CŌSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

Monday, June 20, 2017

Tomorrow are the planet's two solstices. For Community members in the Northern Hemisphere, it is the longest day of the year; and for our members in the Southern Hemisphere, it is the shortest. We see much change on the planet – more and more every year. Climates everywhere are in flux. These changes have been predicted to occur. We know that the world cannot change the events which are destined for it. We can, however, assist the Powers of Light for goodly change. People of ignorance have corrupted the earth and defiled its life. The environment is in rebellion. Ungodly men and women have broken the Holy Covenants. The Powers of Light are not pleased.

But, it has been predicted in times past that the sun of the earth will intensify in heat and magnitude. This New Sun will act to cleanse and purify the earth and its peoples. It shall be as balm – a blessing – to those of Light and Goodness and a curse to those of Darkness. The Sun shall be brilliant and an instrument of righteousness to those of Light and, in due time, will burn up all wickedness. This is the time of the tribulations I spoke of last week – the beginning of the great spiritual battles spoken of in times past being waged between the Powers of Light and the Powers of Darkness.

Goodly men and women shall not be harmed by the intensifying light, whereas others will be maddened by its brilliance, heat and intensity. The signs of these occurrences have been many, yet people are blind to the reckoning of them. However, with the coming and appearance of the Sun of Righteousness and the Cross of Enlightenment, all people everywhere can be cleansed and made new – regenerated as Beings of Light and restored to spiritual Life!

The birth and life of this Community of Light are dictated by certain cycles and signs which are regulated by the sun and the stars at the direction of the Godhead for a goodly cause and purpose. If it were not so, The Community would have ceased to exist long ago. The events many of us have witnessed over the decades are determined by manifesting forces and the

configurations of celestial bodies which move by the will of the Powers of Light.

These pains that the earth suffers are the birth pangs of a New World, for the Sun of Righteousness will change and transform all things. The Righteous and the Wise will be strengthened and will shine forth as Light, while those of Darkness will be troubled at the events their materialism has no control over.

The message for today is this: You are the Righteous. You are the spiritually Wise. Shine as the Light for the Angels of Light guard over you. Bathe in their blessings.

Once again, please feel free to ask me any questions by calling 775-786-7432 or emailing me at messages@cosolargy.org. I am always at your service.

COSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

Monday, June 12, 2017

Today I am pleased to report that last week was a week full of positive news for The Community.

First and foremost, we received official documents from the Mexican government on our incorporation there as **Cosolargy Internacional, A.C.** We also received the recorded Deed of

Trust to the property in El Cardonal in the state of Baja California Sur in the name of our corporation and made the first monthly payment on the property.

Second, The Community prevailed in a lawsuit that was filed against us in January of this year which sought to encumber extensive property of the Church and which also questioned our internal affairs and government. The suit was dismissed by the state district court here in Reno. The winding up of the lawsuit at this point are mere formalities.

Third, attorneys working for The Community in Auckland, New Zealand finished drafting our incorporation papers, which were signed on Saturday, June 10. While we have yet to ultimately determine what our course of action will be "down under," it is important for us to establish ourselves wherever and whenever the correct opportunities arise.

Last, you may know that I have been writing a book since my return from hospital in San Diego last December. While I was there, I retained a literary agent who has been coaching me to write the book. The first draft has been completed, and it is now in the professional editing stage. I hear that there are some publishers who may be interested in it. We will see.

Nevertheless, these are all things to celebrate and be grateful for.

We have been touching lately on the concept of the End Times and the Second Coming. The end of days, or the End Times, is the time that precedes the Golden Age of Light, which is the Second Advent; that is, the return of all life to the Original State which was the First Advent – the Original or First Creation of Light. However, intermingled in these two cosmic events of Rebirth which co-mingles Spirit with matter, is the Great Tribulation.

The Tribulations were foretold by the prophets of old. The planet is definitely in this period of strife, turmoil and

destruction. As great battles are taking place here between man and nature, so these battles are also being waged among the Powers of Light and Darkness in the higher dimensions. However, we do know that, in spite of the Tribulations, God is using His Supernatural Powers of Creation to redeem Souls that are part of His Spiritual Kingdom – redemption thus being placed outside the realm of formalized doctrine and the established religions of the past.

The Second Advent of **God**, which was the basis of the Ministry of Christ, Jesus, was that **God** Himself would manifest through the Sun of Righteousness to intercede as Messiah, Savior and Redeemer of the entire human family for the final and ultimate Restoration of the Creation gone astray. The Kingdom of Light, although co-mingled with matter, is not part of the physical universe and is unattainable by the natural senses, emotions or mind. It is only attainable by the awakened Spirit made a Conscious Soul brought to birth by God's Image and Word appearing in Divine Light.

As Cosolargy teaches, this birth is the result of a creative reproduction in which the living, breathing Soul arises from a union of human Spirit and the Seminal Reason of God's Word transported by the image of solar light. Seminal Reason, within the agency of light, impregnates the fertile Spirit, and a new Soul is conceived. In its initial stages of development, the Soul receives its nourishment from the sun. In later stages of maturity, it feeds on the Divine Presence in the Spiritual Sun, a source of light and energy in the Spiritual Universe.

Jesus taught on this Divine Process of procreation and rebirth of the Soul as essential to immortality. We, in the Second Advent Ministry, which is heir to Jesus' Ministry, teach the same process by means of the System of Cosolargy and the Sacred Teachings of Light.

We will touch more on this next week. In the meantime, ...

Second Advent Pentecost

Today, Pentecost in the Second Advent Community, marks the fiftieth day after True Easter, according to our Sacred Calendar. Members of The Community gathered for Sunrise Divine Service this morning at the Consecrated Sanctuary of Prophecy

at the Church of New Pentecost and beheld a luminous sun, the image of Divine Light, filled with love and goodness. The Community, not only here in the high desert of Nevada but indeed all around the world, received many blessings today.

As we listened to the hand bells, the singing bowls, the harp, the chants of the Ministers, the songbirds filled with joy, and the hooting owl overseeing us, I recalled this day thirty-five years ago when The Man, my father, scaled the precipice of the Temple Mount after the service with his Staff of Office made of bronze and juniper wood. We all knew it was a special day following the Revelations received seven weeks before at the Seven Churches of Revelation at the north Sanctuary.

We were to learn later of what was revealed to him on that day. It is recounted in *The Book of God's Revelation: The Seal of God's New Law*. It was indeed apparent that the Divine Presence had blessed the Sanctuary and would continue to do so as long as only but the Righteous "look upon the Image I have made for a blessing over the land."

The Book further goes on to say, "'This day a gift is bestowed upon the Church of My Second Advent. The Light of the Sun in the Eight Appearances shall make wise the Souls of the Righteous who will have understanding and knowledge of God. United they shall be by Spirit, bonded together as One in God, and there shall be no diversity amongst them.

"The Spirit of God is poured down upon His People who hear God's Word. Let the Righteous seek out the Temple and be anointed by God for an earthly mission to make Righteous the peoples of the world." 'And from out of the cloud The Man saw a heavenly city formed by shafts of light descending from the sun. And he saw that City hovering over the Sanctuary and the Temple Mount of the Sanctuary, with its mounts, were united by those shafts of light. And the shafts of light shone like blue pillars of sapphire reaching toward the sun. After a time the invisible City that had appeared returned to Heaven, but the

light remained on the seven mounts in the likeness of thrones. And The Man heard The Word speaking to his Soul saying, "The Heavenly City of Light made visible by God shall be hidden to all but the Companions of The Way, anointed...The True Temple of God is the Light of His Image and Word, and the True Temple of man is the Soul wherein dwells The Image and The Word.'" "

The entire story of Second Advent Pentecost is recorded in the Book from pages 109-171, which follows the Seven Revelations to the Seven Churches on the Seven Mountains of Metal. I highly recommend you take time this week and refresh yourself with the inspiring and prophetic words. I think they will give you added strength. They certainly do that for me, and it is a great joy and privilege of mine to do so each year. I send you my personal best wishes and blessings as we enter a lovely time of year and approach the Summer Solstice.

Appeal for El Cardonal

Satellite image of proposed site for healing center in Baja, Mexico PHOTO: Google Maps

On March 16, 2017 Bishop Gene Savoy Jr sent out an appeal for financial aid to go ahead with the project of building a wellness center and a center for Cosolargy International in Mexico. We are reprinting it here in an edited and abridged form to make it available to a wider readership:

It is my great honor and privilege to announce at this special time in the life of The Church and the history of our Community the establishment of The Church and Cosolargy International in Mexico and Latin America. As you know, we have formed a Mexican corporation named Cosolargy Internacional, A.C. The Community has also recently made a deposit on 2.3 acres of beachfront property in an area north of Los Barriles called El Cardonal in Baja California Sur, about a 45-minute drive northeast of the international airport at San Jose del Cabo. It is a beautiful spot, one on which will be the beginnings of a Cosolargy Center and what we are naming "The Retreat at El Cardonal – Health, Healing and Wellness Center."

Before getting into the details of the purchase, which we need your assistance with, let me tell you a little bit about the importance of Mexico, in my eyes. First, as you may know, I was born in Mexico City in 1971 after my father and mother fled Peru in 1970 when the military takeover of the government and other situations forced them to leave. It was a devastating time for my father because he really was in love with Peru; but destiny had another plan for him and The Community.

It is an important part of our mission as Cosolargists and representatives of the Second Advent to spread the Teachings of Light and the System of Cosolargy to as many people and nations as possible. We know that our Teachings need to be presented in other languages besides English; and we also know that we must establish branch Communities throughout the world in specific places, particularly those nations which once were home to the ancient solar orders and high

priesthoods of times past. This has already been accomplished in Japan. We must initially look to places where we have an advantage. Because of our Japanese members, we were able to establish the Cosolargy Institute of Japan in 2010, and because of my Mexican nationality, the Church has been able to incorporate Cosolargy Internacional in Mexico. Other places on the agenda at this time are Ireland and New Zealand. Canada has always been on my mind but nothing has developed there yet.

For the past twenty years, I have been looking for a spot in Mexico knowing that my birthright there is an asset to the Community, which it definitely is. Mexico holds a very special place in my heart as it was there that not only I was born, but where I was baptized. My father immersed me in the waters of the Pacific Ocean outside of Acapulco and later took me to the top of the Pyramid of the Sun at Teotihuacan, placing me as an infant on the top stone and dedicating me to the service of God and the Light.

Over many years, I traveled around Mexico whenever I could visiting various parts of the country: the central region, the Yucatan peninsula, the Pacific coast until I finally was introduced to southern Baja and the Sea of Cortez (Gulf of California). I loved it immediately. I could feel an intense energy there. And, the sun is radiant, soothing, and beautiful.

Last month a company of Community members joined me on a visit to Los Barriles to see and experience the area with the idea of purchasing property for The Community and Cosolargy International. The particular piece of property we were looking at initially did not work out for various reasons. However, the next day we were taken by our realtor to a place 25 minutes north of Los Barriles at El Cardonal. It seemed to all of us that this must be the place! Negotiating with the owner, an 80-year old businessman out of southern California, I was able to secure a deal.

The parcel map of the property shows three elongated beachfront lots, one back lot, and an L-shaped access easement. The asking price was \$500,000 for each of the beachfront lots and \$300,000 for the back lot for a total sum of \$1.8 million. Through our discussions, we were able to settle at a 50{1fa2ef75e2e78439128d99df03acfe1d8ee3047374abe3d4676fe3470f8b909} reduction of the asking price of the entire property. We settled for a total price of \$900,000. The seller, expressly saying he wanted to help our Community, not only dropped his price significantly but also said he would carry the note for 15 years. This was an offer we could not refuse, as Mexican banks generally do not lend on raw land.

As I mentioned earlier, the Church made a \$10,000 deposit on the land which took it off the market and began the due diligence period of 45 days. We had until April 6 to change our mind for a full refund. The additional down payment, due 60 days after the due diligence period ends, is \$140,000. This is what I need your help with. Several members of The Community have already made pledges to support this project.

So let me tell you a little bit of what I envision. First and foremost, this is to be Cosolargy's center for Latin America, at least for now. Many years have been spent diligently translating the Cosolargy Papers into Spanish, so that material is now ready to be presented to the Spanish-speaking world. Second, the definition of Cosolargy is basically healing and therapy. Our System is based on the healing of body, mind, and Spirit by the use of solar, color, light, imaging, and symbolic therapeutics, among others. Therefore, the building of healing centers around the world fits into the mission of the Church, which is to heal people, the world, and the Cosmos and to spread our New Advent Teaching.

The Cosolargy Center in Mexico will be a multi-purpose and multi-use facility. It will encompass not only a teaching center for Cosolargy but also a spa and wellness center that

will employ various types of energetic and other therapies. There will be accommodations for guests, as well as a restaurant and other facilities as we progress with the plan. Another very important aspect of this opportunity is the possibility of a retirement facility for members of The Community in their later years. Such a project has been discussed for many years here in Reno, but quite honestly, with our limited resources and government regulations, it will be a much easier undertaking in Mexico.

Our first task is to raise the money for the deposit already made (\$10,000), the upcoming down payment (\$140,000), closing costs (\$35,000) and title insurance (\$10,000) for a total upfront expense of \$195,000. A significant amount has already been pledged, but we have not yet reached our goal. We need your help. What we can offer you for your donation is a membership package which will include use of the accommodations at the Retreat Center in Mexico and discounts on therapies and other services. Some details are included on the enclosed pledge form. Other information will soon be forthcoming. And you can visit our web page at www.cosolargy.net/mexico.

I thank you for your consideration of this great opportunity to expand The Community and to reach other people throughout the Americas. Hopefully, the Center and Retreat will also serve as a catalyst for others to study Cosolargy and help in The Great Work. I welcome and need your support. Please feel free to call me personally at 775-741-8051 or email me at gsavoyjr@communityofchrist.org. I send you my warmest regards and blessings.

Sincerely yours in Light+,

Gene Savoy Jr.

The editors of the Community Communique hope that you realize the importance of The Community expanding into Mexico and Latin America to further the goals and objectives of Cosolargy by reaching people in the Spanish-speaking world in fulfillment of The Church's teaching mission. And we hope you will donate towards this important cause, which begins with the purchase of 2.3 acres of beachfront property in southern Baja California, Mexico. Contributions of \$5000 or above comes with certain Membership Benefits to the Retreat at El Cardonal – Health, Healing and Wellness Center. We hope to bring you additional information on the project in the near future. And remember: All contributions to the 2017 Mexico Cosolargy Center Property Purchase are 100% tax deductible.

COSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

Monday, May 29, 2017

Easter in the Second Advent Community is celebrated each year on April 18, a fixed day in the solar calendar. As we approach the 50th day, Pentecost on June 6th, I am reminded of these words from our own Scripture, *The Book of God's Revelation*.

"Let each Minister ordained in a Church of the Consecrated Sanctuary go out from the Sanctuary grounds and teach of God's Appearance and Advent...So that America and the nations might receive the Blessings of God, let the Ministers oversee them according to the divine rites of the celebration of the True Eucharist of Light. Let all the faithful be instructed in the Ministry of Righteousness...By these means The Image and The Word assume meaning on Earth in union with God's Image and Word in Heaven....

“John wrote: Behold I come quickly: hold fast that which thou hast, that no man take thy crown. Him that overcometh will I make a pillar in the Temple of my God, and he shall go no more out; and I will write upon him the name of my God, and the name of the city of my God, which is the new Jerusalem, which cometh down from heaven from my God: and I will write upon him my new name. He that hath an ear let him hear what the Spirit saith unto the churches.

“I say unto you The Lord comes in Light in the Sun of His Righteousness and the City appears with the whole host of Heaven.”

These are cryptic and symbolic words that have much meaning. The Seals referred to in the Revelation to John have been broken. That which has been prophesied and predicted, longed for and awaited by generations has become a living reality. We, applying the System of Cosolargy and living the Teaching of Light, exemplify righteousness to the best of our ability. As insignificant as that may seem, we work a great good on the world. Our prayers and reflections to the Sun each day have an impact for good on the planet and the universe as a whole. Our prayers are heard by the Angels of Light. Our Sanctuary is the City of Light on Earth and someday will be a beacon to all the peoples of the world.

The point of today's message is simply this: Keep up your good work!

Once again, I send you many blessings in Light+.
