

November 25, 2017: Chapel Readings

Reverend Canon Robert Petrovich

Each week of the liturgical year, a reading from Second Advent Scripture is delivered as part of the Saturday Communion of Fellowship Service held in the Chapel of the Holy Child. This reading follows the Sacred Calendar of the Church; that is, Prophecies and Revelations that have been received by The Church on sacred dates are recalled in a liturgical context during the appropriate season each year. This reading is delivered just before the final blessings. Each service also includes a reading from the ancient scriptures, prayers, or wisdom sayings of various world religions past and present and is usually thematically related to the Second Advent Reading. This reading is delivered by the Reader right after the announcements that begin the service and is thus the first reading of the service. An audio recording of the reading from

Second Advent Scripture delivered on the date above is provided here below together with a transcript of the first reading of the service that day.

SECOND ADVENT PROPHECY AND REVELATION

A Reading from the Second Prophecy to the Americas, Chapter 32: "On the Error of the Old Churches" (pp. 219-222).

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the First Letter of John:

This is what we proclaim to you: what was from the beginning, what we have heard, what we have seen with our eyes, what we have looked at and our hands have touched (concerning the word of life—and the life was revealed, and we have seen and testify and announce to you the eternal life that was with the Father and was revealed to us). What we have seen and heard we announce to you, too, so that you may have fellowship with us (and indeed our fellowship is with the Father and with his Christ). Now this is the good-news message we have heard from him and announce to you: God is light, and in him there is no darkness at all. If we say we have fellowship with him and yet keep on walking in the darkness, we are lying and not practicing the truth. But if we walk in the light as he himself is in the light, we have fellowship with one another.

Now by this we know that we have come to know God: if we keep his commandments. Whoever obeys his word, truly in this

person the love of God has been perfected. I am writing a new commandment to you which is true in him and in you, because the darkness is passing away and the true light is already shining. The one who says he is in the light but yet hates his fellow in the community is still in the darkness. The one who loves his fellow resides in the light. Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him, because all that is in the world (the desire of the flesh and the desire of the eyes and the arrogance produced by material possessions) is not from the Father, but is from the world. And the world is passing away with all its desires, but the person who does the will of God remains forever.

“Material Mind, Spiritual Mind, and the Soul”

“The mind of the body thinks that its physical senses of seeing, hearing and feeling constitute all the senses you possess. The higher mind or mind of the spirit knows that it possesses other senses akin to those of physical sights and hearing, but more powerful and far reaching. The mind of the body has been variously termed ‘the material mind,’ the ‘mortal mind’ and the ‘carnal mind’. All thee refer to the same mind, or in other words to that part of your real self which has been educated in error by the body.

“If you had been born and bred entirely among people who believed that the earth was a flat surface ..., you would in the earlier years of your physical growth believe as they did. Exactly in the same fashion do you ... absorb the thought and belief of those nearest you. ... This makes your material

mind.” ~Prentice Mulford

Mind Your Material Mind

When we have problems to solve, most of us trust our minds to come up with a solution. Either we use the accumulated “knowledge” already in that mind, or do some additional research to find the solutions. But even when we look elsewhere, our minds will only accept as possible solutions that which agrees with the beliefs and knowledge already in it. And it isn’t only when doing research.

Everything we come in contact with everyday gets into our minds only after going through a filtering process that removes everything the mind considers false or not significant enough to be concerned about. Rarely do any of us stop to think; “What if my filters are wrong? Could they be eliminating true and useful information, and keeping ‘facts’ that support false beliefs?”

WEEKLY MESSAGE: November 21, 2017

COSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

November 21, 2017

In reading the Second Prophecy to the Americas this week, I was drawn to the concept of men and women of Light existing in two worlds – one of flesh, which is transitory, and the other of Light, which is eternal. It is by our great Teaching that people may learn how to sit at the banquet table of God and eat the nourishment thereof, which is Divine Light. This Light gives life to our bodies of Light which, in essence, means that we are eating God's Body.

By so eating, death is overcome and there is great rejoicing at the Table of the Lord. And we co-exist in two worlds simultaneously and are of two forms. One form will ultimately perish but the other lives eternally with God. We must

remember that “those who eat only of matter and flesh are as a wind that passeth away and cometh not again.” But those who partake of God’s Light shall live “for it is written that the Bread of God is Light come down from Heaven giving life unto the world.”

Therefore, we, men and women of Light, overcome the limitations of the material world and of the flesh through the Light given of God. And this was the secret teaching known to all the Holy Orders of times past but which was ignored by the world. This secret knowledge is now repossessed in our times. And because of this great Light, we shall live anew in the Image of God, as was intended from the beginning of Creation.

This Image of God is Light which speaks Divine Reason to our spiritual Consciousness. Once awakened, our spiritual Consciousness communes with God above the level of our lower awareness. It is by this communion that we come to know and understand God. In Spirit, we walk together with God and this is what He intended from the beginning.

For this reason, He has sent the Sun of Righteousness as a redeeming Light and through it opened the door to Heaven so that we may know of the life beyond. This Sun rains down spiritual Food – the Food of the Angels – in which is the hidden Manna spoken of by the prophets of old.

If this is not something to truly give thanks for, I don’t know what is. As we celebrate and observe Thanksgiving this week with family and friends, let us also give thanks for the abundant spiritual blessings that the Sun of Righteousness bestows upon us and for the promise of the Second Coming which has been fulfilled in our time. May God bless you and your family this Thanksgiving and always.

Once again, please feel free to ask me any questions by calling 775-786-7432 or emailing me at messages@cosolargy.org. I am always at your service.

SECOND ADVENT PROPHECY AND REVELATION

A Reading from the Second Prophecy to the Americas, Chapter 31: "On Men of Two Worlds" (pp. 215-218).

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the Poimandres of Hermes Trismegistus:

Holy art Thou, O God, the universals' Father.

Holy art Thou, O God, whose Will perfects itself by means of its own Powers.

Holy art Thou, O God, who willeth to be known and art known by Thine own.

Holy art Thou, who didst by Thy Logos make to consist the things that are.

Holy art Thou, of whom All-nature hath been made an image.

Holy art Thou, whose Form Nature hath never made.

Holy art Thou, more powerful than all power.

Holy art Thou, transcending all pre-eminence.

Holy Thou art, Thou better than all praise.

Accept my reason's offerings pure, from soul and heart forever stretched up to Thee, O Thou unutterable, unspeakable, Whose Name naught but the Silence can express. Give ear to me who pray that I may never of Gnosis fail,

[Gnosis] which is our common being's nature; and fill me with Thy Power, and with this Grace [of Thine], that I may give the Light to those in ignorance of the Race, my Brethren, and Thy Sons.

For this cause I believe, and I bear witness; I go to Life and Light. Blessed art Thou, O Father. Thy Man would holy be as Thou art holy, even as Thou gave him Thy full authority [to be].

“Universal Life in a Living Universe”

“Esoteric philosophy teaches that everything lives and is

conscious, but not that all life and consciousness are similar to those of human or even animal beings. Life we look upon as 'the one form of existence,' manifesting in what we call matter; or, as in man, what incorrectly is separating them, we call Spirit, Soul and Matter. Matter is the vehicle for the manifestation of soul on this plane of existence, and soul is the vehicle of a higher plane for the manifestation of spirit. ... The idea of universal life is one of those ancient conception which are returning to the human mind. ... The idea of 'crystalline life,' now familiar to science, would have been scouted half a century ago. ... It hardly seems possible that science can disguise ... the fact that things that have life are living things, whether they be atoms or planets." ~H. P. Blavatsky

Universal Life

The idea of universal life has two levels to it. In one sense, it means that the life force is a universal one, there fore life in some form exists everywhere in the universe. The other one is that all things on Earth are alive, including the planet itself. This is the part that Blavatsky is emphasizing, but both parts of it deserve attention.

Gary Buchanan Speaks on Archetypal Images of Sound & Light

Archetypal Imagery:

An archetype can be defined as a communication, pattern or behavior, or prototype (model) which may be emulated – that is, an active form or function that is replicated, imitated, mirrored, or that engenders similar patterns of form and/or function. Such replications are said to be “canonic” in that they occur with mathematical regularity and often in “chains.”

The 2017 international Sound Healing Forum was hosted by Cosolargy International in Reno, Nevada, September 8-10. The main presenters included Dr. Karl Maret, Bruce Kanzelmeyer, Master Yukinori Matsushita, and Dr. Gary Robert Buchanan.

Dr. Buchanan, Director of Wave Front BIOresonance Research & Development at Steamboat Healing Center, presented this lecture on “Cymatics, Sonotherapy, and Cosolargy: Archetypal

Images of Sound & Light.” The presentation was a reprise of the same talk given to the International Light Association at the Annual Conference in Fort Lauderdale, during May, 2017.

WEEKLY MESSAGE: November 14, 2017

HEAD OVERSEER'S WEEKLY MESSAGE

November 14, 2017

My third message in conjunction with the previous two is that God is bestowing upon the whole of mankind the energy and force given to the former prophets, such as Jesus, the Buddha, Zoroaster, Moses, Krishna, Lao Tzu, Viracocha, and other Holy Ones. This power, energy and force comes through the Sun of Righteousness, from the safety and sanctuary of Heaven, that no one can bend to his or her own will.

This energy and force, which streams down from the Godhead through the source of all life on the planet, can transform men and women by extending wisdom, strength of being, and a new body of Light. It links us to a higher world wherein dwells the spirits of all the former Holy Ones. Those who

receive this energy in unity are one with Christ, with the Prophets, and with the Sun of Righteousness which is the Body of God manifest in the world.

Never before in the history of Man has such Consciousness as this been extended. It is altering the conditions of the world in both strange and wondrous ways acting upon ruler and the ruled alike. In due time, all secular institutions, nations and governments will be influenced by it.

The ancient Holy Ones of times past acknowledged this coming Age of Light when a New Religion of Light would come into the world. This New Religion would not be born of any violence of any kind but of peace, love, intelligence, understanding, and brotherhood. The authority of this New Religion comes from God, the Messianic Sun, and the Messenger who founded the earthly Order of men and women dedicated to the dissemination of the Sacred Teachings of the Religion of Light. And it is with the consent of all the former Prophets of God that this New Religion is established. The new is part of the old – the two being the whole.

This New Religion is overseen by men and women forming a New Ministry, inspired and devoted to a higher understanding of existence. Therefore, we, as evolved people, cannot bind ourselves to the old laws and teachings of former generations of men and women who did not have the advantage of our Sun of Righteousness. For this reason, our New Religion is free and independent of ancient traditions that are no longer valid in a drastically changing world.

The New Religion is representative of New Laws, New Ordinances and New Scriptures instituted of God and by the Worlds of Light which are in harmony with cosmic energies and forces emanating through the Sun of Righteousness which even now radiates a new order of things in the world and throughout the whole Universe. Therefore, it is good that Holy Men and Holy Women of today, coming out of the old world religions, unify

themselves into this New World Religion of Light.

Jamil, the Messenger, came to announce this New Religion for the world. Its birth and origin is in the Sun of Righteousness come to regenerate all of mankind through its benevolent rays as a fulfillment to all the former religions and teachers. Those who receive these rays as a nourishment shall be and are unified with God in a way never before possible.

As Jamil gave his energy and force to renew The Man, and the Apostles were renewed by the energy and force of Jesus, The Community is renewed by the energy and force of the Sun of Righteousness and by all the Holy Ones sending forth their energy and force to mankind for the establishment of a new and higher religion for the entire world.

Once again, please feel free to ask me any questions by calling 775-786-7432 or emailing me at messages@cosolargy.org. I am always at your service.
