

“Sunlight destroys coronavirus quickly, say US scientists”

The new coronavirus is quickly destroyed by sunlight, according to new research announced by a senior US official on Thursday, though the study has not yet been made public and awaits external evaluation.

William Bryan, science and technology advisor to the Department of Homeland Security secretary, told reporters at the White House that government scientists had found ultraviolet rays had a potent impact on the pathogen, offering hope that its spread may ease over the summer.

“Praise Wisdom, Embrace Wisdom”

“Wisdom shall praise herself, and shall glory in the midst of

her people. In the congregation of the most High shall she open her mouth, and triumph before his power. I came out of the mouth of the most High, and covered the earth as a cloud. I dwelt in high places, and my throne is in a cloudy pillar. I alone compassed the circuit of heaven, and walked in the bottom of the deep. In the waves of the sea and in all the earth, and in every people and nation, I got a possession. ... Likewise in the beloved city he gave me rest, and in Jerusalem was my power. And I took root in an honorable people, even in the portion of the Lord's inheritance. I was exalted like a cedar in Libanus, and as a cypress tree upon the mountains of Hermon. I was exalted like a palm tree in En-gaddi, and as a rose plant in Jericho. ... I gave a sweet smell like cinnamon and aspalathus, and I yielded a pleasant odor like the best myrrh, ... and as the fumes of frankincense in the tabernacle. As the turpentine tree I stretched out my branches, and my branches are the branches of honor and grace. ... I am the mother of fair love, and fear, and knowledge, and holy hope: I therefore, being eternal, am given to all my children which are named of him. Come unto me, all ye that be desirous of me, and fill yourselves with my fruits. For my memorial is sweeter than honey, and mine inheritance than the honeycomb. They that eat me shall yet be hungry, and they that drink me shall yet be thirsty."

~[Ecclesiasticus](#)

Praise Wisdom

I'm not sure Ecclesiasticus is correct in saying that Wisdom "shall praise herself," but we certainly have good reason to praise Wisdom. Unfortunately, few of us do, probably because we confuse Wisdom and intelligence. The Gnostics and Mystics know that they are not the same. Wisdom is also not using intelligence to make good decisions and sound judgment, as it is commonly defined. Wisdom, as the Gnostics and Mystics know it, is a Divine Knowledge that is made up only of absolute and universal truth. There is no room in wisdom for opinions. It

is also not limited to the material world. Spiritual knowledge combined with material intellect produces real Wisdom as nothing else can. Those who have this Wisdom make good choices always, not just occasionally. So yes, we should praise Wisdom.

July 4, 2020: Chapel Readings

Each week of the liturgical year, a reading from Second Advent

Scripture is delivered as part of the Saturday Communion of Fellowship Service held in the Chapel of the Holy Child. This reading follows the Sacred Calendar of the Church; that is, Prophecies and Revelations that have been received by The Church on sacred dates are recalled in a liturgical context during the appropriate season each year. This reading is delivered just before the final blessings. Each service also includes a reading from the ancient scriptures, prayers, or wisdom sayings of various world religions past and present and is usually thematically related to the Second Advent Reading. This reading is delivered by the Reader right after the announcements that begin the service and is thus the first reading of the service. An audio recording of the reading from Second Advent Scripture delivered on the date above is provided here below together with a transcript of the first reading of the service that day.

[Click here to watch this week's readings on YouTube. \(17:04 minutes\)](#)

SECOND ADVENT PROPHECY AND REVELATION

A Reading from *The Book of God's Revelation*, Book II: The Seal of God's New Law (pp. 137-144).

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the Writings of Isaiah:

Arise, shine, for thy light is come, and the glory of the LORD is risen upon you.

For behold, the darkness will cover the earth, and gross darkness the people, but the Lord will be upon you, and his

glory will be seen upon you.

And the nations will come to your light, and kings to the brightness of your rising.

Lift up your eyes round above and see all they gather themselves together, they come to you, your sons will come from far and your daughters will be nursed at your side.

Then you will see, and flow together, and your heart will fear, and be enlarge, because the abundance of the sea will be converted to you, the forces of the nation will come to you.

Violence will no more be heard in your land, wasting nor destruction within your borders; but you will call your walls Salvation , and the gates Praise.

The sun will be no more your light by day; neither for brightness will the moon give light to you: but the LORD will be to you an everlasting light, and your God you glory.

WEEKLY MESSAGE: July 15, 2020

COSMOLGY.INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

July 15, 2020

Radheka and I thank you for your well-wishes on the birth of our son, Douglas Eugene Savoy III. He is getting used to his new environment, and we pray that he will fulfill his destiny in this Community and in the Sacred Teachings of Light. This portion of the Thirteenth Saying addresses this exact point.

The Thirteenth Saying (Part 12)

And The Man continued to address the Companions of The Way aboard the Ship of Light – the Feathered Serpent II.

“As Jamil tells us, the only people who can oversee the New Church are those preselected and preordained people who have experienced an Immaculate Conception from the moment of their rebirth. In this respect, every person shares an experience similar to that of Jesus and Jamil – each has been touched by God, illuminated and made spiritual by a special act of the Divine. Like Jesus and Jamil, we are to discipline ourselves, live out the life God intended for us. Remember that Jesus went into the desert regions and prayed for forty days and nights. Life was not easy for him. He had to experience all the temptations of the world that afflict the natural Man. Such is the destiny of every man and woman dedicated to God.

“Remember Jesus on the cross. He had come to illuminate the supernatural Man, yet he walked with natural men and women and he taught them what he could through parables. They could not understand the essence of his teaching – that was reserved for his disciples and immediate followers who submitted to the disciplines. Yet he loved the common people, and healed them, and prayed for them. And they turned on this Illuminated One, this man of peace, and they hung him on the cross unto death.

“Jamil has instructed us to build a strong and unified Community. We are establishing this Church under new authority – the authority of the person of Christ. In this way the original teachings of Christ, lost to the Church for so many centuries, will be restored to us. It is our responsibility to safeguard them for future generations. Only in this way can they be perpetuated.

“We are the Church of the New Advent. We have come to fulfill Christianity – to make it the Church that was intended by Jesus. The Church has been awaiting a Second Coming for centuries. Christ has come!

“This is an important event in the history of the world. When Man gives it the importance that it deserves, by using his free will and intelligence, he binds himself to a universal

Order that allows him to take the Teachings into the world of natural Man. And Christ will transform natural men and women into supernatural men and women. And out of this supernatural phenomenon, we will eventually have a supernatural world, a world of Light creating, of its own accord, a new human condition.

“Too much emphasis has been placed on Man’s free will. Man’s use of free will has been reduced to selecting the kind of employment that will give him funds with which to purchase those things which that same free will says he needs and wants. Since when has free will been used for meaningful and cosmic undertakings? If we allow the natural Man’s kind of thinking to regulate the Church, we would create its own downfall.

“So, my good fellows, the preordained are known by their own enlightenment. Because you recognize the Teaching for what it is, you instantly know that you have been preordained for this work even if your reasoning powers cannot tell you why it is so. You are unlike other people. And being unique, you must take great pains to unify yourselves together without argument and not be as others who follow the natural ways of the world.”

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,

Gene

“Double Down”

Supernova 1987a from various instruments. Photo Credit: Alec Ray

Nov 11, 2019

Stars explode. But how?

A recent press release asks, “What happens when a star explodes?” The answer, not surprisingly, is, “...the same thing that happens when gas explodes here on Earth.”

The Electric Universe agrees with modern physics: a supernova is an exploding star. However, there is much more to the story that involves plasma. Electricity flowing through plasma creates regions of charge separation isolated by double layers. Could charge separation be the foundation for supernovae?

Plasma should be thought of as a condition of matter and not a “substance”. It is an emergent phenomenon out of complex electrical activity. “Emergent” means: “arising as an effect of complex causes and not analyzable simply as the sum of their effects.” As previously written, properties like filamentation, long-range attraction and short-range repulsion, cell-like differentiation, and characteristic instabilities indicate a system of interaction.

Plasma stars are powered by external electric charge flowing through vast circuits in space. Rather than “core rebound”, supernovae are the result of a stored electromagnetic energy release, something like a capacitor when its dielectric medium is overcome. Electrical energy in the circuit is suddenly concentrated at one point, initiating a double layer detonation.

“Physician Healing in a Time of Pandemic”

"Honor a physician with the honor due unto him for the uses which ye may have of him: for the Lord hath created him. For of the most High cometh healing, and he shall receive honour of the king. The skill of the physician shall lift up his head: and in the sight of great men he shall be in admiration. The Lord hath created medicines out of the earth; and he that is wise will not abhor them. Was not the water made sweet with wood, that the virtue thereof might be known? And he hath given men skill, that he might be honored in his marvelous works. With such doth he heal men, and taketh away their pains. Of such doth the apothecary make a confection; and of his works there is no end; and from him is peace over all the earth, My son, in thy sickness be not negligent: but pray unto the Lord, and he will make thee whole. Leave off from sin, and order thine hands aright, and cleanse thy heart from all wickedness. Give a sweet savour, and a memorial of fine flour; and make a fat offering, as not being. Then give

place to the physician, for the Lord hath created him: let him not go from thee, for thou hast need of him. There is a time when in their hands there is good success. For they shall also pray unto the Lord, that he would prosper that, which they give for ease and remedy to prolong life. He that sinneth before his Maker, let him fall into the hand of the physician.” ~[Ecclesiasticus](#)

Honor The Physician

This idea may not sound too appealing these days. It was written in a time when a physician was a healer, not a vendor of drugs and surgical procedures. These ancient physicians were only interested in keeping their patients as healthy as possible, rather than keeping them chronically sick and addicted to prescription drugs. As we are currently dealing with a pandemic, and not doing a very good job of it, I thought this would be a good subject to blog about.

SECOND ADVENT PROPHECY AND REVELATION

A Reading from *The Book of God's Revelation*, Book II: The Seal of God's New Law (pp. 130-137).

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the Gospel of Thomas (38, 40, 50, 51, 56):

(38) Jesus said, Often you wanted to hear these sayings I am telling you, and you have no one else from whom to hear them. There will be days when you will seek me and you will not find me.

(39)...the Pharisees and the scholars have taken the keys of knowledge and have hidden them. They have not entered, nor have they allowed those who want to enter to go inside. You should be shrewd as snakes and innocent as doves.

(40) A grapevine has been planted far from the father...

(41)...Whoever has something in hand will be given more and whoever has nothing will be deprived...

(42) Come into being as you pass away.

(46) ...whoever among you becomes a child will know the kingdom....

(49)...Blessings on you who are alone and chosen, for you will find the kingdom. You have come from it and will return there again.

(50) If they say to you, "Where have you come from?" say to them, "We have come from the light, from the place where the light came into being by itself, established itself, and appeared in their image." If they say to you, "Is it you?"

say, "We are its children and the chosen of the living father." If they ask you, "What is the evidence of your father in you?" say to them, "It is motion and rest."

(51) His students said to him, When will...the new world come? (And) he said to them, What you look for has come but you do not know it.

(54) Blessings on you the poor, for yours is the kingdom of heaven.

(56) Whoever has come to know the world has discovered a carcass....

(57) The father's kingdom is like someone with good seed....

(58) Blessings upon the person who has labored and found life.

(59) Look to the living one as long as you live or you (will) die...and you will not be able to see.

Cosolargy Newsletter 2020, Issue 7: July

COSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

COSOLARGY NEWSLETTER JULY 2020

Greetings!

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](#). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

Excerpt from *Project X - The Search for the Secrets of Immortality*

Our research suggests that long and systematic exposure to sunlight not only enhances the sensitivity of the photoreceptors (rods and cones) in the retina, but somehow brings forth new ones able to register a creative energy contained within sunlight, which introduces new images into the medullary area of the brain and stimulates or brings about a higher consciousness. In our work we found that the pineal gland, located in the center of the brain, appeared to respond to the spectral characteristics of solar radiation, effecting biochemical changes. This appears to result in the development of a "third eye," which, unlike ordinary eyesight, produces a "vision" of its own.

WEEKLY MESSAGE: July 8, 2020

CÔSOLARGY.INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

July 8, 2020

Last week's message treated on the Second Advent, or the Second Coming, and it is important for us to understand that we are a continuation of the True Ministry of Jesus, as well as being representative of the Second Advent of God itself. The portion of the Thirteenth Saying quoted below is concerned with divine enlightenment and the extraordinary Man, as opposed to the ordinary person, as well as charisma in its truest sense.

The Thirteenth Saying (Part 11)

“‘When Jesus came there were many religions in practice, as well as the old Hebrew form of religion under the Jerusalem priesthood, to meet the needs of natural men. Jesus came to make ordinary men and women extraordinary – to make natural men and women supernatural. This transformation of being can come about only by initiation into a divine Order and through the spiritual power of God.

“‘The Community is like a good ship in the rough seas; without it we would be lost, for the fury of the tempests of life would surely destroy us. Like a new ship of unique design requiring a specialized crew, our New Church requires newly-authorized leadership under God inspired by His Word. This Community will be guided not by Man’s free will and reason, but by divine enlightenment which is not the property of natural Man, but only of supernatural Man. Thus only supernatural Man can guide our Church forward and make of it a great world religion; not by numbers perhaps, but by spiritual standards. Its doors will be open to people of all faiths, be they Muslim, Buddhist, Jew, Hindu, or of any religious belief. They need not give up anything; neither their beliefs nor their prophets and holy ones. This religion gives; it does not take. True spiritual unfoldment is the benefit of this religion. To reject it is to deny oneself this benefit.

“‘This New Church, with its one founder and apostles, is independent of all other priesthoods. Thus, as first members of this Church, we must be spiritual, wise and dedicated enough to be able to take this teaching to all people, regardless of their philosophical or religious beliefs. However, though we must make our belief available to all, Man must use his own free will and intelligence, and decide for himself whether he desires to follow the Way of Light or remain in Darkness.

“‘In order to teach, each of us must possess a charisma, each

must be filled with the Holy Spirit – The Word. The Hand of God must rest on our shoulders. Each must wear the Robe of Christ. Each must exemplify the life that Jamil led – he taught us The Way – and by so doing we become members of the Order of the Child. As Jamil is Christ's Christ, the Son of Christ, we, as members of this Order, become members of the Family of God. The nucleus of The Community will be those dedicated few who have elected to become the Guardians and Teachers.

“Those who do not wish to serve The Community as Ministers may assist The Community in many other ways. However, they must never be allowed to dictate to The Community. It must always be under the command of the totally dedicated, those under the necessary oaths in order to serve as instruments of the living Christ. If we allow natural men and women of the material world to rule the Church, the Spirit would be removed. Undoubtedly, this is what happened to the Christian Church. It became so materialistic; that, to keep its material wealth, it had to make compromises and the Great Teaching became lost to it. This explains the need for the coming forth of a new Christ Teacher to rebuild, restore, and regenerate a New Church united with heavenly powers. Thus, when we go forth to instruct people of other religions, men and women of philosophy or science or politics, or from any level of human society, it must be as spiritual Teachers. We must be universalists of the first magnitude. We must be tolerant of the ideas and understanding of the beliefs of others. We must labor not as natural men and women with intolerance and selfish motivations, but as supernatural men and women under the inspiration of Christ.”

This theme continues next week.

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,

Gene
