. And nature received its loved one, embraced him, and they mingled, for they were lovers."

HUMANKIND IS MORTAL AND IMMORTAL

"And this is why the human, of all creatures on the earth, is twofold: mortal in his body but immortal through the eternal human. Though he is immortal and has power over all things, he also suffers mortality, since he is subject to destiny. Though above the world of the spheres, he is a slave of destiny. Though he is male and female, being born of a father who contains male and female, and is sleepless as his father is sleepless, he is vanquished by love and oblivion."

SEVEN EARTHLY HUMANS ARE BORN

"And after this I said, 'O mind, tell me the rest. I too love your teaching.' And Poimandres answered, 'Here is the mystery that has been hidden until this day. Nature, intimately mingled with the primal person, produced a most wondrous miracle. The human had in himself the world of spheres of the seven rulers, which, as I told you, was made of fire and air. Nature immediately made seven humans corresponding to the natures of the seven rulers, and they were androgynous and sublime.'" ~Poimanders

Man Descends Into Nature

What Poimanders means by saying that Man descended into the world of nature is that Man, being originally pure spirit as created by God, descended into the realm of matter that was created by the Demiurge, meaning that we took on a physical body. Exactly how we ended up here is open to conjecture. The story of Adam and Eve is one variation, but we must remember that most stories in scripture are allegorical, and the story of the fall of Adam and Eve is no exception. The most important allegorical reference in that story is that of the Tree of Knowledge of Good and Evil that Eve ate from and then convinced Adam to do the same. The result of their action was that they “fell” into the lower-level realm of matter.

Form of God

Nature looked upon Man and saw the beautiful form of God. That is because it was looking at man in the original form as a spirit, not a material being. That nature “ached for Man” and loved his form is definitely an allegory. Poimanders makes it sound as if Nature grabbed Man and pulled humanity down into matter, thereby releasing Man of all blame for what happened. Most other tales of The Fall, however, have Man sharing, along with Satan, much of the responsibility for what happened to them. The Bible tells us that when man gained a certain type of intelligence through the fall, Adam and Eve realized they were naked and covered themselves with fig leaves. Most paintings and drawings of this even have Adam and Eve hiding only the sex organs with the fig leaves. This idea is based on a later concept that sex was somehow evil, even though it is necessary for the procreation of most physical beings. If you read the Gnostic “First Book of Adam and Eve,” also known as the “Conflict of Adam and Eve,” you will read that they were not embarrassed about having their sex organ uncovered, but

about having a physical body, period. It was the entire physical body they found embarrassing, if not outright disgusting, not because of its shape or form, but because it was dense matter and they were used to being in bodies of Spiritual Light. So the paintings like this one have it wrong:

The reality was more like this one, where they are hiding as much of their physical bodies as possible:

Mortal and Immortal

Humans are mortal and immortal because we have an immortal spirit in a mortal physical body and mind. In order for us to become truly immortal beings, we must awaken our spirits while we are still alive on the mortal plane and become one with it. Then that which we think of as our Self will survive physical death.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

He [Gene Savoy, Sr.] sought to understand the essence of religion, to go beyond the dogma and theology of the written word. He had read the great religious works of man and discovered that many Prophets, like Akhenaten+, Moses+, Buddha+, Krishna+, Lao-tzu+, Zoroaster+, Mohammed+, Viracocha+ of the Americas, and many others, had brought special messages of God+ to their respective peoples and all shared much in common. What he was seeking, he knew, must come from God+, not through the faculties of cognition or emotion of his own being but from an actualized Spiritual Consciousness+ apart from his physical mind-body. While Holy Men of all ages taught many of the same teachings brought by Jesus+, and shared his fate, he believed that Jesus+ —and perhaps others, too—had transmitted something special that was never put to the written word. Whatever it was, he was certain a scholarly examination would not suffice. The Man put aside his books and gave his very life completely to the Spirit of Christ+."

WEEKLY MESSAGE: February 9, 2022

CÔSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

February 9, 2022

This past Sunday, we concluded the annual Advent Vigil (January 30th to February 6th) of daily sunrise services honoring the dawn of the Second Advent with the birth of the Sun of Righteousness and the manifestation of The Image and The Word incarnate. I truly hope you received the many special blessings emanating out of The Light during this blessed time of year. We will now resume our review of the Twenty-Second Saying of Jamil.

The Twenty-second Saying (Part 3)

“Upon concluding the words of the Twenty-Second Saying, The Man asked of those assembled whether they had any questions. And The Mariner among them said, ‘The early part of the Saying explains that the spirit is alive but not Conscious. I am not certain I understand. Could you please read that portion again?’ The Man read from the scroll again; ‘Man has a spiritual nature that is not Consciously alive – a spirit which is part of a spiritual domain and is not of the world or the material universe.’ When he had read these lines, he turned to The Mariner saying, ‘You may recall from The Teachings that every human being has a spirit of two natures: one of Light and the other of Darkness. Men and women are free to choose which aspect of their spirit is going to be encouraged to be restored and made alive. Most serve the Darkness because they are ignorant of The Way to Light, and have no access to anything beyond the world or the Powers of Darkness, which are readily available.

“‘Even though Man’s spirit, which envelopes him in a sphere of Light, is his only potential for the development of a soul, it is, nonetheless, a neuter. In other words, there is neither Light nor Darkness within it. It is, in a manner of speaking,

sleeping. And most people, living in the world and motivated by it, pursue a life in which the individual is primarily involved in earning enough to provide for oneself and one's family. People's tensions are relieved through entertainment, vacations, and other means of relaxation. Living in the world so totally preoccupies people that the spirit has no nourishment, no source of energy by which to awaken. Thus, the beastly or animal nature of people – that body of flesh that inherits death – rules them.

“In their concern with living, they often become opposed to one another – neighbor, brother, sister, sometimes their own children – because one's own person is most important to the individual. Therefore, the fittest survive among men and women and animals intent on survival. This is a well-known fact of nature as taught by the naturalist Charles Darwin. But there is another part, the greater part of man and woman, which is the spirit. And that spirit is the cause of Man's existence, even though the only apparent, visible form is the body which, as we know from The Teachings, is a product of Man's descent into matter, taking on a mutated form through this abortion.

“The spirit of Man in the world has no means of being awakened. But the manifestation of the Sun of Righteousness, a Power of God and a nourishment to the spirit, touches it and, like a seed implanted into the spirit, gives birth to the soul. Thus born, that soul takes on a Conscious life and becomes a person rather than remaining a neuter spirit with a dual potential.

“In the churches today, people pray to God, they worship God, they sing praises to God, they participate in rites, ceremonies, the sacraments, the liturgy, the litany, and believe that the exercise of mind, speech and emotion is sufficient to give them spiritual beingness and life to their spirits. This, of course, is not true, as we know from one of the most fundamental teachings of Jesus. His words to this effect were, “All your words and all your prayers and all your

pompous ceremony will not give life to your spirit. You must be born again, and that birth comes of the Father. Follow me, I am The Way. I live The Way. And by living this Way you, too, will become reborn. And once reborn, you become a Child of God, and God becomes your restorer and savior.”

“‘The spirit, being neutral, comes alive by means of a food or a nourishment outside the realm of nature. That food is The Word and The Image of God.’”

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,

Gene
