WEEKLY MESSAGE: August 26, 2021

CÔSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

August 26, 2021

I am very pleased to tell you that the head of our Cosolargy Institute of Japan, Bishop Yukinori Matsushita, arrived yesterday from Tokyo for a two week visit here at the Community Center in Reno. It's been two years since our last Convocation when he was here last so, needless to say, we are very happy to see him. Yuki is staying at the new retreat apartment at the Red Rock Sanctuary which was just completed last week for his arrival. You can expect an article in the Community Communique soon with photos about this new facility at the Sanctuary, and I will keep you updated on our new visions and plans for Cosolargy in Japan.

Now, let us continue with our review of the Twentieth and Twenty-first Sayings of Jamil.

The Twentieth and Twenty-first Sayings (Part 6)

“‘The Community is a spiritual Church not a material church. It deals with Cosmic Laws, with the Teachings of God and with revealed doctrines. It is exclusive, unique, original. The Canon Law of the Church governs its activity. Society cannot live without civilizing laws. Nations are governed by laws they create, but all nations and peoples respond to the laws of nature more than to their civil laws.

“‘If God wishes to create a spiritual nation of spiritual people in the world, it would seem that nature acknowledges this change. Because our Teachings are revealed from a higher source than Man’s secular knowledge, we are being given an opportunity to participate in the future of humankind. Many find that hard to believe. They expect all things will continue as before.

“‘The Messianists of this New Church are under vows and are dedicated to serve God in this New Age. They are empowered to affect the sun, and that effect brings about a healing of the races of Man on earth. People who place themselves under the care, protection and guidance of these ministers, who follow The Way and The System, are distinctively blessed by the healing rays of the sun. Just as individuals are so blessed, The Community and even nations are blessed.

“‘The power that God has promised to the New Ministers shall set them apart from the ministers of other churches that are self-proclaimed and hold to the tradition and authority given them by the State. Because of tradition, the State recognizes these churches though they do not have power authorized by God.

“‘The preaching of the New Ministers shall have a force and a strength and shall not be empty and weak words of the unordained of God. This force and strength are indicated by the words of the Twentieth Saying: ‘God shall, by means of the spiritual Sun, generate a New People to be formed into a New Nation unlike any nation of former times. And this spiritual

Nation shall be governed by God's Spirit made Law. And Ministers of this New State shall be under oath to live in accordance with its laws, and to pledge themselves to instruct the human family in the New Way that God has decreed. Those who fulfill this teaching share in a special blessing of God." "

"These words he said aloud. But there were others left unsaid which he heard within his spiritual being."

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,

Gene

“Nevada is all about relaxing and rejuvenating. It is not surprising that many of the hotels in the state host world-class spas. There are also many smaller spas that focus on pampering and individualized services.

Steamboat Hot Springs, Reno, NV

A true retreat in the desert, the focus of this non-profit center is holistic healing. The treatments are all eco-friendly and green as well. From the specialized treatments to the classes focusing on spiritual awareness, this is a life changing get-away.”

Union with Spiritual Forces

“Hermes taught that man qualifies himself for union with spiritual forces after death, in proportion as he uses his powers on earth for furthering the purposes of those spiritual forces. Those especially who had worked most seriously in this way between birth and death would be united with the lofty Sun-God Osiris. On the Chaldaic-Babylonian side of the stream of civilization, the direction of the human mind toward the physical sense-world was more conspicuous than on the Egyptian side. The laws of that world were being investigated and from its reflection in the sense-world these people looked up to the corresponding spiritual

prototypes. Yet in many respects the nation remained wedded to physical things. Instead of the star-spirit, the star was put first, and instead of other spiritual beings their earthly counterparts were made prominent. Only the leaders attained really deep knowledge concerning the laws of the supersensible world and its connection with the physical. The contrast between the knowledge of the initiates and the perverted beliefs of the people became more apparent in those nations than anywhere else.” ~Rudolf Steiner

Union with Spiritual Forces

Union with spiritual forces is a sensible goal. Union with spiritual worlds and spiritual consciousness is an even better one. It is a goal we should all be seeking, but few do. Many don't see any need to awaken their spiritual Self, others don't think anything needs to be done to awaken it. They think they can be as materialistic as they like while trapped in a physical body, but when they die, they will automatically be welcomed into the realm of spirits. That is like believing that you don't have to bother to learn how to swim. If the ship you're on sinks, you will learn automatically when you need it. Sorry, it doesn't work that way. As Steiner says, Hermes taught that man must “qualify” himself for union with spiritual forces. We do that by awakening and developing our spiritual faculties while we are still in physical form.

Furthering the Purpose

God grants union with spiritual forces to those who will use such knowledge and power to further His Plan for redeeming the fallen realm of matter. Those who oppose such plans, or simply avoid contributing, may gain temporary union with spiritual forces, but will soon lose it.

United with Osiris

Being united with the Sun God Osiris may not be your goal, but unity with God should be; and God is a Sun God because the Spiritual Sun is His Agent spreading spiritual Light into the realm of matter. Now it is even more so with the birth of the Sun of Righteousness, which means that the Spiritual Sun now carries a special Presence of God to more easily help us awaken our spiritual faculties.

The Failure of Egypt

Steiner is telling us that while great spiritual knowledge was made available to the people of Egypt, few changed their materialistic ways and turned to spiritual development. We know that some of them did turn to the spiritual, including some Pharaohs and priests, but the majority did not. Steiner tells us this story as a warning. Today, with the help of the Sun of Righteousness, we have been given a one-in-a-thousand-year opportunity to turn away from matter—which is temporary anyway—and embrace the spiritual. If we fail this time, there will not be another chance. These are the End Times and a final decision is upon us. Make the wise decision.

From the SOLAR WIND collection by Harold Boulette.

“Michael Clarage: Supernova”

A supernova begins as a star then undergoes a very rapid transformation which, for an instant, puts out as much energy as the entire galaxy where it lives. This brief, all-encompassing flash is called “supernova”.

The star is gone and we see something very different. The center pulses hundreds, even thousands of times a second. Every supernova remnant has a unique pulse shape, unique like your fingerprint or voice, and around its pulsing center is a rapidly expanding larger electric and magnetic body.

Astrophysicist Michael Clarage, PhD, and Lead Scientist of The SAFIRE Project, bounces back and forth between the world of supernova and the world of people, in hopes of understanding both better.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

The Wonder Child would be accompanied by a luminous sun set in the firmament; indeed, the symbol of the Cakravartin is the neolithic sun-wheel; in essence, the sun. He would proclaim that the old sun, the light and life of the world, would experience a transformation. The new sun would shine healing rays upon all living things without distinction.

An Islamic legend tells of a coming "Divinely Guided One," the Mahdi, the awaited deliverer. With the advent of the Mahdi, mankind would experience, or enjoy, greater blessings than ever before. The term "Man of the Mahd" (cradle) is given reference. Another story recites that the Mahdi shall live five or seven or nine years only, and then be taken out of the world. The Mahdi, it was said, would be marked with the Seal of Prophecy.

In ancient Egypt, the principal religion was that of the Light, the Father of Illumination. It is interesting to note that in the center of the Temple of Annu was the Hall of the Altar with entrances facing east toward the rising sun and west toward the setting sun. Beyond this hall was the great Hall of the Child, depicted in his cradle. There were also other representations of the Sun Child sitting in a lotus.

The future advent of the Miraculous Babe, the boy-child endowed with fabulous attributes and marked with auspicious body signs, was also recorded in the Zoroastrian Zend-Avesta as well as in the ancient and revered Sibylline Oracles of apocalyptic imagery honored by Jews, and later by Christians. The Oracles inspired Virgil's epic fourth Eclogue, the most discussed poem in Latin literature, that treats of the Wonder Child of God to be sent as a king from the sun, at whose birth the transformation of nature and the intensification of the Golden Age—signs would begin."
