September 24, 2016: Chapel Readings

Each week of the liturgical year, a reading from Second Advent Scripture is delivered as part of the Saturday Communion of Fellowship Service held in the Chapel of the Holy Child. This reading follows the Sacred Calendar of the Church; that is, Prophecies and Revelations that have been received by The Church on sacred dates are recalled in a liturgical context during the appropriate season each year. This reading is delivered by the Officiant of the Communion Service (that is, Bishop Gene Savoy, or occasionally in his stead, Bishop Sean Savoy) just before the final blessings. Each service also includes a reading from the ancient scriptures, prayers, or wisdom sayings of various world religions past and present and is usually thematically related to the Second Advent Reading. This reading is delivered by the Reader right after the announcements that begin the service and is thus the first

reading of the service. An audio recording of the reading from Second Advent Scripture delivered on the date above is provided here below together with a transcript of the first reading of the service that day.

SECOND ADVENT PROPHECY AND REVELATION

A Reading from the Prophecy to the Races of Man, Chapter 65: "The Mystery of Illumination" (pp. 416-423).

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the Gospel According to John 3:

There was a man of the Pharisees named Nicodemus, a member of the Jewish ruling council.

He came to Jesus at night and said, "Rabbi, we know you are a teacher who has come from God. For no one could perform the miraculous signs you are doing if God were not with him." In reply Jesus declared, "I tell you the truth, no one can see the kingdom of God unless he is born again."

"How can a man be born when he is old?" Nicodemus asked. "Surely he cannot enter a second time into his mother's womb to be born!"

Jesus answered, "I tell you the truth, no one can enter the kingdom of God unless he is born of water and the Spirit.

Flesh gives birth to flesh, but the Spirit gives birth to spirit.

You should not be surprised at my saying, 'You must be born again.'

The wind blows wherever it pleases. You hear its sound, but you cannot tell where it comes from or where it is going. So it is with everyone born of the Spirit."

"How can this be?" Nicodemus asked.

"You are a teacher in Israel," said Jesus, "and do you not understand these things?

I tell you the truth, we speak of what we know, and we testify to what we have seen, but still your people do not accept our testimony.

I have spoken to you of earthly things and you do not believe; how then will you believe if I speak of heavenly things?

This is the verdict: Light has come into the world, but people loved darkness instead of light because their deeds were evil. Everyone who does evil hates the light, and will not come into the light for fear that his deeds will be exposed. But whoever lives by the truth comes into the light, so that it may be seen plainly that what he has done has been done through God."

“Thoughts and Feelings are Things and Can Effect Us”

“The student must work his way upward to the realization that his thoughts and feelings are as important for the world as his actions. It must be realized that it is equally injurious to hate a fellow being as to strike him. The realization will then follow that by perfecting ourselves we accomplish something not only for ourselves, but for the whole world. The world derives equal benefit from our untainted feelings and thoughts as from our good demeanor ... We must admit that our every feeling produces an effect, just as does every action of our hand.” ~Rudolf Steiner

Thoughts and Feelings are Things

“If we are to be successful as a spiritual student, we must get away from the idea that thoughts and feeling are insubstantial things and can’t hurt anyone, because it is a false belief. I think most of us are smart enough to know that our spouses or mothers would rather be slapped than told they are fat, ugly, and you hate them. But it isn’t even necessary to voice negative thoughts and feelings for them to do harm.”

SECOND ADVENT PROPHECY AND REVELATION

A Reading from the Prophecy to the Races of Man, Chapter 61:"A Prophecy to the Races of Man" (pp. 388-394)

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from the Gospel According to John 14:1-31:

[1] Let not your heart be troubled: ye believe in God, believe also in me.

[2] In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you.

[3] And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also.

[4] And whither I go ye know, and the way ye know.

[5] Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way?

[6] Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me.

[7] If ye had known me, ye should have known my Father also: and from henceforth ye know him, and have seen him.

[8] Philip saith unto him, Lord, shew us the Father, and it sufficeth us.

[9] Jesus saith unto him, Have I been so long time with you, and yet hast thou not known me, Philip? he that hath seen me hath seen the Father; and how sayest thou then, Shew us the Father?

[10] Believest thou not that I am in the Father, and the Father in me? the words that I speak unto you I speak not of myself: but the Father that dwelleth in me, he doeth the works.

[11] Believe me that I am in the Father, and the Father in me: or else believe me for the very works' sake.

[12] Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.

[13] And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son.

[14] If ye shall ask any thing in my name, I will do it.

[15] If ye love me, keep my commandments.

[16] And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever;

[17] Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you.

[18] I will not leave you comfortless: I will come to you.

[19] Yet a little while, and the world seeth me no more; but ye see me: because I live, ye shall live also.

[20] At that day ye shall know that I am in my Father, and ye in me, and I in you.

[21] He that hath my commandments, and keepeth them, he it is that loveth me: and he that loveth me shall be loved of my Father, and I will love him, and will manifest myself to him.

[22] Judas saith unto him, not Iscariot, Lord, how is it that thou wilt manifest thyself unto us, and not unto the world?

[23] Jesus answered and said unto him, If a man love me, he will keep my words: and my Father will love him, and we will come unto him, and make our abode with him.

[24] He that loveth me not keepeth not my sayings: and the word which ye hear is not mine, but the Father's which sent me.

[25] These things have I spoken unto you, being yet present with you.

[26] But the Comforter, which is the Holy Spirit, whom the Father will send in my name, he shall teach you all things, and bring all things to your remembrance, whatsoever I have said unto you.

[27] Peace I leave with you, my peace I give unto you: not as the world giveth, give I unto you. Let not your heart be troubled, neither let it be afraid.

[28] Ye have heard how I said unto you, I go away, and come

again unto you. If ye loved me, ye would rejoice, because I said, I go unto the Father: for my Father is greater than I.

[29] And now I have told you before it come to pass, that, when it is come to pass, ye might believe.

[30] Hereafter I will not talk much with you: for the prince of this world cometh, and hath nothing in me.

[31] But that the world may know that I love the Father; and as the Father gave me commandment, even so I do. Arise, let us go hence.

“Solar Beings, Solar Life”

“Some secret orders have taught that the sun was inhabited by a race of creatures with bodies composed of a radiant, spiritual ether not unlike in its constituency to the actual glowing ball of the sun itself. The solar heat had no harmful

effect upon them, because their organisms were sufficiently refined and sensitized to harmonize with the sun's tremendous vibratory rate. These creatures resembled miniature suns, being a little larger than a dinner plate in size, although some of the more powerful are considerably larger. Their color is the golden white light of the sun, and from them emanate four streamers of Vril." ~Manly P. Hall

Solar Beings

It is curious that Mr. Hall seems to always refer to this solar beings in past tense, as if they have all died or all belief in such beings has disappeared. Neither is true. Solar Beings have not died off and there are those who believe in them in various forms. Yet, what Mr. Hall says about them is probably not true.

**“”NASA photonic propulsion:
Mars travel in 3 days could
become a reality”**

NASA's photonic propulsion will make it possible to travel to Mars in three days. Instead of six months, NASA researchers are crafting a new laser technology known as photonic

propulsion, which will propel a giant sail to Mars in as little as three days.

“NASA’s photonic propulsion could permit Mars travel in three days instead of six months. Researchers working for NASA are pleased to announce that after landing on the moon, they now have their sight on Mars, and they might have invented a new technology that could make it possible to accomplish this goal.

“A group of physicists in California have created what is called photonic propulsion, which is a laser technology harnessing the power of light. According to the experts, photonic propulsion is a technique that uses light from lasers to produce “thrust to drive spacecraft” and will, therefore, make it possible to get to Mars at much faster speeds.”

**Here comes “Here Comes the
Sun”!**

Cover of the new book
“Here Comes the Sun” by
Academy Consociate Paul
Vernon

Academy Consociate Paul Vernon has just completed his second full-length book *Here Comes the Sun*. The book is available for sale in ebook and kindle format on the Smashwords web site, where you can read more about the new book and read a 6000-word sample for free.

[Visit the *Here Comes the Sun* page at Smashwords.com to buy a copy or read a sample.](http://Smashwords.com)

Here is how he introduces his new 40,000-word volume:

“It is time to see the Sun in a new light and elicit its secrets. Today there is resurgence in the practice of Sun-gazing, along with the therapeutic use of Sunlight and colour.

While the Sun's benefits in providing vitamin D and aiding in the healing of depression have been known for some time, there are new revelations in 2016 that it prevents myopia and slows its advance. It is less well known that human biology reacts in a very direct way to the rotations of our star. A number of prominent doctors have come out to publicly endorse the absorption of Sunlight in the human eye and skin, using common sense to avoid over exposure.

"In the scientific field during 2016 researchers are making new discoveries about the ways our planet is intimately connected to the Sun by invisible strings, and the real impact it has on our weather patterns and climate change. Quantum physics shows there may be corresponding connections on a different dimensional level that result in wormhole-type tunnels that bridge our earth to the Sun and beyond.

"Historically the star of our solar system has been honoured by the construction of megaliths such as Stonehenge and Glastonbury in England, Nabta Playa in Egypt and the Temple of the Sun in Mexico. Now alternative researchers believe there is evidence that solar power was harnessed and distributed in structures such as the pyramids and that giant obelisks such as the one at Abu Gurab were actually electrical transmitters. The concept and application of this fits perfectly with the theories of the 20th century genius Nikola Tesla. Great leaders in ancient Egypt, Greece and Rome were guided by mystical activities based on what may be called the solar sciences, and their traditions survive today within certain secretive societies.

"Authors such as James Redfield have suggested that the human body may be destined to evolve into what is known as a light body, and this is now supported by scientific research into matter being constructed of photons. Along with modern technology's steps towards transhumanism and artificial intelligence, we are witnessing the emergence of a new breed of humans referred to as Indigo children and the Super Psychic

kids. Modern day organizations such as Cosolargy suggest that the transmutation can be accomplished by the intake of the Sun's rays. [emphasis added]

"Spirituality has a role to play in our reconnection with the sun and the technique of 'Incubation' as practised by the ancients, called the Way of the Iatromantis, provides an avenue in the pursuit of activating our light bodies and making the next evolutionary step. In rethinking our relationship with the Sun, we see a way forward into a future filled with light."
