COSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

Tuesday, April 23, 2024

I trust you had a blessed (True) Easter full of Love and Light!

Our Community Convocation and Cosolargy Seminar is just around the corner (June 4 – 9), and we are preparing an exciting agenda, one we anticipate will be fulfilling, as well as informative. Our activities will center around Second Advent

Pentecost (June 6) as a time of Community renewal and revitalization, and I will personally be delivering The Oral Gospel as a Life System in six sessions over the course of three days. Several techniques will be presented on advanced imaging, the use of crystals, and breathing. The bulk of these discourses and the practice of techniques will take place at the Sanctuary.

Other presentations will include discussions on the Sacred Calendar, the Solar Cross and the Sacred Thread, and a very interesting discourse on solar teachings of Africa which will be a basis for expansion of the Solar Teachings series. There will be two Sunrise Divine Services, a Pentecost Eve banquet at Bishopstead, and I will also explain several projects we have undertaken since our last gathering in 2022, as well as share some visions for the future.

Pentecost is an important time in the Sacred Calendar, so I encourage you to make every effort to attend this year's gathering, as we fellowship together and strengthen our bonds. I look forward to seeing you soon.

Very Truly Yours in Light+

SECOND ADVENT EASTER MESSAGE: APRIL 16, 2024

CÔSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S SECOND ADVENT EASTER MESSAGE

Tuesday, April 16, 2024

This Thursday, April 18th, is Second Advent, or True, Easter according to the Sacred Calendar. We at the Community Center will greet the rising sun with a Divine Sunrise Service at the Cathedral Church of the Americas in Consecrated Sanctuary with our liturgical prayers, sacred music, chants, bells and chimes and receive the blessings emanating from out of the Sun of Righteousness. We will pray for peace in Eastern Europe, in the Middle East and, indeed, all around the world. We will also pray for the enlightenment of the human family, as well as for the well being of all our members wherever they may be.

This sacred day, fixed in the solar calendar of The Community, is recognized by us as the true day of the resurrection of Jesus Christ, as it is cosmically significant and, thus, the actual date of his spiritual resurrection. We also remember the events that transpired on that day in 1982 at the Sanctuary of Revelation atop the Seven Mountains of Metal when the Seven Revelations were received and the Seven Seals were opened. I suggest you read pages 1-108 in The Book of God's Revelation.

As I mentioned the other day, Easter is a time of renewal and reflection and symbolizes spiritual rebirth. Communion with God begins here on Earth, for God's Plan for the renewal and restoration of the Creation cannot be fulfilled without the unified Community and those disciplined who teach, preserve and live the revealed and sacred Teachings of Light – a teaching which has been practiced and handed down through millennia and restored in our modern times for those special and appointed preordained individuals who choose to live the Way of Light.

However, it came to my mind that those who ignore the Commandments of God given through The Word manifest in His ascendant Sun of Righteousness, which even now transforms the world, are not immune to its effects. It is not a matter of whether people accept the Sun of Righteousness or believe in it or not. God's Word comes forth regardless in its

almightiness and splendor and everyone should know that His Word is One. This Word, though, is incomprehensible to people of ignorance, impiety and irreverence to God. And this ignorance, impiety and profanity – which is ugliness and ungodliness – is resulting in a most harmful mutation of being that is most obvious even to the casual observer.

As the Cross of Enlightenment has come to enlighten goodly and godly men and women, those of ungodliness are, in effect, maddened by that Light, for those who embrace Darkness will incur much suffering and illness of mind and Spirit. No one on Earth under the Light of this New Sun will benefit from wrongdoing and materialistic ends any longer. You can see it. I can see it. Those who are the weapons of Darkness are becoming more insane by the moment. While those who are the agents and instruments of Light are becoming more enlightened and more powerful as allies of the Angels and Beings of Light to combat the Angels and Beings of Darkness. Remember, what we see and experience here on Earth is a replica of the great cosmic battle being waged in other dimensions.

It is written in our Sacred Scripture that the Earth shall be burned up by the Light of God's New Sun, and men and women of Evil and Darkness shall also be burned up by that light and judged for their wicked acts, while those of goodness shall receive the Light as a blessing. Some people judge God and say that if Evil and Darkness exist then Evil and Darkness must be equal to God. This is not true, of course. But although Darkness and Evil do indeed exist, it is only because of Man's continued wrongdoing, error, and the breaking of God's Laws.

Our Prophecies, therefore, are given to the Children of the Earth for the purpose of informing them of the effects and the events prophesied to come which are transpiring before our very eyes, so that all may choose accordingly. For it is our Teaching that God would not that anyone suffer. God sends forth His Divine Light to judge the ungodly for the sake of

the godly who have long suffered at their hands. In due time, the days of injustice will come to an end and God's Sun of Justice will reign supreme. Those who are Servants of God and the Light will receive the Gift of God, which is a blessing He bestows on those who assist Him in His Divine Plan. God reveals Himself to those in Light, and those who are resurrected to Light by means of Light during this life will dwell with Him forever.

As we plan on gathering this June, I encourage your attendance at this time of renewal and fellowship within The Community. I also remind you to make your most important donation pledge towards the third phase of the restoration of the open-air Cathedral Church of the Americas and Monument to Human Spiritual Rights, which we have been arduously working on over the past five years. I wish you a most blessed Easter.

Very truly yours in Light+,

Gene

Be against Violence and Fear and For Love and Oneness

"Everyone must stand up against violence and say that what is going on in the world is not in accordance with the Christ teaching, it is not in accordance with God's Love.

"Why did Christ come to Earth, what was his basic idea? The idea of Love, which can solve all issues (mental, emotional, and social), is the law of the living Love. In what specifically rests this living Love? To know that every man [and woman] in the world feels and suffers like you do and

has such needs as you have. Consequently, to enter fully in their situation and be ready to help as you would do for yourself. This is a philosophy, this is a science, which will be applied in the future.

“Fear is the greatest disease that modern people have. It is a trap; it is a weakness of the human character, and ninety-nine percent of all crimes are due to fear. Consequently, every one of you who wants to be a hero must have absolutely no fear. His [or her] heart must be full of love.”

-Biensa Douno

Against Violence

It is in Gene Savoy, Sr.’s teachings that violence is contrary to being spiritual. Not only did he advise that we avoid acts of violence, but that we also avoid watching violent movies, television shows, and even sports activities with a lot of violence in them as they do affect our behavior and beliefs. The young people of today turn to violence far more than people did thirty or forty years ago because they watch a lot of violent movies and play violent video games where killing or maiming those you oppose is the norm.

Christ Taught Love

While it wasn’t the only thing he taught, it is true that all of the teachings of Jesus were based on love. God’s love for us is the only reason we have a path to redemption from the fallen realm of matter. Our love of God is the most important factor when it comes to developing our spiritual Self. Without that love, it would probably be impossible to resist the temptations of the dark beings and forces and the pleasures of the fallen realm of matter. It is also impossible to live in peace with each other if we don’t have love.

Everyone Suffers

While it may seem to you that some people have a perfect life and never have any problems, that is always an illusion. A person might be very wealthy, but his greed and fear prevent him from being able to truly enjoy that wealth. Another person may seem healthy and strong, yet have a disease that is not visible, yet is killing them. So everyone does suffer, in one way or another. That is why we need to have love for all people and not be jealous because we think someone else has it much better than we do. And remember, when it comes to God, and God's Grace, how much money we have is not significant.

Fear is the Greatest Disease

Fear is the cause of most of the problems in the world. We avoid people who are different, as in a different race, a different religion, etc. because we fear their strangeness. We may not think that is why, but in truth, it is. We take jobs we really don't want, jobs that harm the environment, animals, or even people, because we fear that if we quit that job, we won't be able to find a better one. We war with other peoples and nations because we fear them in one way or another. We may fear that they are getting too powerful and will soon be strong enough to be a threat to us. We may fear that they will cut off the flow of natural resources that they have and we need. It isn't really about oil, it's about fear. Fear is behind almost all evil. But love conquers fear, which is why Jesus, Buddha, and other great religious and spiritual leaders tell us to love each other, to love God, and to love all that is. They don't tell us to stop fearing because that wouldn't work. They tell us we must learn to love, and so we must. It won't happen overnight, but keep practicing your spiritual techniques, and love will develop.

A huge invisible mass could be the reason the Milky Way's disk is warped and twisted.

A new study shows that a tilted, misaligned dark halo – the large blob of dark matter that wraps around and permeates our home galaxy – is the only explanation to date that explains all the features of the shape of the Milky Way.

“New Calculations Show Most of The Universe Is Made of Dark Energy”

A new measurement of the Universe has confirmed dark energy makes up close to 69 percent of the sum of everything.

That leaves the remaining 31 percent to matter; both of the normal variety – that's the particles and forces making up everything we can see – and dark matter, the mysterious gravitational poltergeist responsible for movements and effects that can't currently be explained any other way.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"And The Man addressed Jamil+, asking: 'How shall all these things be accomplished?' And the radiant Child+ answered: "You shall be given, through inspiration from God+, a New and Higher Gospel, and you shall write down that portion to be revealed publicly, retaining the greater portion thereof in secret to be administered to those who would dedicate themselves; for it is not good to distribute the whole Teachings, lest they be abused by arrogant men. Begin first with the Christians, restoring what has been lost to them, by decoding the writings of the New Testament and revealing The Religion that supplements that which was previously given. You shall found a New Order, ordaining Teachers to aNew Ministry who shall be the successors of The Church and the New Apostolates. And Christ+ shall manifest through them."

TRADITIONAL EASTER MESSAGE: APRIL 3, 2024

HEAD OVERSEER'S TRADITIONAL EASTER MESSAGE

Traditional Easter Message

This past week, hundreds of millions of Christians around the world – Catholic, Protestant and others – observed the most important time in the Christian calendar and one of its oldest beliefs: the pain, sorrow and suffering of Jesus Christ, as well as his physical resurrection. Next month, millions of Orthodox Christians will do the same.

We of this Community, however, observe Easter each year on a fixed date – April 18th – according to the solar, not the lunar, calendar. And, we do so in an entirely different way and with an entirely unique message. Most importantly, we do not recognize or teach the resurrection of the physical body, only the resurrection of the reborn spiritual Light Body.

And although the Pauline churches erroneously connect Easter to the Jewish Passover, we know that the Last Supper was indeed a sacred Essene pannuches meal centered around the 50-day pentacontad cycle during which Jesus declared himself to be the Messiah of Aaron and Israel. (Details of this event can be found in The Essaei Document, as well as in other material of our Community.)

Needless to say, this important distinction alone separates us from the rest of Christianity, in addition to the fact that the Essenes, of which Jesus was a part, functioned under distinct traditions, rites and rituals from their counterparts at the Temple in Jerusalem who had misinterpreted the Law of Moses to include the practice of daily sacrifice of animals and the shedding of blood as an atonement for the sins of the people.

However, I digress. Because most of the Western traditions, cultures and languages connect Easter to the Passover, the word used for this time of the year is common, except in English. For example, in Greek, the Paschal feast is

called Pascha; in Hebrew, it is Pasach; in Spanish, Pascua, and so on. But in English we have the word Easter, which comes from the Old English Eostre.

We can trace Eostre to a goddess – an important goddess – called Hausos. The goddess comes from the proto-Indo European religion. And she was known as the Goddess of the Dawn. Her name was reconstructed as Ausos. In India, she is referred to as Usas; in Greek Eos; and in Latin Aurora.

The name was derived from the root “To Shine,” thus, translating to “The Shining One.” The English word “East” is derived from this word, also the Latin “Aurum” meaning gold. The dawn goddess was also the Goddess of Spring. In the Anglo-Saxon world, and also in the Germanic world, this time – this Easter or Eostre – was called Eosturmonath, or Easter Month, which was celebrated for the entire month of April. This Goddess of Spring was involved in the mythology of the Indo-European new year where the Dawn Goddess was liberated by God from imprisonment. She is known in the Rigveda as Indra and in ancient Greek mythology as Dionysus. So we see that it has always been a very important time of the year.

So how do we in the Second Advent/Cosolargy Community reconcile ourselves with this ancient observance? How do we – who do not accept the physical resurrection of the body – harmonize ourselves with this “holy week” which emphasizes the agony, misery and torment of the man, Jesus? How do we – who do not teach that he was the sacrificial Passover lamb, an offering acceptable to God whose blood is shed daily on the altars of churches around the world everywhere and that the shedding of his blood, however ritualistically, is an atonement for the sins of the world? How do we come to terms with those many, many millions of people who do? And, how do we – who reject that Christ’s crucifixion was “good” or that it was the Will of God, holding instead that it was the murder of a Son of Light by the civil and religious authorities of the day – how do we bring that in to accord with our own

teaching and theology?

We do so by emphasizing what we know to be Christ's true message: First, that we are all endowed by the Creator of our spiritual Beings with an eternal and immortal Soul, if we but cause that Divine Generative Force – Christ or The Word – to penetrate into that spiritual Womb. Second, that once we consent to the Word of God – the Logos – being allowed to impregnate our Spirit, that Spirit becomes animated by the Thought and Will of God the Father and becomes a living, breathing, conscious Soul, able to reason on heavenly things. Third, that once imbued with Christ Consciousness, the Soul, released from the cycle of generated existence, recalls and remembers its history and origin and consciously participates in the Worlds of Light, continually partaking of a Divine Communion.

This was the message of Christ Jesus. And this is what was symbolized by the Last Supper – the act of the reborn, conscious Soul partaking of the True Communion, feeding off the Word of God – the Bread from Heaven – and drinking from the Cup filled with God's Living Waters – which is Divine Light. And this is also the message of the Messianic Church of the Second Advent. The beauty of it all is that it can be done in the here and now – that our spiritual immortality and divinity can be realized while we exist and live in this world. And if that is accomplished, one has received the gift of the resurrection – not as something abstract to wonder about after death, but something one can experience and participate in while one lives in this world.

We know that Jesus – the Christ – not only received the Word of God, but that the Logos incarnated within his Spirit. He became the Living Word of God manifest in man. Yes, he was the Messiah of Aaron and of Israel, but he, like so many others of his Christ Brothers, received the mantle of the Office of Christ on Earth. But we also know that Jesus prophesied a future time – a time when Christ, the celestial and mediating

force between God and Man, would appear not in human form but out of the heavens in great power and glory. And this prophecy echoed the older prophecies of Isaiah and Malachi.

1 See the day is coming, burning like an oven, when all the arrogant and all evildoers will be stubble; the day that comes shall burn them up, says the Lord of hosts, so that it will leave them neither root nor branch. 2 But for you who revere my name the sun of righteousness shall rise, with healing in its rays. You shall go out leaping like calves from the stall. 3 And you shall tread down the wicked, for they will be ashes under the soles of your feet, on the day when I act, says the Lord of hosts. [Malachi 4]

Malachi is prophesying about the End of Times, when God would come again at the Second Advent, when the Sun of Righteousness would appear out of the heavens in great splendor and with a Light which had never been bestowed on Earth before. And this Light would feed and nurture the Spirit at the great and final Messianic Banquet served from the true Temple of God. Thus, the message of Jesus is clear. The need for men and women to partake of the supersubstantial Food that nourishes the Soul is found in the transubstantiated Sun – the sun of matter which is transfigured into Spirit.

Therefore, in commemorating the traditional Easter Season, we do so in anticipation of True Easter, which we celebrate in the Second Advent Church on April 18th each year, according to the solar calendar. We participate in the glorious communion of the Angels of Light, joining with Jesus and the Essaei and all those of other religions who have been reborn into the Community of Light, which is the Resurrection of the Spirit that comes about only through participation in the glorious and Messianic Communion with the Celestial Christ.

The Easter Season is a time of spiritual renewal, reflection and rebirth. Communion with God begins here on Earth, for God's Plan for the renewal and restoration of the Creation

cannot be fulfilled without the unified Community and those disciplined who teach, preserve and live the revealed and sacred Teachings of Light – a teaching which has been practiced and handed down throughout the centuries and restored in our modern times for a special and appointed few. Those who are the Servants of God and Light will receive the Gift of God, which is a blessing He bestows on those who assist Him in His Divine Plan. God reveals Himself to those in Light, and those who are resurrected to Light by means of Light during this life will dwell with Him forever.

Let me close this message with these beautiful lines from the Gnostic Gospel of Phillip. I love these words because I believe they describe the resurrection so well and embody the spiritual message not only of this time of year but of what this Community teaches.

“We are born through the Holy Spirit, but we are born again through the Christ. In both we are anointed through the Spirit...No one can see himself in water or in a mirror without light. Nor again will you be able to see in light without water or a mirror. On account of this, it is fitting to baptize in both light and the water. But the light is the Anointing.

“There were three buildings for offering-places in Jerusalem. One was open to the west; they called it “the holy.” Another was open to the south; they called it “the holy of the holy.” The third was open to the east; they called it “the holy of the holies.” It was the place into which the high priest came alone. The Baptism is the holy house...the holy of the holy. The holy of the holies is the bridal chamber.

“Those who say they will die first and rise again are in error. If they do not first receive the resurrection while they live, when they die they will receive nothing. So also they speak about Baptism, saying that Baptism is a great thing because if people receive it, they will live....The Anointing is

greater than Baptism. For by the Anointing we are called Christians, not because of Baptism. And they call Christ so because of the Anointing...He who has been anointed has the All; he has the resurrection, the Light, the Cross, and the Holy Spirit. The Father gave him these things in the bridal chamber....

“The Cup of Prayer holds wine, it holds water. It serves as a type of the blood by which they give thanks. And it is full of the Holy Spirit and it belongs to the completely perfect Man. When we drink this, we will take to ourselves the perfect Man. The living water is a body. It is fitting that we clothe ourselves with the living Man. Therefore, when he comes to go down to the water, he disrobes in order that he may put this one on. A horse begets a horse; a man begets a man; a god begets a god. It is thus with the bridegroom and the bride. The holy man is all holy, including his body. For, if he holds the bread, he will make it holy, or the cup, or anything else which he holds, he will make it pure...Everyone who will go into the bridal chamber will be born of light. For they are not conceived from the marriage which is consecrated in the night...But the mysteries of marriage are fulfilled in the day and light. That day or its light does not set. If anyone becomes a child of the bridal chamber, he will receive light. If anyone does not receive it while he is in these places, the world, he will not be able to receive it in the other place. The one who has received light cannot be seen nor can he be held, and no one can torment him, even if he lives in the world. And also, if he should go out of the world, already he has received the truth in images....

“...Blessed is the one who exists before he comes into being. For he who exists, he was and will be.”

These inspired and enlightened words express the message of Jesus and the essence of his teaching. Therefore, let us be

resolved to go forth – our fellowship renewed and strengthened, and our love and joy for one another regenerated. What a symbolically beautiful time of year for this: Springtime, when all things are made new. And let us give thanks for the promise of the Second Advent, as prophesied by Jesus Christ, which has been fulfilled in our special age. What a blessing it is! For how many countless men and women over these past many centuries have longed for and awaited the Second Coming of God – this powerful and profound spiritual Consciousness that is manifesting in the world and permeating all things with an energy never before felt and experienced by the human Spirit? And we are privileged to be a part of it – to assist God in a new way as servants and workers in the New Covenant, which is destined to bring about a new Heaven and a new Earth.

The Eleventh Ode of Solomon with Commentary

“My heart has been pruned and its flower has appeared, and so goodness has sprouted up in it, and my heart has borne fruit for the Lord.

“For the Most High had pruned around me through His Holy Spirit, and so laid open toward Him my innermost being, and so filled me with His deep affection.

“And so His pruning around me became my salvation; and I made my way quickly in His peace, along the Way of True Realization.

*“From the beginning to the end, I received His knowledge,
and I was established solidly on the rock of True Reality,
the solid rock where He had set me up;*

*“and speaking waters touched my lips from the spring of the
Lord, which does not hold back,*

*and I drank and became drunk from the Living Water That Does
Not Die.*

*“And my drunkenness was not the kind that does not lead to
knowledge. Did I not leave behind useless things?*

*And I turned back toward the Most High, my God, and I was
made rich by His gift of goodness.*

*“And I left behind the foolishness that is broadcast upon the
Earth, and then I took it off and cast it away from me.*

*And the Lord renewed me with His raiment, and so acquired me
with His Light;*

*“and from above He revived me with what cannot be corrupted,
and so I became like a land that blossoms and laughs in its
fruits,*

and the Lord became like the Sun upon the face of the land.

*“My eyes lit up, and my countenance collected the dew,
and my breath laughed with the sweet fragrance of the Lord.*

*“And He led me away into His paradise, where is the wealth of
the Lord’s delight.*

And I revered the Lord because of His glorious radiance.

And I said, "They are good, O Lord, are they not, those who are planted in Your land, and have a place in Your paradise, and who sprout up in Your trees' sprouting growth, and have transformed from Darkness to Light?"

"See, all Your laborers are beautiful, they who work good works, and turn away from what is useless toward Your sweetness.

"And by themselves the trees have changed from bitterness, once they were planted in Your land;

and they all exist as a remnant of You, and an eternal remembrance of Your faithful servants.

"How great is the space in Your paradise! And what place in it lies idle? Is it not all filled with fruit?"

"Radiant splendor is Yours, O God, the everlasting delight of paradise!"

Hallelujah

-From the Forgotten Books of Eden, Translation by RF Robert Petrovich

My Heart Has Been Pruned

The Odes of Solomon describe one person's journey of Spiritual Enlightenment. Like most scripture and other books of such information, it is written in mostly allegorical language. A real spiritual student will make sense of the allegories, whereas most others will not. Here, the writer is not talking about a literal pruning, nor about the physical heart. He is talking about a cleansing of the soul and mind, removing anger, jealousy, and all other negativity, leaving behind, love, tolerance, peace, and humility. God does this, the quote says, through His Holy Spirit, Which is another way of saying

through His Light and Knowledge that is sent to us through Divine Light.

Rock of True Reality

When you have received God's gift of Knowledge, the kind of true Knowledge that the Gnostics call Gnosis, you are on an allegorical Rock of Reality because you know that this knowledge is real, true, with no opinions, speculations, or theories. It's Truth in its purest form. It reveals the true Reality of Heaven and Earth to us.

Spring of the Lord

This allegory refers to the Divine Light that "flows" to us from God through the intermediary of the sun. The Fountain of Youth is another reference to this Light.

Land that Blossoms

A person who becomes spiritually enlightened is like a land of blossoming flowers. We blossom with love, peace, and joy when we are enlightened. Like some rare flowers, we may take many years to blossom, but the effort required is worth it.

His Glorious Radiance

Again we see God being described with words that relate to Light because Light is the true face of God, the true image of God. We were once beings of Light also and we can become such beings again.

The Great Space of Paradise

The ode says that Paradise is a great space, which it is because it is unlimited by space and time being spirit, not matter. It adds that it is filled with fruit and no part of it is idle. Heaven is not a place of idleness, but one of motion, and the "fruit" found there is the souls of those who have achieved complete enlightenment, awakened their Christ Consciousness, and now dwell in Heaven with God and the

Angels.
