Jamil: The Child Christ

Birth of the Child Announced

An illuminated one, self-generated, and pre-existent, is destined to come into the world as the revealer of a new teaching to fulfill the old. God shall send him clothed as an innocent child, and from him will come a pure Teaching. And all the Prophets of all time will honor and acknowledge him as he light of the world, for he shall be a king from the Sun.

His sign will be the Cross of Enlightenment and the New Sun of Righteousness that will appear in great glory to alleviate the sufferings of mankind. He shall be accompanied by a multitude of Great Ones. The Child will usher in a New Age for mankind.

The Child comes not to be worshiped, but to reveal the Truth and announce to all men the means of attaining their spiritual heritage.

Light Body Activation in Cosolargy

There is much opinion on the internet and in books about what the light body (or bodies) is, and how it should be activated.

One website called [Expand Your Awareness](#) says there are three things you must do to activate your light body. It further says the light body is our higher self.

Subscribers to the Cosolargy.org web site receive a monthly newsletter.

January 18, 2020: Chapel Readings

Each week of the liturgical year, a reading from Second Advent Scripture is delivered as part of the Saturday Communion of Fellowship Service held in the Chapel of the Holy Child. This reading follows the Sacred Calendar of the Church; that is, Prophecies and Revelations that have been received by The Church on sacred dates are recalled in a liturgical context during the appropriate season each year. This reading is delivered just before the final blessings. Each service also

includes a reading from the ancient scriptures, prayers, or wisdom sayings of various world religions past and present and is usually thematically related to the Second Advent Reading. This reading is delivered by the Reader right after the announcements that begin the service and is thus the first reading of the service. An audio recording of the reading from Second Advent Scripture delivered on the date above is provided here below together with a transcript of the first reading of the service that day.

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the Book of Psalms, Psalm 1:

*Happy are those who do not follow the advice of the wicked,
or take the path that sinners tread, or sit in the seat of
the scoffers;
but their delight is in the law of the Lord,
and on his law they meditate day and night.
They are like trees planted by streams of water,
which yield their fruit in its season,
and their leaves do not wither.
In all that they do they prosper.*

*The wicked are not so,
but are like chaff that the wind drives away.
Therefore the wicked will not stand in the judgment,
nor sinners in the congregation of the righteous;
for the Lord watches over the way of the righteous,
but the way of the wicked perish.*

“Why is Sunrise Important you ask?”

Here's one reason...

Your [#circadianrhythm](#) is set hardest when you see morning light earliest. When you start missing strong early morning light, your body clocks run late which means you can't fall asleep as well or wake up as easy. Essentially your sleep quality and/or time declines.

What happens next?

Cancer

This study shows the cancer rates between people who live on the EAST side of a time zone compared to cancer rates of people who live on the WEST side of a time zone. Realize that on the east side, the sun RISES much earlier for the same social time. The west may not be the best. Here's what they found...

When the sun rises later (or I suspect when you miss that bright early morning light) cancer rates rise.

“Glorious Light of Beauty and Truth”

“Light reveals the glories of the external world and yet is the most glorious of them all. It gives beauty, reveals beauty and is itself most beautiful. It is the analyzer, the truth-teller and the exposé of shams, for it shows things as

they are. Its infinite streams measure off the universe and flow into our telescopes from stars which are quintillions of miles distance. On the other hand it descends to objects inconceivably small, and reveals through the microscope object fifty millions of times less than can be seen by the naked eye. Like all other fine forces, the movement is wonderfully soft, yet penetrating and powerful. Without its verifying influence, vegetable, animal, and human life must immediately perish from the earth, and general ruin take place. We shall do well, then, to consider this potential and beautiful principle of light and its component colors, for the more deeply we penetrate into its inner laws, the more will it present itself as a marvelous storehouse of power to vitalize, heal, refine, and delight mankind.” ~[Edwin D. Babbitt](#)

Glorious Light

The quote is from a book that was published over one hundred years ago. It is surprising, in a way, that Mr. Babbitt understood light so well when few others did. Today, research has shown that not only was he correct, but that light is even more amazing and more powerful than he thought.

The 128th Pannuches Meal Rite was held Saturday, December 28, 2019 at 6:00 p.m.

Jubilee Sunrise Divine Services were held in Sanctuary on the Sunday mornings following the Pannuches Rite.

Christmas-Epiphany Vigil

The Twelve Days of Christmas are observed by tradition in the Second Advent Church. Beginning Wednesday, December 25, and continuing through the morning of Epiphany, January 6, Sunrise Divine Services were held in Consecrated Sanctuary each morning at the Church of New Epiphany during these days of special blessing.

The traditional Christmas Day Service of Communion, Candle Lighting, and Remembrance was suspended due to the Vigil schedule, as were Friday and Saturday Chapel Services.

Children's Blessing

The annual Children's Tea and Blessing was held at the Rectory-Abbey on Sunday, December 29, 2019, from 3:00-5:00 PM. While not a part of the Sacred Calendar of the Church, this Blessing is held each year during the Christmas-Epiphany Vigil. Children, parents, and other members of the Community gathered for the ceremonial blessing of the children of the Community, the breaking of the piñata, and other festivities.

Epiphany Eve Banquet

The annual Epiphany Eve Banquet and festivities took place at the Rectory-Abbey on Saturday, January 5, 2020, from 6:00 to 9:00 p.m. Members of the Community, their families, and special guests of the Bishop were invited to attend this special seasonal banquet. The banquet was styled after the

Mexican tradition. The meal was followed by a visit from Santa and his reindeer and gift-giving.

Epiphany Day

This thirty-ninth anniversary of Epiphany in the Second Advent Church was a day of special blessings and revelation in the Church and the day on which the Church commemorates the True Baptism of Jesus by God the Father. The Message given on January 6, 1981, is related in the Prophecy of the New Covenant:

“On this hallowed day of God’s Appearance, bountiful blessings manifest to the Holy Ones of Light of the Church of the Second Advent founded by His Word. To those unified in Community and holding to The Law, God sends forth the Comforting Spirit of His Image. As the Church has been restored, God will restore those blessings given to the First Church—now in apostasy—and make sacred those Holy Days that are kept in remembrance by the old Churches, but which are not alive with God’s blessings.

“In commemoration of this Day let The Community gather together once each year in remembrance and in fellowship. God will baptize all assembled in the Spirit of His Holiness. God gives an unmistakable Sign from Heaven in the New Sun as a mark of His Advent and Divine Presence. Let all behold the Signs of God manifest in the Heavens and know that their New Ministry is by God’s Authority, and that He has come to Judge the world. This Day is a day of confirmation of God’s Appearance, a day of blessing to strengthen the Good against the Powers of Darkness, and to empower them to teach.”

WEEKLY MESSAGE: January 16, 2020

CŌSOLARGY® INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

January 10, 2020

And we continue.

The Tenth Saying (Part 15 of our series)

“And the First Mariner spoke: ‘Is it written in the Teachings that the Logos radiates to everyone? I believe there was a parable by Jesus on this theme in Matthew, chapter 13. It was about the sower who came forth to sow. I think this ties in with the previous question.’

“Remembering the passage from the New Testament, The Man quoted it from his own copy of the book: ‘Behold, a sower went forth to sow; And when he had sowed, some seeds fell by the wayside, and the fowls came and devoured them up: Some fell upon stony places, where they had not much earth; and forthwith they sprung up, because they had no deepness of earth:

And when the sun was up, they were scorched; and because they had no root, they withered away. And some fell among thorns; and the thorns sprung up, and choked them: But others fell into good ground, and brought forth fruit, some an hundredfold, some sixtyfold, some thirtyfold.’

“‘And Jesus explained the parable by saying, to paraphrase it, “When anyone hears the Word of the Kingdom and understands it not, then comes the wicked one and carries away that which was sown in his heart. This is he that receives the seed near the rocky path. The one who hears the Word on the rocky path is the one who receives it with gladness and joy. But such a person is without roots and he has no strength of character. Let problems and tribulations befall him because of the words received, and he falls away immediately. He that receives the Word among the thorns is the person who hears the Word, but the worries of this world and the pull of materialism and security chokes the Word so that he gains nothing of value. But he that receives the Word in fertile soil is the man who hears the Word with understanding, and he is the one who yields it, who yields the harvest of one hundred, sixtyfold, and thirtyfold.’”

“Then The Man said, ‘Unless a person generates the Light body by means of the Messianic Sun, they will in no way survive the heat from God’s Sun. We in Community must- needs dedicate ourselves to the spiritual path and turn away from the world that occupies so much time and energy. Those of the Light will understand the Word of God; those of the world will not understand it. Another passage from the New Testament deals

with the parable of the tares and the wheat.'

"And he reads from his copy of the New Testament again: 'The Kingdom of Heaven is likened unto a man which sowed good seed in his field: But while men slept, his enemy came and sowed tares among the wheat and went away. But when the blade was sprung up, and brought forth fruit, there appeared the tares also.' Of course you know the rest of the story.

"'And Jesus explained that by saying, 'He that soweth the good seed is the Son of man; The field is the world; The good seed are the children of the kingdom; but the tares are the children of the wicked one; The enemy that sowed them is the devil; the harvest is the end of the world; and the reapers are the angels.

"'As therefore the tares are gathered and burned in the fire; so shall it be in the end of this world. The Son of man shall send forth his angels, and they shall gather out of his kingdom all things that offend, and them which do iniquity; And shall cast them into a furnace of fire: there shall be wailing and gnashing of teeth. Then shall the righteous shine forth as the sun in the kingdom of their Father. Who hath ears to hear, let him hear.'"

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,

SECOND ADVENT PROPHECY AND REVELATION

A Reading from *Prophecy of the New Covenant*, Chapter 90:
"Prophecy on the Revelation and the Opening of the Seals" (pp. 948-952).

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the Gospel of the Egyptians:

O living water, O child of the child, O glorious name! O Living Aeon, Living One who sees the Aeons! Who is eternally eternal!

You are what you are, You are who you are!

You who lives in the heart, This great name of yours is upon me, O self-begotten Perfect one, who is not outside me. I see you, O you who are visible to everyone.

For who will be able to comprehend you in another language? Now that I have known you, I have mixed myself with the unchangeable. I have armed myself with an armor of light; I have become light!

For the Mother was at that place because of the splendid beauty of grace. Therefore, I have stretched out my hands while they were folded. I was shaped in the circle of the

riches of the Light which is in my bosom, which gives shape to the many begotten ones in the Light into which no complaint reaches. I shall declare your glory truly, for I have comprehended you,

O God of Silence! I honor you completely. You are my place of rest, O formless one who exists in the formless ones, who IS, raising up the man in whom you will purify me into your life, according to your imperishable Name. Therefore, the incense of life is in me. I mixed it with water after the model of all archons, in order that I may live with you in the peace of the Holy Ones, you who ARE, really truly forever.

“Galactic Beams: The Sun & Cosmic Rays; Science & Prophecy”

Here we are in 2020. Some are embarking on the new decade with optimism, and others with apprehension. This week I have been looking to both science and prophecy for clues as to what we can expect. The key themes that caught my attention were: changes in the Sun and cosmic radiation; Earth changes, including earthquakes and volcanic eruptions; the coming of a new age and a new human.

Cosmic radiation has hit a five-year high and is approaching

record high values, as the Sun sets a new record for spotlessness (days without sunspots), according to the record-keeping system that started when the Space Age began in 1957 (marked by the launch of the Soviet Union's Sputnik). During 2019, the Sun was without spots for 270 days or 77{1fa2ef75e2e78439128d99df03acfe1d8ee3047374abe3d4676fe3470ff8b909} of the time (as of 16 December). The Sun's magnetic field weakens during solar minimums, allowing deep space cosmic radiation to flood the Solar System.

The Earth's magnetic field protects our planet from solar and cosmic rays that could be harmful, like a giant shield. As the planetary poles move around, that shield is weakened – scientists estimate that it could waste away to as little as a tenth of its usual force. The expected Cosmic radiation isn't hitting the surface yet. But at some point, when the magnetic field has dwindled enough, it will be a different story.

And here's some other news: Nexus magazine picked up this article and included it on their daily News feed on Tuesday, January 7th, which will give it much wider exposure.

“Subconscious Computer and Negative Thinking”

“I want to preach a sermon to everybody, from this test, ‘Consider the lilies of the field,’ because it has nothing in it disagreeable to anybody. It is not a sermon of threat or of warning, but of hope. The world today needs more hope. We are a hopeless lot. We are so, principally, because in so much of the past preaching we have been told how bad we are, and what would happen to us if we kept on in our badness. We are so little told that we have in us lots of goodness and power. ... People who think badly of themselves are pretty sure

to do badly. Scripture remarks, 'As a man or woman thinketh, so is he or she.' It is when a man thins poorly of himself, that he goes off and gets drunk, or does some mean thing. The pride that makes a man value himself is the pride that keeps him from mean and degrading acts. Our race is now on the point of being woke up to the fact that every man and every woman are the possessors of more powers than now they dream of, and that, when they know how to use these powers, they will steer out of all evil into good." ~[Prentiss Mulford](#)

Sermon of Warning

I wouldn't have called Mulford's warning a sermon. That name alone turns off many people these days. That is, in part at least, for the very thing Mulford is talking about. We have preachers who love to tell us how evil we are. How we need to repent. And those who are not telling their congregation such things, are saying it of others. The gays are evil, the Mexicans are evil, the feminists are evil, etc. Any group that they think is not a significant part of their congregation is a potential target for these sermons of hate. Yet, in truth, many of these preachers don't even hate the ones they are calling evil. They do it simply because it is what their congregation wants to hear. When you tell the congregation what they want to hear, they are more generous in their donations. And sadly, preaching has become more about making money than teaching truth.

When We Believe

Preachers are certainly not the only ones telling us negative things about ourselves. Teachers, parents, government officials, and others contribute also. This might be acceptable if they followed the negative comments with some positive ones, but they rarely do. Even when they do, it may be that they emphasize the negative, or keep the positive to something minor. Just to give an example, which is certainly not something I believe, if someone says, "Mexicans are all

knife-wielding murderers, but they dress well," they have said something positive as well as something negative. But the negative part greatly outweighs the positive, so the overall message is negative.

As Mulford notes, the real danger in all of this comes when we actually start to believe the negative things others say about us, either as an individual or as some group we belong to. It is bad enough that just listening to the negative things others say about us can, to some degree, program out subconscious minds, but when we start to affirm those negative opinions, we are really programming the subconscious mind.

Subconscious Computer

As someone who spent most of his adult life programming computers for a living, I know them fairly well. The thing about computers is that they have no conscience, no morals, no ethics. None at all. They accept everything that is programmed into them and act accordingly. That is how our subconscious mind works as well. It doesn't judge right or wrong. It accepts anything that it is told as long as it doesn't conflict with firm beliefs that have been programmed into it. If you keep telling it that you are stupid, it programs you to be stupid. If you tell it you are violent, it programs you to be violent. It is an idiot servant that does whatever you tell it to do. If you tell it, "my parents were poor, my grandparents were poor, so I am doomed to be poor," it believes you and accepts those instructions and starts doing everything it can to make you stay poor. It's like we are working against ourselves. But there is a solution.
