

# “Scientists Find Galaxies Colliding at Millions of Kilometers an Hour”

In a corner of space 290 million light-years from Earth, we're getting to see something truly epic in action.

There, four galaxies are closely interacting, the region filled with the detritus of past collisions, so vast and energetic that their interaction is lighting up the space between them with an X-ray shock-front.

# “Record-Breaking Super-Earth Has The Density of Lead, Scientists Say”

Astronomers have discovered a hefty new Super-Earth that’s as dense as lead. This rocky world might just be the leftover core of a gas giant that flew too close to its sun.

Meet K2-360 b, an exoplanet that packs 7.7 Earths-worth of mass into a ball that’s just 1.6 times the size of our home world. That shakes out to a density of about 11 grams per cubic centimeter, on par with that of lead.

**“A galaxy named for its resemblance to a sombrero looks distinctly different in new image | CNN”**

The James Webb Space Telescope has captured a surprising new view of a long-studied galactic neighbor, the Sombrero galaxy, revealing a perspective that looks quite different from the wide-brimmed Mexican hat for which it was named.

Taken with the space observatory's Mid-Infrared Instrument, or MIRI, the image showcases the galaxy's smooth inner disk, rather than the glowing core that usually shines in visible light images taken with the Hubble Space Telescope. Webb's view makes the "crown" of the sombrero invisible, changing the

appearance of the galaxy to resemble a bull's-eye. Meanwhile, distant galaxies glimmer in the background of the image.

## A Mystical Experience

December 6th, 2024

It was a quiet Friday evening, and I was reading, sitting on my bed. The hour was close to 8:45pm, when I saw a movement to the right of my vision. I turned and saw a brilliant sun entity coming through my window on the northeast side of our parsonage. It was about ten inches across and a brilliant turquoise in color. It seemed to be aware of me as it moved about the room.

The entity was bright and clear, and did not fade as my eyes followed its movements. This movement continued for approximately 60 seconds. The emotion in my body changed quickly to extreme happiness. Then, during this beautiful moment, the sun symbol changed into the most perfect, clear solar cross while still a brilliant turquoise in color. Then after fifteen seconds in this new form, it slowly departed my room through the wall.

Another part of this wonderful experience happened as I fell asleep that evening. I felt a very strong tapping on my right shoulder, so strong was this touch that I sat up and looked around expecting to see someone near me. It was as if I was being reminded that my experience was very real.

The following evening, the entity returned at approximately the same time, in the form of our solar cross and placed itself over a photo of Bishop Gene Savoy Sr and slowly faded over a period of 10 seconds. The emotion of happiness was again very strong.

The three signs that I perceived were a sun, our solar cross, and the color turquoise.

From our Community book on dreams and visions, a sun in a dream or vision is a very significant sign presaging some kind of Spiritual revelation, in which the individual can expect profound changes for a new life.

Then we have a cross: “to see, a good omen implying holiness.” And finally, the color turquoise, a sign of physical well-being and strength. It is also a symbol of regeneration.

COSOLARGY INTERNATIONAL  
THE SACRED TEACHINGS OF LIGHT

## COSOLARGY NEWSLETTER DECEMBER 2024

Hello Gene,

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue, we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](#). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

### The Origins of Cosolargy

#### *Quotes from Gene Savoy, Sr.*

"Seeing this, the Master Jamil spoke once more saying:

'Think not that I am being disrespectful; The Word lives in the Spirit of Christ. The Cross lives in God's New Sun. We have come to release the Christians and the peoples of other religions from bondage to words they do not understand. Too long have our brethren been led astray by those who preach from the Books, not understanding the message. For I say unto you that God summons

man to live the Holy Word. We will give a supplement and open the Book of Life, and all the peoples and nations of the world shall understand the hidden meaning of Scripture now given to mankind in the last and final age. And God's New Sun shall scorch the earth with the Heavenly Fire. And it shall be a balm to the Children of Light. And the Dark One shall no longer deceive the world, for all men shall know the truth by the birth of the Cross of Enlightenment.'

"After these words, Jamil spoke the last and final time to his father, saying: 'Now go from here, for your love of me keeps me from my Work.' Whereupon, Jamil called his mother to comfort her.

"And he looked into her eyes and saw not The Light. She was his earthly mother, and his love for her was beyond human understanding—a kind that generates the sun and the stars."

# The Ignorant Rulers and the Perfect Ones

*“ For it was ludicrous. It is I who bear witness that it was ludicrous, since the rulers do not know that this is an ineffable union of undefiled truth, as exists among the children of light, of which they made an imitation, having proclaimed a doctrine of a dead man and lies so as to*

resemble the freedom and purity of the perfect assembly, and having joined themselves in their doctrine to fear and slavery, worldly cares, and abandoned worship, being small and ignorant, since they do not contain the nobility of the truth. For they hate the one in whom they are and love the one in whom they are not. For they did not know

the knowledge of the greatness that it is from above and from a fountain of truth and not from slavery and jealousy, fear, and love of worldly matter. For that which is not theirs and that which is theirs they use fearlessly and freely. They do not desire because they have authority, and they have a law from themselves over whatever they will wish. But those who have not are poor, that is, those who possess nothing, and yet they desire something. And they lead astray those who, through them, have become like those who possess the truth of their freedom, so as to bring us under a yoke and constraint of care and fear. This person is in slavery. And one who is brought by constraint of force and threat has been guarded by god. But the entire nobility of the fatherhood is not guarded, since he guards what is his own by himself, without word and constraint. He is united with his will, he who belongs only to the thought of the fatherhood, to make it perfect and ineffable through the living water, to be with you mutually in wisdom, not only in word of hearing but in deed and fulfilled word. For the perfect ones are worthy to be established in this way and to be united with me, in order that they may not share in any enmity, in a good friendship. I accomplish everything through the good one, for this is the union of the truth, that they should have no adversary. But everyone who brings division—and such a one will learn no wisdom at all because he brings division and is not a friend—is hostile to them all. But one who lives in harmony and friendship of brotherly love, naturally and not artificially, completely and not partially, this person is truly the desire of the father. This is the universal one and perfect love.”

## **Rulers do not Know Truth**

The above quote was written thousands of years ago, so rulers who don't know the Truth is nothing new. Of course, some rulers are very intelligent and know worldly things, worldly truth, but very few know Divine Truth. Today, however, we are seeing rulers who not only lack spiritual knowledge, but often have limited worldly knowledge as well.

Some centuries in the past, it was common practice for rulers to consult with advanced spiritual leaders so that they could maintain a balanced government that was both good on the material level and also on the spiritual level. Some governments today still have an office for a spiritual or religious leader, but the presidents and kings rarely consult them or follow their advice. When they do, it is often because the ruler chooses as the government's religious leader someone who agrees with him most of the time.

## **Doctrine of a Dead Man**

What Seth calls the Doctrine of a Dead Man is the laws or rules of a materialistic ruler. He is a dead man because he hasn't awakened and developed his immortal spirit, so when he physically dies, he will be truly dead. The doctrines of such people are full of fear and slavery. Not slavery in the normal sense, but slavery in that one becomes attached to the material world that is constantly changing. Doctrines based on fear are never a good thing.

## **Knowledge of Greatness**

The Knowledge of the Greatness from above does free us from fear and slavery. This is the Knowledge of God, of Truth, and of Wisdom. It is what the Gnostics called Gnosis and it come to those who awaken their spiritual faculties and develop them to the point where they reach the highest levels of

consciousness where Heaven is and where God and the Angels of Light dwell. When we become one with that level of being, we lose all fear and are no longer slaves to capitalism or materialism. Then we join the Perfect Ones.

## **“The universe is vibrating, mounting evidence shows”**

- **More evidence indicates our universe is vibrating.** Scientists announced their discovery on December 3, 2024.
- **Astronomers looked at pulsars located across the**

**galaxy** and measured the time these pulses should arrive at Earth. They noticed an interference in the arrival time due to ripples from the gravitational wave background.

- **The ripples from the gravitational wave background** are likely due to interactions between black holes.
