Excerpt from Project X - The Search for the Secrets of Immortality

"The spiritual universe cannot be described in the scientific terms of the material physicist. It can only be described in a mystical language understood by spiritual consciousness. If this consciousness is not developed by means of a transformation of man's spiritual potential, there can be no understanding; none but the enlightened can hope to understand. Therefore, the role of any mystic religion is to teach man how to attain this transformation of self. The old priests of Athens, who came under strong criticism by the scientist, and the layman who is often influenced by scientific thinking, knew and know the dangers of the materialistic attitude. This attitude devalued man, made an animal of him, and brought him down from his celestial abode."

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"THEY WERE GUIDED to New Smyrna, Florida, where they lived in a home on a hill of thickets next to the sea. And there, the cool breezes of the ocean and sunlight did strengthen The Woman. One night a brilliant ball of white light appeared from the east out of the sea and burned above The Man on the beach. And he made a sign over his breast with his right hand and looked towards the circle with a prayer on his lips, pondering its meaning. And on the morning of March 16, 1959, under the sign of the fish, The Woman was with pain. At daybreak, eight months following conception, The Child+ came forth like the rising of the sun, strong and perfect, and many came to gaze upon The Child's+ beauty."

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"One day, while swimming in the sea, The Man caught a glint of a lustrous white pearl lying in an open shell on the bottom of the sea. He attempted to reach it but could not, for a giant shark blocked his way. A ray from the sun penetrated the clear water and struck the gem, and the sea blazed like fire. And a Voice+ came to him: "The pearl symbolizes the True Church. The Child+ will restore and bless it. Seek to protect the treasure." The Voice+ ceased, and the vision of the pearl disappeared while the strong currents carried him back to shore. Shortly thereafter, The Man, The Woman, her son, and The Companions journeyed to America where The Man believed the cooler climate would save the mother and assure the birth of The Child."

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"THEREUPON, The Man's heart began to flutter, and he drew a great breath: he lived. His mind was filled with gladness, and his spirit rejoiced. He rose from his bed and looked in a mirror. Struck by his appearance, he stood transfixed examining the reflected image—a new person. The color of his eyes had changed, and they radiated a Light+. Rebirth had been bestowed upon him. He knew that immortality was a joyous gift granted by God+. It was not a matter of worship or sacrifice, not even a matter of ethics or intellectual striving.*

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"As the Eternal Light+ overflowed his being, a warmth and strength filled him, and he was at oneness with God+. The sun transmitted all the wondrous sounds of the universe at work—a concert of glittering notes that told the story of creation. He was transcended. His eyes had touched his soul with the sun, and, as if his spirit had been imprisoned in the depths of the earth, now it rejoiced, free to raise its wings toward the everlasting Light+ whence it had come.

And the Holy Spirit+, so long at rest within, was revived."

"And across the sun, The Man beheld the faces of the four Angels of Light+ that had appeared to him a year earlier. They spoke as before: "Journey to Peru. There the message of Christ+ will be revealed." Then they left him alone under the light of the eastern sky. Thereafter, it became a ritual for The Man to cast his eyes upon the sun daily at sunrise."

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"ONE MORNING, The Man climbed a hill to collect his thoughts and plan how best to serve God+. He often went to the forested crest, to a cave that harbored an image of the Virgin Mary. Reverently, he lit a candle and arranged a bouquet of flowers at the foot of the statue. Kneeling, he took his rosary and prayed. He remained on his knees a long time. He might have remained longer had he not felt the warmth of the rising sun falling on his shoulders and heard the songbirds saluting the golden orb. He then turned from the statue and walked over to a ledge and stood looking down upon the sleeping city, blinking in the bright light. He closed his eyes and listened to the sounds of wildlife rustling in the first light of dawn.

A soft breeze began to blow across his face, and the tree branches above his head danced about. The gilded rays fell on his eyelids, and he had an urge to look into the golden disk. As he slowly opened his eyes, he saw the whole horizon aglow with light. Below, the woods and grasslands, wet with mist, glistened like a carpet woven from millions of sparkling diamonds. Out of the corner of his left eye he caught sight of the delicate webbing of a spider holding dew drops, reflecting a rainbow of colors as if made of prisms.

He looked directly into the sun. A kaleidoscope of colors and geometric patterns swam before his vision. Like miniature suns, his eyes were linked to the greater Light+; they became part of a galaxy of stars, revolving around the center of the universe now throbbing as a heavenly heart."

Cosolargy.org Expanded

The Community's web site Cosolargy.org has been expanded recently.

The web site has been slightly reconfigured and two new pages have been added. One is a page addressing the controversial

issue of [climate change](#). The other is a [shopping page](#) that offers the first three of a series of eBooks.

One is [Living the Life of Light](#), a translation with commentary on the Odes of Solomon by Robert Petrovich. The other books to be offered are by Gene Savoy Sr.

The primer texts previously offered to the public in print format are now available again to the public in the less expensive and more easily distributed eBook format. The first two primer books to be offered are [Project X: The Search for the Secrets of Immortality](#) and the [Scholar's Edition of the Decoded New Testament](#). Soon to appear on the pages as well are the Millennium Editions of the *Decoded New Testament*, *The Lost Gospel of Jesus*, and *The Essaei Document*.

Two books on Gene Savoy's explorations – *On the Trail of the Feathered Serpent* and *Antisuyo* – will be the final two eBooks offered on the web site in this first series of electronic publications. *Antisuyo*, a recognized classic among books on exploration, has been out of print and a rare book for decades. The electronic publication will help to make Gene Savoy's early findings in Peru more easily accessible to the public.

Also planned for the future, perhaps as early as this year, are the book *Jamil: Child of Light* and a fresh companion volume to this text.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

The voice of the Angel+ spoke from within his being saying: 'TheNew Advent+ is approaching. One will come into the world to teach the spirits of men and to inaugurate a Christ Age.+ From earliest times it has been written that God+ shall send a Holy One+ at a time when the sovereignty of the world will have passed over to Christ+ and the consummation of time will have occurred. A Religion of Light,+ animated and inspired by the powers that brought man into being, shall manifest through the Sun of Righteousness+ and will give birth to luminous creatures longing for unity with God.+

'The Eternal Child of Light, + seeking to restore the world, will put on terrestrial garments and appear as other men; he shall give sight to the spiritually blind. And in this day of days, the treasure of Manna+ will descend from on high, and the days of the Visitation+ will have begun. That which was dead shall live again. The Seals+ shall be opened.' Having said these things, the Angel fell silent.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

During the night of January 21, 1956, five months following the Second Omen+, a Third Omen+ manifested. The Man awoke from a sound sleep to discover the room flooded with a brilliant white Light+. Sitting upright in the bed, he stared at the center of the brilliance; though brighter than the noon-day sun, it did not hurt his eyes. It was not an earthly light; rather, a luminosity from some heavenly realm. As his eyes became accustomed to the radiance, he distinguished four illuminated faces forming as a vision with features so smooth and flawless they might have been formed of polished gold. They gazed upon him with iridescent eyes that shone like diamonds. Their attitude was serene and compassionate, and, though they seemed to be smiling, The Man never saw their lips move; nor did they speak. Looking upon the holy scene, he stretched forth his hands and cried out: "Father+!" in recognition of the Angels of the Lord+. While The Man beheld The Light+, transfixed by its breath-taking grandeur, a fifth angelic figure moved forward and stationed itself directly in front of him. The glory of the Being of Light+ shone around, and its eyes blazed like the sun. As he gazed into the Light+-invested Countenance+, The Man was aware that the angelic form was communicating with him through beams of Light+ shooting out from its eyes. In that moment he transcended the limitations of his material body. His physical mind-body was being nourished by the central Light+, and he lost all need of breathing. Time ceased. Overcome by the celestial presence and the pervading Light+ that covered him like a mantle, shutting out all else, The Man was joined with the Godhead+ through a Spiritual Consciousness+. And he knew he was partaking of a Holy Communion+.
