THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

Independence Day

Today, those of us in the United States celebrate the 241st anniversary of the founding of our nation in America. There can be no doubt that the United States has played a major role in the modern world with regards to religious freedom. For this, all members of The Community can be grateful that we are allowed free expression not only in this country, but also in other parts of the world that have been influenced by the thoughts and ideals of our Founding Fathers and other thinkers of the Age of Enlightenment.

Unfortunately, we know this has not been the case throughout much of history, both East and West. Jesus had preached on the Divine Process of the procreation and birth of the Soul. He proclaimed that the Process was not a matter of written law or scripture but rather a Holy Act regulated by Divine Law. He had preached the True Word of the True God (who was not the god of this world) and declared that the reborn must put aside the ways of the world. Unfortunately, we know that message was rejected.

We can only surmise what could or would have been if Jesus and his disciples had the freedom of religion we enjoy today. Perhaps the Sacred Way, hidden from the world because of its shallowness, would have flourished, or at least been allowed to thrive in some way. Perhaps those who took up the Sacred Way, those who exposed themselves to the creative and generative forces of the Universe – as we do – would have been able survive. The world, for sure, would have been changed in due time. Our history would be significantly different.

Instead, however, the secular powers at hand – both secular and religious – who were deficient in the knowledge of the True God and the True Way, but dominated the life of the culture and nation, considered the True Teaching to be heretical and up for punishment and eventual expulsion. To them, the Teaching was abstract, impractical and without value in the “real” world. It had happened before. The Sacred Doctrines of God’s Image and Word as a living, creative force

regulated by spiritually cosmic energies regulated by Heaven was lost.

Jesus – Messias, Teacher and Interpreter of the Law – was elevated to the Godhead. He was worshiped and adored as were the Greco-Roman gods. By so doing, the churches became apostate. Knowledge of the True Way he revealed was ultimately misunderstood, aberrated, and adulterated. He knew the fate of The Teaching at that time and prophesied another time when all would be made right – a time of eventual Consolation of Souls and of the world.

Although Consciousness in the world– the Holy Spirit – had departed, it would return at some future time by a miraculous event prophesied by Isaiah, Malachi and other prophets before him to come in the End Times. It had all been foretold. It was the coming and manifestation of the Sun of Righteousness. The Covenant would be restored in a form never before known to the ancients. It would not only be restored, it would be amended and supplemented at the Second Coming for the True Bread and Living Waters of Life would not only be symbolically served, it would indeed be served by God Himself from the Banquet Table of the Sun which he has infused with His Divine Presence!

We represent a new generation of man that has spiritually evolved over many, many centuries. We absorb the rays of the Sun in a way even the ancients were not prepared to do. That is because the Sun is transformed. It is changed. It is different. It has been altered for this time. And this time has been anticipated for hundreds of generations before us. Consciousness has been renewed in the language of Spirit and incarnates in reborn Souls. God's Light is shining forth in greater magnitude than ever before.

[Watch the video online at Thunderbolts.com \(38 minutes\)](http://Thunderbolts.com)

Michael Armstrong will review the broad spectrum of human and cultural effects that followed from solar system instability and episodic catastrophe. These effects include earth's environment and ecology, physical changes in human biology, striking shifts in collective, cultural orientation, and a profound impact on human thought and behavior.

The two most prominent themes in Electric Universe research are the growing knowledge of the role played by the electric force in nature, from microcosm to macrocosm and the global impact of ancient planetary catastrophe on humankind, affecting every culture on earth. In this presentation, Michael Armstrong will review the broad spectrum of human and cultural effects that followed from solar system instability and episodic catastrophe. These effects include earth's environment and ecology, physical changes in human biology, striking shifts in collective, cultural orientation, and a profound impact on human thought and behavior.

Michael Armstrong is an original member of the thunderbolts.info editorial staff and has a formal science background in chemistry. He has studied the catastrophism reconstruction model for over 40 years and has lectured on catastrophism material at an international conference sponsored by the province of Milano, Italy and hosted by the University of Milano/Bergamo. Michael is the producer of various related video material and publisher of the books *Thunderbolts of the Gods*, *The Electric Sky*, and *The Electric Universe*.

“Pythagorean Y and the Road Less Traveled”

“The famous Pythagorean Y signified the power of choice and was used in the Mysteries as emblematic of the Forking of the Ways. The central step separated into two parts, one branching to the right and the other to the left. The branch to the right was called Divine Wisdom and the one to the left Earthly Wisdom. ...The neophyte must then choose whether he will take the left-handed path and, following the dictates of his lower nature, enter upon a span of folly and thoughtlessness ... or whether he will take the right-handed

road and ... regain union with the immortals in the superior spheres.

"It is probably that Pythagoras obtained his concept of the Y from the Egyptians, who included [it] in certain of their initiatory rituals." ~Manly P. Hall

Pythagorean Y

"I don't think the Pythagorean Y is as famous today as Mr. Hall indicates, but the idea of the forking of the ways certainly is. Many, however, think of this decision symbol as representing something much simpler like deciding which profession to go into or who to marry. While we make many decision in our lives, only one is the Y. That one decision is whether we want to follow the path of materialism or the path of spirituality. All other decisions are secondary. And I have no doubt that poet Robert Frost was really talking about this in his "[The Road Not Taken](#)" where the wise traveler eventually chose the "one less traveled". The path less traveled is the spiritual path."

July 1, 2017: Chapel Readings

Each week of the liturgical year, a reading from Second Advent Scripture is delivered as part of the Saturday Communion of Fellowship Service held in the Chapel of the Holy Child. This reading follows the Sacred Calendar of the Church; that is, Prophecies and Revelations that have been received by The Church on sacred dates are recalled in a liturgical context during the appropriate season each year. This reading is delivered by the Officiant of the Communion Service (that is, Bishop Gene Savoy, or occasionally in his stead, Bishop Sean Savoy) just before the final blessings. Each service also includes a reading from the ancient scriptures, prayers, or wisdom sayings of various world religions past and present and is usually thematically related to the Second Advent Reading. This reading is delivered by the Reader right after the announcements that begin the service and is thus the first reading of the service. An audio recording of the reading from Second Advent Scripture delivered on the date above is provided here below together with a transcript of the first reading of the service that day.

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the Gospel of Thomas (38, 40, 50, 51, 56):

(38) Jesus said, Often you wanted to hear these sayings I am telling you, and you have no one else from whom to hear them. There will be days when you will seek me and you will not find me.

(39)...the Pharisees and the scholars have taken the keys of knowledge and have hidden them. They have not entered, nor have they allowed those who want to enter to go inside. You should be shrewd as snakes and innocent as doves.

(40) A grapevine has been planted far from the father...

(41)...Whoever has something in hand will be given more and whoever has nothing will be deprived...

(42) Come into being as you pass away.

(46) ...whoever among you becomes a child will know the kingdom...

(49)...Blessings on you who are alone and chosen, for you will find the kingdom. You have come from it and will return there again.

(50) If they say to you, "Where have you come from?" say to them, "We have come from the light, from the place where the light came into being by itself, established itself, and appeared in their image." If they say to you, "Is it you?" say, "We are its children and the chosen of the living father." If they ask you, "What is the evidence of your

father in you?" say to them, "It is motion and rest."

*(51) His students said to him, When will...the new world come?
(And) he said to them, What you look for has come but you do not know it.*

(54) Blessings on you the poor, for yours is the kingdom of heaven.

(56) Whoever has come to know the world has discovered a carcass....

(57) The father's kingdom is like someone with good seed....

(58) Blessings upon the person who has labored and found life.

(59) Look to the living one as long as you live or you (will) die...and you will not be able to see.

“Soul's Light and God's Presence”

“God is present in all, even in those who do not recognize Him; but men flee from God, they step out of Him, or, to speak more correctly, out of themselves. They cannot grasp Him before whom they are thus fleeing, and, having lost themselves, they hunt after other gods. But if the soul progresses on the road to perfection, begins to realize her own higher state of existence, to know that the fountain of

life is within herself. ... She will see herself even as the pure Divine Light itself, as a God, radiant in Beauty, but becoming dark again as her light is rendered heavy if it approaches the shadows of the material plane.” ~Franz Hartmann

God Within and Without

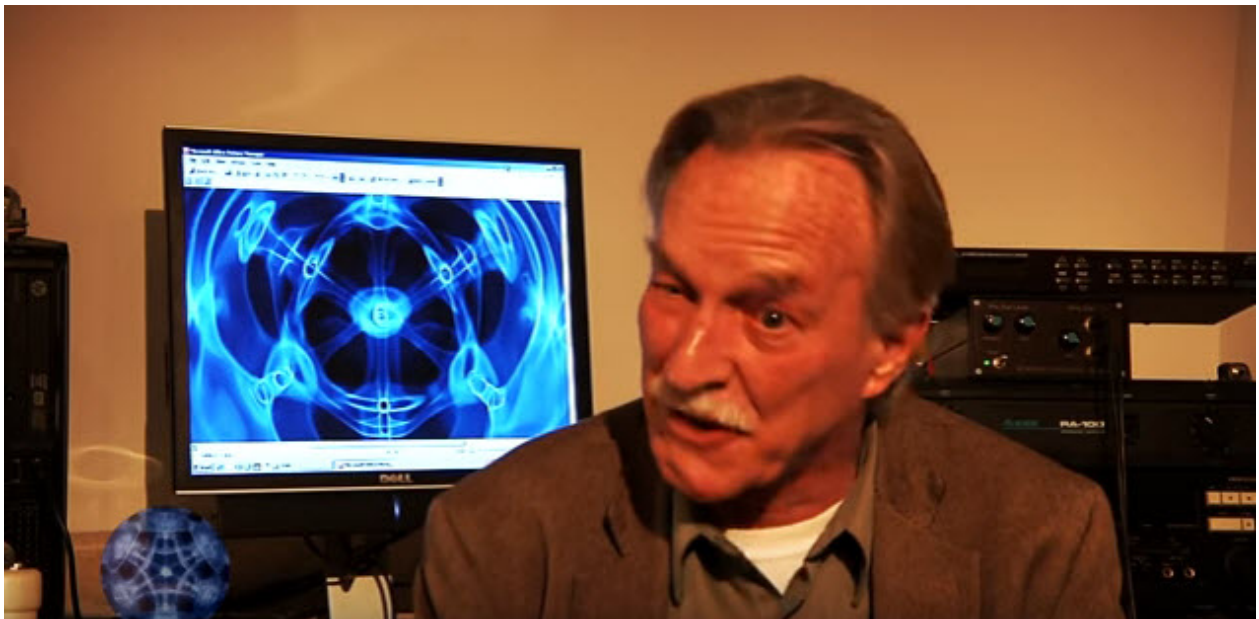

“Yes we truly can find God within. We can also find Him without. If God is everywhere, He is within and without and we need to look in both areas to find Him and know Him.

“Many men (and women) do flee from God, then complain they can’t find Him. Mr. Hartmann says this is really fleeing from ourselves. What he means is that we are fleeing from our true selves, our spirits and souls, so as to justify excessive involvement in the world of matter. But hiding under the bed doesn’t make the monster go away and hiding in materialism won’t make the spiritual realms go away.”

Gary Buchanan “Alone with His Thoughts” on Cymatics

Gary Buchanan “Alone with My Thoughts” interview

Gary Buchanan is featured in “Cymatics with Gary Robert Buchanan,” episode 21 of a series of film interviews on Healing with Frequency and Sound made by Adam Abraham. This is a 50-minute film interview recorded earlier this year at Steamboat Healing Center.

In the film, Gary discusses the principles of vibration, light, and sound that underlie Sonatherapy, and some of the dramatic improvements he has seen or facilitated. The film also contains some nice drone footage of Steamboat and even some of Red Rock Consecrated Sanctuary.

In the film Adam Abraham of the International Light Association visits the Steamboat Healing Center and Spa, in Reno, Nevada, and talks with Gary Robert Buchanan, DMA, Director of Research.

"The center is one of the few places in the world that offers Sonotherapy, a non-invasive approach that utilizes sound, color, light, water and subtle energies," say Adam. "Biological vibrations that have been meticulously captured in analog form and scientifically proven beneficial to the body and its energetic fields help restore discordant and disrupted information patterns."

The video has just been released in conjunction with the online magazine Science to Sage. which will be running two upcoming issues on Gary Buchanan's presentation to the International Light Association in Fort Lauderdale on May 3, 2017. While Gary's presentations will be the lead stories, the two-part series will be on Sonotherapy and the underlying archetypal science as well as a full layout on sun-gazing, ancient religions, and the International Community of Christ, Red Rock Consecrated Sanctuary, and all of us "sun-gazers." And there will be LOTS of photos.

[Watch the interview with Gary Buchanan published Jun 27, 2017 on You Tube \(49:45\).](#)

The Community Communique will provide links to the magazine articles as soon as they are available.

CÔSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

Monday, June 26, 2017

My theme for today is about the priority of dedication to The System, The Teachings, and The Community. The three form a kind of trinity that work together in unison towards a common goal. Together, the three – The System, The Teaching, and The Community – become One. Without The Teaching, Cosolargy is only an individual act; and without The Community, The Teaching has little meaning and cannot be put into full practice or understanding.

But, in order for all these components to be put into their full potential, you must give your consent. We know that our being on the physical level is altered by all of the body's systems at work when one absorbs solar light/energy. These alterations have an effect on our thinking process, for with that incoming light our minds are illuminated with thoughts and images that come from outside the physical realm. Slowly, we are made new. We are renewed, regenerated and restored.

Remember, the brain cannot process all the information that is streaming into it. Therefore, the mind has to be trained and educated by the psyche and by the centers of force. Again, consent must be given for this to take place; that is, the nurturing by Consciousness. Once Consciousness is awakened, that Consciousness splits into either Logos or Kalos. The disciplines of The Community help to suppress the Kalos nature from taking hold. It is only when individuals become negative, arrogant and superior in thinking that Kalos overcomes the Logos.

Therefore, the disciplines of The Community teach one how to stay on the Path of Light. Once the process is started, i.e., by means of The System, it is advisable to go on to fuller understanding of The Teaching. This becomes possible in Community, as has always been the case from ancient times. It is no different in the present. Communities and schools of high solar religion and teaching have always been in existence. They are Societies of Light.

Divine Science and High Religion are the controlling factors of healing the Spirit and giving birth to the Soul. It is an art. It is a discipline. We understand there are disciplines in practicing medicine. We understand there are disciplines in practicing law. We should also understand there are disciplines in the therapeutics of bringing about the Light Body.

Therefore, we in the System of Light – we who follow the Path of Light, we who uphold the Community of Light – seek the highest of goals which can be absorbed by the human mind which is the immortality of Spirit and communion with the Godhead. We seek permanent healing which is escape from the cycle of generated existence; that is life everlasting in the Worlds of Light.

This must take place now, not tomorrow. Respect yourself now, today. By respecting yourself, you can truly respect others –

now, not tomorrow. Remove or distance yourself from people who take away your nobility. By doing so, you will nurture and feed the magnificence of yourself, as well as the magnificence of this Community, this society, of Light.

Once again, please feel free to ask me any questions by calling 775-786-7432 or emailing me at messages@cosolargy.org. I am always at your service.

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the Gospel of Thomas 15-37:

(15) When you see one born not of woman, fall on your faces and worship. That is your father. (18) Where the beginning is, the end will be. Blessings on you who stand at the beginning. You will know the end and not taste death. (19) Blessings on you who came into being before coming into being. If...you hear my sayings, these stones will serve you.

(20) [Heaven] is like a mustard seed, the tiniest of seeds, but when it falls on prepared soil, it produces a great plant and becomes a shelter for the birds of heaven.

(21) ...if the owner of a house knows that a thief is coming, he will be on guard before the thief arrives and will not let the thief break into the house of his estate and steal his possessions. As for you, be on guard against the world. Arm yourselves with great strength, or the robbers will find a way to reach you, for the trouble you expect will come.

(22) ...[Jesus] said to his students, These nursing babies are like those who enter the kingdom. They said to him, Then shall we enter the kingdom as babies? [He] said to them, When you make the two one, and when you make the inner like the outer and the outer like the inner and the upper like the lower, and when you make male and female into a single one, so that the male will not be male nor the female be female, when you make eyes in place of an eye, a hand in place of a hand, a foot in place of a foot, an image in place of an image, then you will enter the kingdom.

(23) Jesus said, I shall choose you as one from a thousand and as two from ten thousand and they will stand as a single one. (24) Whoever has ears should hear. There is light within a person of light and it shines on the whole world. If it does not shine it is dark. (25) Jesus said, Love your brother like your soul. Protect that person like the pupil of your eye. (27) If you do not fast from the world, you will not find the kingdom...you will not see the father.

(28) I took my stand in the midst of the world, and I appeared to them in flesh. I found them all drunk yet none of them thirsty. My soul ached for the human children because they are blind in their hearts and do not see. They came into the world empty and seek to depart from the world empty. (37) When you strip naked without being ashamed and take your clothes off and put them under your feet like small children

and trample them, then you will see the child of the living one and you will not be afraid.
