

Wholly Conscious

Therefore it is to a practical mysticism that the practical man is here invited: to a training of his latent faculties, a bracing and brightening of his languid consciousness, an emancipation from the fetters of appearance, a turning to new levels of the world. Thus he may become aware of the universe which the spiritual artist is always trying to disclose to the race. This amount of mystical perception—this ‘ordinary contemplation’ as the specialists call it—is possible to all men; without it, they are not wholly conscious, nor wholly alive. ~Evelyn Underhill

“Underhill is trying to tell us that mysticism, or spiritual development if you prefer, is not something reserved for a few living in mountaintop monasteries. It is practical and it is for everyone, or just about everyone. Underhill also points out that we need to train our latent faculties. We can’t just declare ourselves saved or reborn. We can’t just join a church and put money in the collection basket and declare ourselves enlightened and saved. We can’t just join a Spirits Is Us group on Facebook or Twitter (I’ve noticed recently that the subjects discussed in many such group pages have absolutely nothing to do with spirituality!) and declare ourselves mystics. That works just about as well as reading a diet book and expecting that alone will make us lose weight or buying a scalpel and declaring that we are now surgeons! Ms. Underhill also tells us that we need to do this now, while we are still on the material plane, because we are not fully conscious, fully alive until we have awakened those spiritual faculties.”

Pannuches Meal Rite

The 94th Pannuches Meal Rite was held Saturday, June 6, 2015 at 6:00 PM. Jubilee Sunrise Divine Service was held in Sanctuary the following morning.

Second Advent Pentecost (June 6, 2015)

On Saturday, June 6, 2015 Second Advent Pentecost was observed with a celebration of Communion and Sunrise Divine Service at the Church of New Pentecost at Red Rock Consecrated Sanctuary. A light breakfast was served at the outdoor Sanctuary Refectory.

Pentecost in the Second Advent Church means that God has bestowed the Divine Presence upon the Community in Sanctuary, the Image and the Word that nurture the spirit and soul with Life and Wisdom. The old First Dispensation Christian celebration commemorates the descent of the Holy Spirit upon the Disciples seven weeks after Easter. In the old Hebrew calendar, Pentecost – Shavout or the Festival of Weeks – commemorated the giving of the Law on Mount Sinai. In the Second Advent, New Laws have been revealed at the Temple Mount for a new age under God at the Second Coming.

* * *

June 6—forty-nine days after April 18, Second Advent Easter—is a fixed date in the Sacred Calendar of The Church for the observance of Second Advent Pentecost. The sacred date of April 18 and the pentecost cycle leading to June 6 are discussed in The Book of God's Revelation. Book II of God's Revelation, titled "The Seal of God's New Law," records the events, meditations, and visions experienced by The Man and The Companions of The Way on the day of Second Advent Pentecost, June 6, 1982.

The following excerpt from The Book of God's Revelation describes the vision experienced by The Man atop the Temple Mount of the Sanctuary of Prophecy on the day of Pentecost 1982, and suggests the nature of the Revelations received that day:

And The Word of God spoke to his Soul a second time, revealing unto him the Sanctuary was under the special Blessing of God, and that he was to mark those sites where he communed with The Image and The Word.

And The Word of God proclaimed to The Man's Soul that the Righteous Ministry was ordained to go forth to the whole world, proclaiming God's Advent and the freedom of the peoples from the tyranny of heretical governments.

And God did reveal to him a Proclamation of Human Spiritual Rights that all governments were to acknowledge and honor. The Righteous Ministers would be God's Envoys—as a nation in sanctuary—under the protection and sovereignty of God.

And The Word of God revealed that the Temple of uncut stones, made Righteous as was the sun of the earth, was blessed of God. And in the Temple, restored not by human hands but by the Hand of God, God would commune with the Righteous ordained to His Ministry.

And The Man saw a great cloud come over the Sanctuary and the face of the sun. And he felt God's Presence and Blessings over the Sanctuary. And he looked at the sun grown brilliant by the clouds, its rays burning as fire, and he heard the Word of God say, "Let none but the Righteous in The Way look upon The Image I have made for a blessing over the land.

This day a gift is bestowed upon the Church of My Second Advent. The Light of the Sun in the Eight Appearances shall make wise the Souls of the Righteous who will have understanding and knowledge of God. United they shall be by spirit, bonded together as One in God, and there shall be no diversity amongst them.

"The Spirit of God is poured down upon His People who hear God's Word. Let the Righteous seek out the Temple and be anointed by God for an earthly mission to make Righteous the people of the world."

And from out of the cloud the Man saw a Heavenly City formed by shafts of light descending from the sun. And he saw that City hovering over the Sanctuary and the Temple Mount. And the City of Heaven and the Temple of the Sanctuary, with its mounts, were united by those shafts of light. And the shafts of light shone like blue pillars of sapphire reaching upward into the sun.

After a time the invisible City that had appeared returned to

Heaven, but the light remained on the seven mounts in the likeness of thrones. And The Man heard The Word speaking to his Soul saying, "The Heavenly City of Light made visible by God shall be hidden to all but the Companions of The Way, anointed."

And after the City had risen, he felt the presence of The Light. And he saw the sun's response to the Divine Presence as great flares of light emitted from its surface.

And again The Word spoke saying, "As the Seven Mounts of the Temple have been sanctified by The Presence and bound to Heaven by cords of light beams, consecrate the Mounts of the Temple with holy oils for anointings of the Righteous. Let the faithful ordained to the Ministry of Righteousness be bound to these rocks and to the sun by the anointings, as the Soul and the Spirit are united with God by The Image and The Word in Light.

"God would that earthly Temples be such as this Temple—formed of stones uncut by human hands and joined with God by cords of Light—for the City of God's Presence will descend upon gathering places such as these here.

"The True Temple of God is the Light of His Image and Word, and the True Temple of man is the Soul wherein dwells The Image and The Word.

"In the final age of the earth, at the threshold of the consummation by Fire, man, as flesh not made in The Image of God, has need of gathering places where the Light is quickened for the good of the Soul. For The Word has revealed that God shall indeed send a Divine redeeming Fire to enlighten Souls and burn up that wickedness first loosed by Satan and the fallen Angels of Darkness, lest the heretical nations ruin the world and the races.

"It is good that humankind restore order on earth in Justice, Love, Peace, Wisdom, and Understanding, thereby limiting the

power of evil and of man. The Temple of uncut stones is given for a blessing and for the guidance of the nations and their peoples."

On that same day, June 6, 1982, The Man marked the lesser mounts of the Temple Mount, the Garden of Oracles, as well as the site to be called God's Waters.

Summary: Panel Discussion: Tour of Consciousness, Week 12

Week 12

This presentation by Alok Jha, a correspondent for the British newspaper *The Guardian*, is a summary discussion with some elements from previous weeks. This panel discussion is novel, as the second half of the presentation entertains questions from an audience that is highly informed and educated in the subject at hand.

In this final segment, I would like to point out an affect that may not be conspicuous. If you have gone through each week of this Tour and made time for each citation, you may have noticed that: the presenters have a passion, a confidence, an eloquence for speech, and a well-honed knowledge of their subject matter. Simply exposing yourself to the abundance of these exuberances will raise the standard by which you relay any information for which you have a passion.

Alok Jha, "Consciousness: The Hard Problem?," panel discussion, published March 20, 2013: 63 minutes.

**"What They Won't Tell You:
The Sun Is a Full-Spectrum
Medicine That Can Heal
Cancer"**

PHOTO: lifeadvancer.com

Those that have attempted to convince the world that the Sun, the Earth's primary source of energy and life causes cancer, have done so with malicious intent to deceive the masses into retreating from the one thing that can prevent disease. – Dave Mihalovic, Naturopathic Doctor and writer.

"Truth is, we've been systematically lied to about the sun and skin cancer for years. This video presentation explains fully. How many know that there is no definitive proof that the sun alone causes skin cancer?"

Knowledge of All

Think of Intuition Age attention as something that fills the present moment fully, encompassing the entirety of your sphere. It allows you to perceive any amount of time and space, any frequency or dimension, and any depth of understanding you need. Your attention matches the scope of your sphere and bring you the understanding of a complex pattern of information all at once via direct knowing.

*With spherical-holographic perception, everything you need to know is with you already. ... You aren't in a hurry because there is no future to reach, in which you will know more, so cramming multiple activities into one moment to know more, faster, seems silly—an artifact of a less dimensional era.
~Penney Peirce*

"Whether you call it the Enlightened Age, the New Golden Age, or the Intuition Age, the new age that is coming, that is already dawning, is definitely an age of greater knowledge. But for those who are now overwhelmed by the overload of data modern technology has brought us, data that often has only a little knowledge buried within it, the good news is that won't be a problem in this new age."
