

“‘Solar Wind’ Blogger Writes Full-length Book”

Harold Boulette, “Solar Wind” blogger, has become a book author.

We have been posting a select post from his blog in the Communique each week for the past few years. Now he has taken pieces of his best daily work and reworked them into a full-length eBook: *Soul Power: Developing the Spirit and Soul*.

“I have been writing about spiritual matters for over seven years on my blog,” said Boulette on his new venture. “A few months ago, I decided to take some of those blog posts and reformat and add to them to make an eBook giving basic instructions on how to get started in spiritual growth.”

“Many people are interested in spiritual development, but don’t quite know where to start. This short book can help. It explains why you should awaken and develop the soul, basic instructions for doing that, tools that can help, and what it

is like to have the Soul Power of a fully awakened soul.”

“Are Human Beings Robots? | Interview with Dr. Rupert Sheldrake”

PHOTO: thunderbolts.info

"What is a human being? It is the ultimate question, to which institutional science offers surprising answers. The materialistic paradigm, which has dominated institutional science for well over a century, states that the essence of consciousness can be reduced to the physical components of the brain."

However, an alternative scientific perspective does exist.

One of the most remarkable researchers into human consciousness and the evolution of life is biologist Dr. Rupert Sheldrake. Dr. Sheldrake is the author of more than 80 scientific papers and ten books. He has won international acclaim for his experimental research on his hypothesis of morphic fields and morphic resonance.

“Seeking Divine Knowledge”

Whither are you carried, O men, drunken with drinking strong wine of ignorance? . . . Stand and be sober, and look up again with the Eyes of your heart, and if you cannot all do so, yet do so many as you can.

For the malice of Ignorance surroundeth all the Earth, and corrupteth the Soul, shup up in the Body, not suffering it to arrive at the Havens of Salvation. Suffer not yourselves to be carried with the Great Stream, but stem the tide yo that can lay hold of the Haven of Safety, and make your full course towards it.

Seek on that may lead you by the hand, and conduct you to the door of Truth and Knowledge, where the clear Light is tat is pure from Darkness, where there is not one drunken, but all are sober, and in their heart look up to Him, whose pleasure is to be seen. For He cannot be heard with ears, nor seen with eyes, nor expressed in words; but only in mind and heart.
~Hermes

“Read the quote carefully. Hermes is not saying that drunks can’t go to heaven, he is saying those who are “drunk on

ignorance” can’t go to heaven. So what does he mean by that? He means that people who are not only ignorant, but consciously choose to remain ignorant cannot go to heave, which he refers to as the Haven of Salvation.”

Reconnaissance in Mexico – January 2015

View of Los Barriles across Sea of Cortez

Bishop Gene and his wife, Radheka, traveled to Mexico January 21-29, 2015 on an exploratory mission with the intention of establishing a Community Center there. They were located in the small town of Los Barriles in the state of Baja California Sur, about 40 minutes northeast of the international airport at San Jose del Cabo. Los Barriles is dry and arid and rests on the coast of the Sea of Cortez. The trip from Reno to Cabo takes approximately 5 hours via Phoenix, AZ.

Joining Gene and Radheka was Consociate Humberto Garcia who traveled from Ciudad Juarez across the border from El Paso, TX. Together, they met with an attorney who began paperwork on a non-profit association which will either be named International Community of Christ, Cosolargy International, or Cosolargy Institute of Mexico. Very similar to the United States, the association will have tax-exempt status and donors will be able to claim tax deductions. The original incorporators are Mexican citizens: Bishop Gene, Humberto and Claudia Grady, the wife of Deacon Shane Grady.

In addition, Gene and Humberto also met with real estate agents who introduced them to geothermal areas in the region. Bishop Gene's vision is to establish a retreat/conference center in conjunction with a healing center/spa, much on the same lines as The Community has at Steamboat Hot Springs in Reno.

Some of the positives of the area include: (1) easy access to an international airport; (2) the beauty of the Sea of Cortez; (3) the area has both mountains and beaches; (4) the weather is warm and sunny; (5) a large ex-pat community of Americans and Canadians; (6) English is widely spoken; (7) geothermal/mineral springs; (8) low land prices and building costs; (9) a significant number of people from Reno reside and own homes there; (10) excellent seafood and water sports; (11) organic and natural foods stores and restaurants; (12) safety; (13) an Eastern exposure with good sun and good energy; (14) it's close to other places, such as Cabo, La Paz, El Triunfo, San Antonio, Santiago and Todos Santos; and (14) it sits on the Tropic of Cancer.

We will keep you informed as things progress on this interesting project. Ole!

**2015 Advent Day Vigil
Observed**

Pannuches Meal Rite

The 91st Pannuches Meal Rite was held Saturday, January 10, 2015 at 6:00 PM. Jubilee Sunrise Divine Service was held in Sanctuary the following morning.

Advent Day Vigil (February 2-6)

To commemorate the fifty-second anniversary of God's Second Advent, Sunrise Divine Services were held at the open-air Church of New Epiphany from Advent Day, Monday, February 2 through Friday, February 6, 2015.

* * *

The Advent Day or New Year Vigil was first celebrated liturgically by The Church in 1982. The events of the original Vigil are recorded in "Prophecy on the Revelation and the Opening of the Seals," chapter 90 of the Prophecy of the New Covenant. During each of the ten days of the original Vigil in 1982, Bishop Savoy received and recorded spiritual information on the building of the Second Advent Church. The significance of this original Vigil to The Church is suggested by a synopsis of the information impressed upon the spirit of Bishop Savoy in those days.

On the first day of the Vigil he recorded the impressions that would be included in The Canon of The Church.

On the second day he recorded the prophecies of Renewal and Transformation and the days and seasons to form part of the Sacred Calendar of The Church.

On the third day Bishop Savoy recorded words concerning The Liturgy of The Second Advent Church.

On February 2, Advent Day, he wrote down the prophecies of things to take place on earth before the final Advent of God, who would make his full Appearance in the Heavens following the Judgment in the End Times of the earth.

On the fifth day of the Vigil Bishop Savoy recorded the means to be applied within the Church to increase God's Blessings upon it.

On the sixth day, he wrote down all the prophecies pertaining to the matter of the Anti-Christ.

On the seventh day he recorded the means by which the Second Advent Church was to assist God in redeeming the races of the earth.

On the eighth day, Bishop Savoy wrote down impressions to be included in the Litany of The Church in establishing peace on earth.

On the ninth day he received impressions on the means to be used to protect the Church from profanation from within.

On the tenth and final day of the Vigil, Bishop Savoy was told that he would receive the Revelation to the Seven Churches upon the Seven Mountains of Metal of The Sanctuary on the day of Second Advent Easter, April 18.

The Most Right Reverend Gene Savoy, First Disciple of The Child, witnessed the original manifestation of the Sun of Righteousness on February 2, 1962, in Yungay, Peru. The events surrounding the Birth of The Sun of Righteousness on this date in 1982 are described in the Second Advent scriptural text Jamil: The Child Christ. Chapter 27 of this text speaks of the New Sun's Birth:

All spent the day and night in prayer, fasting and mindful of the events predicted by the Angel. And when the second day of February dawned, the sun shone brightly in the heavens. And they did return to the tomb, and there awaited the promised event. And at noon, when the tomb cast no shadow, behold! a great halo formed around the sun. They stood breathlessly looking in wonder and awe. Then a circle of rainbow colors, like crystal spheres, blue at the center and red at the outer edges, encircled the sun. In the heart of the radiant globe a white Cross appeared. And they feared the Last Day was upon

them. And they trembled, forgetting the promise of the Angelic Host, and the message of The Child. For an hour the heavenly blaze burned in the firmament. And The Man looked upon the sun, and the image of Jamil appeared across the sun, radiant beyond words, his countenance bright and his hair white as snow. And The Child was holding the Sun in his arms, over his heart. And The Man saw a gate to another world. Again he saw the four Guardian Angels around The Child, and on the right hand side of The Child he saw the image of Jesus and the Apostles witnessing his appearance. And he heard the voice of Jamil as music, speaking to the Light of his Eternal Soul, saying: "I am resurrected." And the disciple knew that The Child was redeemed from the earth. . . .

And the risen Child said: "The incarnation of God the Father is come to the world through the Sun of Righteousness, healing and sustaining the human family; and restoring the Life of Righteousness. As the seed of man enters the womb of woman and life cometh forth, so shall a heavenly Seed enter the spirits of men and women, and a new birth shall occur. And the life thereof shall be of God. And death shall not claim this new Body of Light and the Spiritual Consciousness therein. And the Christ transmitted in the Sun of Righteousness, and indirectly on all living things, down to the smallest atom and particle, shall incarnate within the soul of mankind. And every man and every woman shall know that they are one with the Godhead, divine and immortal.

Later in chapter 27, the text refers to the coming of The Comforter that took place on February 6, eight days after the passing of The Child:

And on the fourth day of February, the sun and six planets conjoined in Aquarius. And The Man saw great signs in the heavens. And the Anti-Christ was manifesting. Whereupon, his body and mind and soul suffered turmoil. And the struggle continued through the sixth day, it being the eighth day following the passing of The Child Christ. But The Man prayed

to God, looking upon the New Sun and asking the Light to assist him. The Child Christ heard him and sent an Angel to comfort him in his dreams. And the Darkness lost its power over him.

Thereafter, The Man began the Great Work east of the Andes.

Our Community's own Jerry Simonson is the executive producer of yet another film piece for the Thunderbolts Project.

The introduction to this newest piece, titled "Discourses on an Alien Sky | When Planets Were the Gods," is the beginning of a series of video presentations by David Talbott exploring the profound celestial events that he believes shaped early cultures the world over.

Sharing Love and Energy with All Beings

“A wide-spreading love to all in common, says Ruysbroeck in a celebrated passage, is the authentic mark of a truly spiritual man. In this phrase is concealed the link between the social and personal aspects of the spiritual life. It means that our passional nature with its cravings and ardors, instead of making self-centered whirlpools, flows out in streams of charity and power towards all life. And we observe too that the Ninth Perfection of the Buddhist is such a state of active charity. “In his loving, sympathizing, joyful and steadfast mind he will recognize himself in all things, and will shed warmth and light on the world in all directions out of his great, deep, unbound heart.” ~Evelyn Underhill

✘ “Not only is a “love to all in common” important for development of our spiritual facilities, it is important for all people, whether they are currently interested in

spiritual growth, or not. It is necessary for world peace. It is necessary if we are to learn how to share the land and other resources of the world in a way that is fair and equitable for all and not just a select few.

“Sharing love in common means recognizing that we are really all parts of the whole rather than individuals. You don’t end at a certain location and the other guy begins at a certain location. When you are sharing love and sharing energy with all the beings around you, you naturally become aware of this. That makes it almost impossible to hate others, or compete against them. If you compete at all, it is to improve yourself, and not to conquer others. Attacking others in any way would feel like you are attacking yourself because that is exactly what you are doing.”
