**December 25, 2013: Christmas
Homily**

Each year on December 25th, the Second Advent Community commemorates Christmas as celebrated in the West with a Service of Communion of Fellowship in the Chapel of the Holy Child. This special seasonal service concludes with a teaching homily that addresses the spirit of the

season from the perspective of the Second Advent Church. The 2014 homily was delivered by the Right Reverend Gene Savoy Jr.

December 21, 2013: Chapel Readings

Each week of the liturgical year, a reading from Second Advent Scripture is delivered as part of the Saturday Communion of Fellowship Service held in the Chapel of the Holy Child. This reading follows the Sacred Calendar of the Church; that is, Prophecies and Revelations that have been received by The Church on sacred dates are recalled in a liturgical context during the appropriate season each year. This reading is delivered by the Officiant of the Communion Service (that is, Bishop Gene Savoy, or occasionally in his stead, Bishop Sean Savoy) just before the final blessings. Each service also includes a reading from the ancient scriptures, prayers, or wisdom sayings of various world religions past and present and is usually thematically related to the Second Advent Reading. This reading is delivered by the Reader right after the announcements that begin the service and is thus the first reading of the service. An audio recording of the reading from Second Advent Scripture delivered on the date above is provided here below together with a transcript of the first reading of the service that day.

ANCIENT SCRIPTURE AND WISDOM SAYINGS

A Reading from an Egyptian Prayer to the Sun at Solstice:

*Great sun, wheel of fire, Ra in your glory,
hear me as I honor you□
on this, the shortest day of the year.*

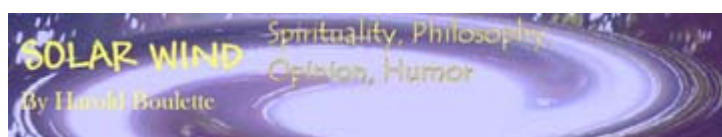

*Summer has gone, passed us by,
the fields are dead and cold,
all of earth sleeps in your absence.
Even in the darkest times,
you light the way for those who would need a beacon,
of hope, of brightness,
shining in the night.
Winter is here, and colder days coming,
the fields are bare and the livestock thin.
We light these candles in your honor,
that you might gather your strength
and bring life back to the world.
O Ra, mighty sun above us,
we ask you to return, to bring back to us
the light and the warmth of your fire.
Bring life back to earth,
Bring light back to earth.
Hail Ra! Ruler of the sun!*

“Creativity and Innovation”

“Creativity, like the wind, has a will of its own and is hard to predict. Over time, my creative impulses became overpowering. While it was necessary for me to control my creative urges in training as a monk, I later realized that creativity is a divine quality I can use to bring myself and others closer to the experience of God.” ~Russill Paul

“Creativity is indeed a divine gift, but like most gifts it

has a negative as well as a positive side. In short, you can say there is true creativity and false creativity. True creativity comes from Divine inspiration, false creativity comes from the human mind simply combining various known things to create something that is only superficially new, and may be harmful.”

Cosolargy Online Pilot Program Ready to Launch December 23, 2013

Dear Community Member,

At the General Assembly of Cosolargy meeting on October 2 our technology and business consultants, Empower Consulting Group, introduced those in attendance to the idea of online learning as part of our new global community outreach plan, and at the 4th Annual Conference on the Spiritual State of the World held October 4-6 in Reno, University Chancellor Sean Savoy announced the upcoming launch of the pilot for the first online educational program: *Project "X" Course on Ancient Solar Cultures–Level 1*.

"This program is being planned to involve not only new methods of teaching Cosolargy and presenting our learning materials online but also new ways of reaching out to the world via the Community's web sites. Global outreach and online learning will be a new focus as we take our Community further into the digital communication and information age," said Sean Savoy.

"For The Community, reaching new levels of global outreach is paramount to our future success as an organization with a universal, global Teaching to impart. It is within our mandate to reach people, to take the news of the New Light with its inherent intelligence and information to greater numbers. Using the internet for Community services and programs as well as for our educational programs is quite a complex proposition—but an exciting one.

"We have much work to do as we convert our vast library of educational services and programs, including The Academy, Project 'X', and advanced sacred programs in Theology, Divinity and Liturgics."

Since July, members of the Jamilian University staff have been on the path of creating a test program—our **"Pilot Project"**—to see how best to present some of the basic solar techniques and theory to new students of Cosolargy. Over the next few weeks, a test group will be introduced to "Week 1" of the online program, based on Project "X" research into ancient Solar Cultures, specifically, the Solar Teachings of the Americas,

and will give us their feedback on its design and function.

In the meantime, we would like to share with you a short presentation that is intended to provide background to the undertaking of the Pilot Project– to give you an understanding of the how and why online education will help us deliver and evolve the Teachings and the body of work of The Community and our founder, Gene Savoy Sr., for the global community. The presentation is delivered by one of our consultants from Empower Consulting Group, Carol Vickers.

< [To watch the presentation, please follow this link.](#) >

NOTE: You will be asked to download the presentation, which may take several minutes (depending upon your internet speed). Or you may save it to your Drop Box if you use that program and then watch it from there.

To view the presentation, you will need to have Power Point viewer on your computer. If you do not currently have Power Point, [you may download the program by following this link.](#)

Annual Convocation 2013 and Annual State of the World Conference Held

PHOTO: Stephan Fuelling

The 2013 Annual Convocation of the International Community of Cosolargy and the Annual Conference on the Spiritual State of the World started, as usual, with the registration and greeting of new students and Consociates scheduled to take residence training. All met on Monday October 1 at 8:30 a.m. at the Chancellery. Monday and Tuesday were dedicated to training in Color and Sacred Imagery.

In a departure from recent past Convocations, the plenary sessions began Wednesday morning October 3 with a Sunrise Divine Service held at the Red Rock Consecrated Sanctuary's Church of New Epiphany. The service was followed with a fellowship breakfast at the Sanctuary Chapterhouse.

On Wednesday afternoon, all Consociates met at the Chancellery for official registration and orientation and a General Assembly. The latter featured a report by Head Bishop Gene

Savoy Jr. on The Community's efforts over the past year, including winning an important concession from the State of Nevada regarding water rights at Red Rock Consecrated Sanctuary and a \$68,000 grant to develop solar power production at Steamboat Hotsprings Healing Center and Priory.

The Bishop then turned over the presentation to Carol Vickers and Liz Christoffersen of Empower Consulting Group. Ms. Vickers and Christoffersen have been consulting with The Community on outreach and development strategies for the past year and a half.

They explained their work with The Community over that time, which has culminated so far in the production of an online introductory course on Cosolargy. The course will provide some history of American solar cultures as well as a few introductory techniques for working with the divine energies now coming through the sun. The course's launch date is expected to be this fall.

On Thursday morning, Convocation attendees met at the Chancellery and then caravanned up to Lake Tahoe to the Episcopal Church 's Camp Galilee. In a conference hall overlooking the blue waters of the lake, Dr. Gary Buchanan delivered a talk on solar culture among the North American native tribes, including those in the area around Lake Tahoe, which has always been a sacred site among the natives.

cultures of the Sierras and North America. PHOTO: Stephan Fuelling

Dr. Buchanan's illuminating lecture was followed by an entertaining presentation by local tour guide, historian, and lecturer Joseph Galata. Mr. Galata regaled his listeners with stories of local historical events and humorous anecdotes.

Attendees were then served a wonderful lunch by camp volunteers in the camp refectory. All food was locally grown and organic and the service was warm and welcoming.

After lunch another brief presentation by Mr. Galata was given in the camp chapel, with its large picture window looking out onto the lake. After that, the attendees again caravanned down the mountain, through the Nevada capital of Carson City and up another mountain to the historic mining town of Virginia City. Once the most prominent town in Nevada during the mining of the famed Comstock Lode silver mine, it is now a popular tourist attraction, drawing hundreds of thousands of visitors. After a brief account by Mr. Galata of some local lore in front of the oldest church in Nevada, St. Mary's Catholic

Church, attendees were free to roam around the gift shops and famed saloons of Virginia City before being shuttled down the mountain to nearby Steamboat Hot Springs Spa and Healing Center, which is owned and operated by the ICC.

In the Center's conference/classroom after a wine and cheese reception, attendees were given a historical account of Steamboat Hot Springs and its healing waters, spas, hotels, and athletic training facilities that have come and gone over the decades since the Civil War by ICC canon and Steamboat Priory resident Rebecca Willis. The very enjoyable day came to a close with tours of the spa and healing center and relaxing soaks in the famous waters for those who wished them, before being returned to their hotel.

Friday began with a Community Communion Service at the Chapel of the Holy Child in downtown Reno. This service is usually conducted on Saturday mornings but was rescheduled this week due to the Conference on the Spiritual State of the World on Saturday (see below).

After the service and a break for refreshments in the chapel vestibule, the Consociates reconvened in chapel for [three ordinations of Consociates by Bishop Gene Savoy](#). Receiving first-level ordination into The Community were Japanese Consociates Shoko Taketomi and Nami Aiki, followed by the third-level ordination of the Reverend Deacon Robert Anderson to the Order of Presbyter.

Following the ordinations Bishop Savoy delivered the Clergy Counsels lecture to the assembly in the Chapel of the Holy Child.

His talk included some considered changes in the externals of The Church to bring it more in line with its unique role as a universal religion; e.g., a change in clerical garb. The Assembly of Cosolargy then voted to accept and proceed with the direction in which The Community is heading as reported by the Bishop.

Following the Counsels lecture was another residence training session on liturgical practice for those who had not yet had this training.

Friday evening saw the inauguration of the Annual State of the World Conference with a welcome reception and buffet at the Rectory-Abbey on Carmel (the Bishop's residence). Conference speakers and attendees were invited. The buffet was prepared and presented by the Rev. Francine Petrovich and her kitchen crew and was, as always, a culinary delight.

Saturday morning all met at a conference hall at the University of Nevada–Reno’s Joe Crowley Student Union for presentations by the featured speakers at the Annual Conference on the Spiritual State of the World, titled “Awaken Your Light.” Speakers, including Dr. James Oschmann, Dr. Karl Maret, Dr. Stephan Fuelling, Dr. Gary Buchanan, Yukinori Matsushita, [Robert Roy](#), Sean Savoy, and Jim Eaglesmith, presented from 9 a.m. until 3 p.m. with a lunch break, ending the day’s activities with a roundtable discussion with questions and answers from the audience for the speakers.

The conference continued the next morning with a concelebrated Sunday Sunrise Divine Service at the Cathedral Church of the Americas at Red Rock Consecrated Sanctuary.

Afterward, a sumptuous breakfast buffet was enjoyed by all at the outdoor Refectory near the Cathedral Church, prepared by the Revs. Peter and Mary Foust and helpers.

The final conference event was a presentation by Head Bishop Gene Savoy Jr. at the Monastery Gardens Ambo on Cosolargy, including an experience of the Universal Harmony technique with the sun. Informal tours and excursions in the South Sanctuary followed the official closing of the conference.

In the afternoon all conference attendees and presenters were invited to attend the annual Open House at Steamboat Hot Springs Spa and Healing Center, which included a health expo, exhibit and food booths, and, of course, demonstrations of the many healing modalities offered at Steamboat.

Many favorable comments on this year's Convocation have been received, and it is The Community's fervent hope that all Consociates will make it a priority to attend future such assemblies, as the blessings are bountiful. See you next fall in Reno!
