**The Rich Must do more than  
just make Small Donations to  
the Poor**

*“If God has endowed you with riches, then regard them with pleasure, for the means to good deeds is in your hands.*

*“It is not sufficient for a rich man to give to the poor or to alleviate the distress of the needy. He who, having received abundance from God, doles out a pittance to the poor, does but salve his conscience and is not truly walking with God.*

*“It is the duty of the rich man to cast the weight of his riches in the balances, that goodness may outweigh evil.*

*“It is the duty of the powerful man to range his might alongside the forces of good in the struggle against evil. He shall protect the poor against the exploiter and defend the weak against oppression of tyrants.*

*“It is not so important to give to the poor man as to remove the cause of his poverty. To help the weak is good but of lesser importance than to attack their oppressor.”*

## **Regard Wealth as a Means to Good Deeds**

It is good to regard wealth as a means to do good deeds for others, and not just as motivation to go after more and more money. We can look for examples to some of the wealthy of the past and present. Andrew Carnegie, the American industrialist, used most of his money to build public libraries. He built around 2,500 total, about 1,600 in the United States. Singer and actress Dolly Parton has donated millions of books to poor children. That's how wealthy people should act.

## **Goodness Outweighs Evil**

At the present time, it seems to many that evil far outweighs good, but that is only because we are paying more attention to the evil than we used to. That is a good thing because we can't eliminate evil if we don't recognize that it exists. Of course, wanting to get rid of evil doesn't mean it's going to happen, but we can at least start by avoiding evil in our own behavior. We can also encourage others to do the same. The quote says it is the duty of the powerful person to use his "might" to aid the forces of good. What we are seeing instead is that the rich and powerful are being greedier than ever, wanting more and more for themselves, rather than helping others. But as we are in the End Times, and the Sun of Righteousness now shines down upon us, the evil will be slowly "burned" out of the world, not only in people, but in everything. Those foolish enough to cling to their materialistic ways will die because the changing world will not support such people. Their low rate of vibration won't allow them to function in the higher vibration world that is coming.

## **Remove the Cause**

The quote says that rather than help a few individuals

suffering from poverty, we should seek to remove the cause of their poverty. While some don't seem to realize it, the fact that we have a dozen or so people in the world who are hoarding so much wealth that they have more money than the rest of the world together is the primary cause of poverty. Unfortunately, those very wealthy people pay off politicians to pass laws that are advantageous to them, but take more and more from the average person. We need politicians who put the general population ahead of a few wealthy people. We also need laws that prevent the wealthy from essentially buying politicians to favor them. We need to ensure that the wealthy pay a fair share of taxes.

## **“Hawking’s Bold Theory Confirmed by Loudest-Ever Black Hole Collision”**

Wh

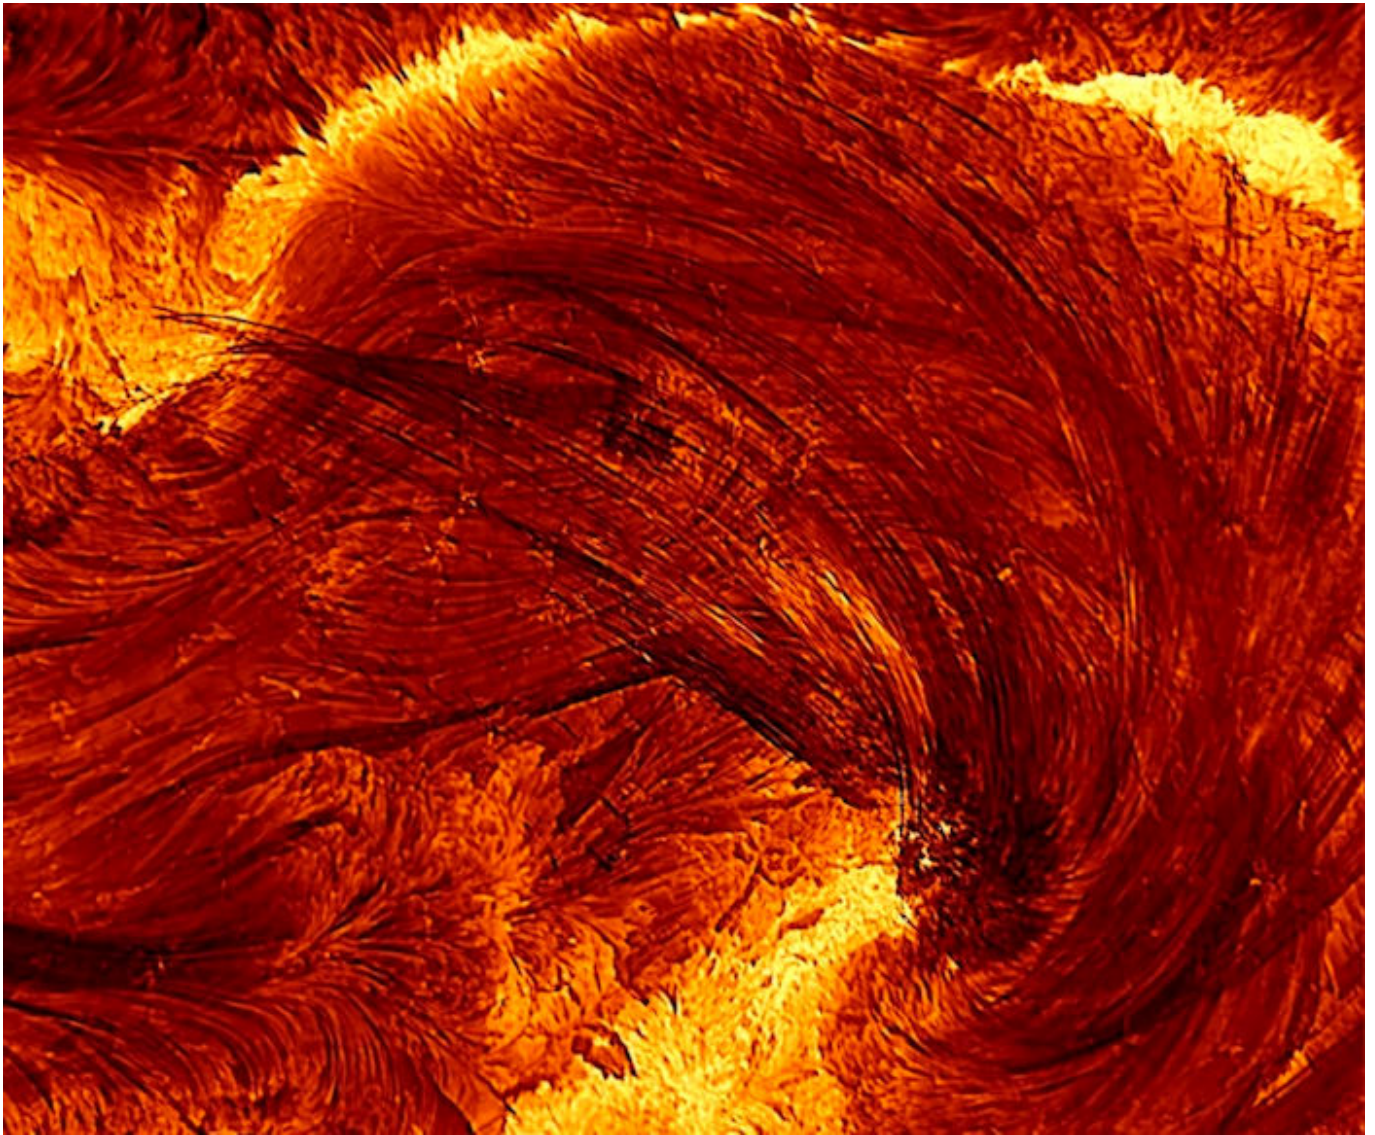

Ten years ago, scientists heard the universe rumble for the first time. That first discovery of gravitational waves proved a key prediction from Albert Einstein's theory of general relativity and began a new era of astronomy.

Now, a new gravitational-wave discovery marks the anniversary of this major breakthrough. Published today in *Physical Review Letters*, it puts to the test a theory from another giant of science, Stephen Hawking.

**“Stunning new solar flare images show unprecedented detail”**

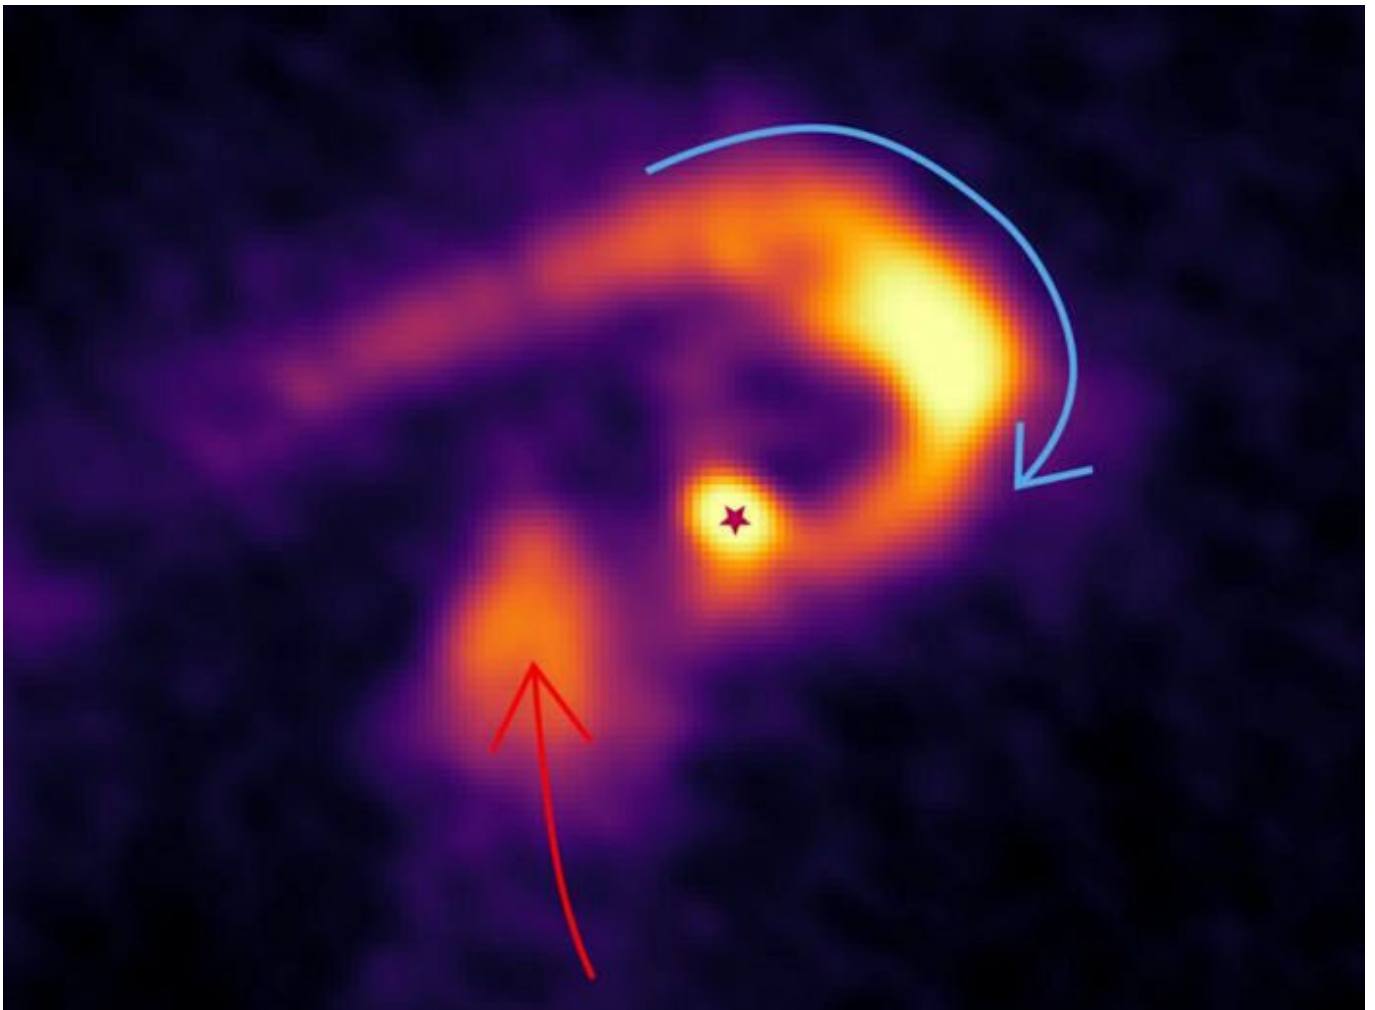

- **Solar flares are intense bursts of radiation and light** on the sun. Coronal loops, which often precede flares, are huge loops of plasma that arch over the sun's surface.
- **The Daniel K. Inouye Solar Telescope has taken new high-resolution images** of a solar flare and coronal loops. They show the smallest loops ever seen, in unprecedented detail.
- **The coronal loops look like thin, dark threads** and might be the fundamental building blocks of solar flares.

# “High-Mass Stars Are Fed By Elongated Streamers Of Gas”

High-mass stars with eight or more solar masses are mysterious. Despite the fact that they're more easily observed than their lower-mass counterparts, astrophysicists have struggled to explain how they become so massive. The problem is that while they accrete material and become more massive, they're also shedding mass.

### The Origins of Cosolargy

#### *Quotes from Gene Savoy, Sr.*

"All spent the day and night in prayer, fasting and mindful of the events predicted by the Angel+. And when the second day of February dawned, the sun burned bright in the heavens. And they did return to the tomb and there awaited the promised event, And at noon, when the tomb cast no shadow, behold a great halo formed around the sun. They stood breathlessly looking in wonder and awe. Then a circle of rainbow colors, like crystal spheres, blue at the center and red at the outer edges, encircled the sun. In the heart of a radiant globe, a white cross+ appeared. And they feared the Last Day was upon them. And they trembled, forgetting the promise of the Angelic Host+ and he messages of the Child+ [Jamil]. For an hour, the heavenly blaze burned in the firmament. And the Man [Gene Savoy] looked upon the sun, and the image of Jamil+ appeared across the sun, radiant beyond words—his countenance bright, and his hair white as snow. And The Child+ was holding the Sun+ in his arms, over his heart. And The Man saw a gate to another world. Again he saw the four Guardian Angels+ around The Child+ and on the right hand side of The Child+ he saw the image of Jesus+ and the Apostles+ witnessing his appearance. And he heard the voice of Jamil+ as music, speaking to the Light+ of his Eternal Soul+, saying 'I am resurrected.' And the disciple knew that The Child+ was redeemed from the earth."

# Attitudes of the Real Man Towards the Poor and Weak

*“Lend your arm to the aged, and open your purse at the cry of the poor. Guard well against the urge to plunder the unprotected and from treating the destitute with harshness.*

*“If you are lacking in compassion, it is well to remember that today, one may be rich and another poor; yet, ere a year has passed, the rich man may be working in a stable, and the poor man may be clothed in fine linen. Such are the balances of life, and it is, therefore, wise to turn a like countenance towards all men.*

*“Help the man in unfortunate circumstances, for anyone can fall into the pit of misfortune. Commit no assault upon him by reason of his weakness, nor turn his predicament to your own advantage. Fill his stomach with bread and drink. Provide*

*a place for him to lay his head. Let your countenance be cheerful towards him, and let words of encouragement fall from your lips."*

*-The Kolbrin Bible (MPR:8:1-3)*

## **The Real Person vs the Weak Person**

The "Real person," which is to say, the spiritually strong person, shows kindness, mercy, concern, and love for all. While they think they are showing strength, the person who belittles the less fortunate among us is actually showing weakness.

## **Lend Your Arm and Open Your purse**

As we get old, we all start to have health problems. It varies depending on a number of factors, including heredity, what we eat, and how well we care for ourselves. The weak person uses these as reasons to treat such people poorly; the strong person does not.

Some people are poor, homeless, and dressed in shabby clothes. That is not a reason to look down on them. As the quote says, the one who is rich today may be working in a stable tomorrow. More importantly, the spiritual person knows that real wealth comes from spiritual development, not money and material possessions.

## **Let Your Countenance be Cheerful**

We should make every effort to be cheerful at all times. This is a benefit to ourselves as well as to others. When we show a happy face to others, they are likely to do the same. If we show an angry, or unfriendly face, that increases the chance that the other person will do the same. An important part of being spiritual is developing humility. It is usually not something we really have to work at. It simply happens as we grow. So let the Sunshine in, and let your sunshine out to

others.

*Sorry for the brief article, but I've just returned home from a three-day hospital stay and haven't had much time to work on it.*
