### **The Origins of Cosolargy**

#### ***Quotes from Gene Savoy, Sr.***

"From a study of Jung, Savoy reasoned that psychology had not become a real science of the mind and psyche, nor attained such heights as had the natural sciences in matters of physical reality. To do so, it would have to achieve what classical physics had with the discovery of radioactivity. This would entail the framing of a science of soul, all art of spiritual birth, a technology that would put the soul in contact with the creative forces and energy of the

universe."

### The Origins of Cosology

#### *Quotes from Gene Savoy, Sr.*

"In this last and final age of the world, the Universal Religion, the True Religion, has come one more time from the mouth of God the Father+, manifest through the Living Christ+ and the Sun of Righteousness+. And the sign is the Cross of Enlightenment+, which shall be seen by all peoples by means of their spiritual sight. Man may be regenerated because of this Religion, turning from destructive ways and regaining the Way to Salvation. Many religious and civil leaders, believing that things will continue as before, shall try to impose themselves in the era of Christ+ by clinging to the old and attempting to tear down the new. Know that they have no authority over this Religion. Those who would speak against the Apostles or Ministers of this religion cannot darken God's Light+, which is irresistible and more powerful than worldly powers. It comes to alleviate the ills of the world and is therefore truly universal. All prophets of all ages—the Holy Spiritual Order of Elders—who have risen in the Light+ shall manifest in the Sun+ with Christ+. They do this to restore man, their younger brother, who has lost his way."

### The Origins of Cosology

#### *Quotes from Gene Savoy, Sr.*

"As the senses of the material body have perceptual experiences, as the mind reasons or thinks, remembers or wills, the Spiritual Body shall perceive, and man's Spiritual Consciousness shall understand and commune with God. Know that was experienced by ordained teachers who came to instruct men and women in the will of God; yea by Jesus and the prophets of your own religion as well as by those Teachers of other world religions. The incarnation of Christ, as a Universal Spiritual Force, is not the property of any one religion or of any one man or woman. Christ is the Consciousness of God the Father, who gives life to His Spiritual Beings as your parents gave you life; for you were not self-generated, which proud men forget in their selfish lives, losing sight of their spiritual origins. Know you that the Spiritual Senses are as different from the material senses as man is from God Who gave him life. No person can commune with God by means of the physical senses. It is for this reason that man has misunderstood the Prophets; for man is unable to comprehend God having fallen away from the Life of Righteousness."

### The Origins of Cosolargy

#### *Quotes from Gene Savoy, Sr.*

"Again the Voice spoke, and it was like the sounding of a loud trumpet: 'The Hebrew Prophets, through whom God spoke, wrote: "behold, the day cometh that shall turn as a furnace, and all the proud and wicked will be like stubble. And the day that cometh shall burn them up, saith the Lord of Hosts, that is shall leave them neither root nor branch. But unto you that fear my name shall the Sun of Righteousness arise with healing in its rays, and you shall go forth leaping as calves to pasture. And you shall tread down the wicked, for they shall be as ashes under the soles of your feet in the day that I am preparing, saith the Lord of Hosts."

"And did not Jesus, my beloved Brother of Light, answer as recorded in the Books, when questioned about this future event? "The coming of the Son of Man will be like lightning coming from the east and flashing in the west. Wherever the corpse is, there shall the vultures gather. Immediately after the tribulation of those days, the sun will be darkened, the moon will not give its light, and the stars shall fall from the sky, and the Powers of Heaven shall be shaken. And then the signs of the Son of Man will appear in Heaven and all the people of the earth will beat their breasts, and they will see the Son of Man coming in the clouds of Heaven with great power and glory. And He shall send angels with with the sound of a loud trumpet to gather His Chosen from the four winds, from one end of Heaven to the other,""

### The Origins of Cosology

#### *Quotes from Gene Savoy, Sr.*

"All spent the day and night in prayer, fasting and mindful of the events predicted by the Angel+. And when the second day of February dawned, the sun burned bright in the heavens. And they did return to the tomb and there awaited the promised event, And at noon, when the tomb cast no shadow, behold a great halo formed around the sun. They stood breathlessly looking in wonder and awe. Then a circle of rainbow colors, like crystal spheres, blue at the center and red at the outer edges, encircled the sun. In the heart of a radiant globe, a white cross+ appeared. And they feared the Last Day was upon them. And they trembled, forgetting the promise of the Angelic Host+ and he messages of the Child+ [Jamil]. For an hour, the heavenly blaze burned in the firmament. And the Man [Gene Savoy] looked upon the sun, and the image of Jamil+ appeared across the sun, radiant beyond words—his countenance bright, and his hair white as snow. And The Child+ was holding the Sun+ in his arms, over his heart. And The Man saw a gate to another world. Again he saw the four Guardian Angels+ around The Child+ and on the right hand side of The Child+ he saw the image of Jesus+ and the Apostles+ witnessing his appearance. And he heard the voice of Jamil+ as music, speaking to the Light+ of his Eternal Soul+, saying 'I am resurrected.' And the disciple knew that The Child+ was redeemed from the earth."

### The Origins of Cosology

#### *Quotes from Gene Savoy, Sr.*

"When night was come, the earth rocked to and fro as if seeking to unite itself with the Light+. And the stars fell from Heaven+ in a great shower. And an angel+ appeared to The Man [Gene Savoy, Sr.] in his dreams saying that he should await the signal from God+, the Cross+ by which the world was enlightened, at the tomb of The Child+ [Jamil] two days hence.

With the coming of dawn, the members of the household arose with the sun. And when they entered the garden, they found three rose bushes in bloom; they counted two roses of white, five red, thirteen yellow, and twelve pink. And they were amazed that all the shrubs had flowered from one day to the next in the whole village."

### The Origins of Cosology

#### *Quotes from Gene Savoy, Sr.*

"At three o'clock in the afternoon they closed the tomb. An undisturbed quiet enveloped the height. In the course of time, they heard a great fluttering as if of wings, and, looking upwards, they saw a great multitude of eagles and condors silhouetted against the heavens, tracing a large circle above the tomb. And their numbers darkened the sky. Rare birds of all assortments banded together, filling the branches of the eucalyptus trees, some chattering exuberantly, others singing blithely. An unseasonable swarm of gilded butterflies clustered about the sepulcher, turning it a golden color, and they were left unharmed by the birds. And a glowing hummingbird flitted about the crypt. And they saw a great dove across the face of the sun."

### **The Origins of Cosolargy**

#### *Quotes from Gene Savoy, Sr.*

"From the events that have transpired, we know that the Spirit of God+ manifests in different forms--as Christ-like Beings+ who live among us for a short time and direct us to the Godhead+. Christs are all one, undivided. It is only their human nature that separates them in certain times and places. These things we have learned. We have gathered here to return the remains of the outer form of the Child+ [Jamil] to the earth. The inner personage has returned to the Worlds of Light+ whence he came, forever freed from the power of death. Yes, the spirit will live on. This you must all believe.

#### ***Quotes from Gene Savoy, Sr.***

"And The Man, speaking with an awakened spirit, placed his hand on the sepulcher and continued: "This Child+ was a Teacher of divine concepts who assumed painful but necessary human form as an instrument of God.+ Following his mission, he has abandoned this world. From him we have learned the meaning of Christ+—that the office of Christ+ is assumed by many. Surely Christ+ has returned to the world as was promised by the Prophets. Some will say that Jesus+ or Buddha+ or Elijah+ or Viracocha+ or Zoroaster+ returned in the form of a child, but we now know and understand how God,+ having no form or substance, clothes Himself in terrestrial garments, thus becoming visible to man. Yet God+ is one and undivided."

### The Origins of Cosolargy

#### *Quotes from Gene Savoy, Sr.*

"The Man [Gene Savoy, Sr.] and The Youth, who bore the casket, fell to their knees three times, and their strength did ebb. During life, Jamil+ had been light as the wind; in death, his fragile remains had become heavy as stone. And they were mystified.

"They reached the burial ground at the summit, and sat down to rest at the base of a great rock hewn by the stone masons to form a receptacle for The Child.+ Few precincts of the world could equal the natural beauty of the hill which, from earliest times, had been a holy shrine to the people. Situated in a time-honored spot, known as the spacious land between the four rivers, with the towering snow-capped Andes visible to the north and the spreading fertile valleys lying to the south, the pinnacle caught the first rays of the rising sun as it came up over a green height to the east, and it remained illuminated while the sun inclined toward the west disappearing behind the purple heights of the Cordilleras. And when the moon arched through the sky, it could be seen clearly day or night from one end of the horizon to the other. No king could claim a more venerable resting place for his earthly remains."
