The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"All spent the day and night in prayer, fasting and mindful of the events predicted by the Angel+. And when the second day of February dawned, the sun burned bright in the heavens. And they did return to the tomb and there awaited the promised event, And at noon, when the tomb cast no shadow, behold a great halo formed around the sun. They stood breathlessly looking in wonder and awe. Then a circle of rainbow colors, like crystal spheres, blue at the center and red at the outer edges, encircled the sun. In the heart of a radiant globe, a white cross+ appeared. And they feared the Last Day was upon them. And they trembled, forgetting the promise of the Angelic Host+ and he messages of the Child+ [Jamil]. For an hour, the heavenly blaze burned in the firmament. And the Man [Gene Savoy] looked upon the sun, and the image of Jamil+ appeared across the sun, radiant beyond words—his countenance bright, and his hair white as snow. And The Child+ was holding the Sun+ in his arms, over his heart. And The Man saw a gate to another world. Again he saw the four Guardian Angels+ around The Child+ and on the right hand side of The Child+ he saw the image of Jesus+ and the Apostles+ witnessing his appearance. And he heard the voice of Jamil+ as music, speaking to the Light+ of his Eternal Soul+, saying 'I am resurrected.' And the disciple knew that The Child+ was redeemed from the earth."

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"When night was come, the earth rocked to and fro as if seeking to unite itself with the Light+. And the stars fell from Heaven+ in a great shower. And an angel+ appeared to The Man [Gene Savoy, Sr.] in his dreams saying that he should await the signal from God+, the Cross+ by which the world was enlightened, at the tomb of The Child+ [Jamil] two days hence.

With the coming of dawn, the members of the household arose with the sun. And when they entered the garden, they found three rose bushes in bloom; they counted two roses of white, five red, thirteen yellow, and twelve pink. And they were amazed that all the shrubs had flowered from one day to the next in the whole village."
