Elisa Antonia De "Toni" Salvo (1946 – 2015) passed away unexpectedly on January 1, 2015 at Renown Medical Center at the age of 68.

A memorial service was held at St. Thomas Aquinas Cathedral in Reno, Nevada, on Saturday, February 7, 2015, at 11:00 am. A celebration of life reception followed at the Lutheran Church of the Good Shepherd in Reno, Nevada, where friends were encouraged to share their love and stories of Toni.

Bishop Gene Savoy Jr. was honored to be asked to speak at the reception, along with her significant other of 19 years and a childhood friend.

Bishop Gene was happy to have shared Communion with her on Christmas Eve, December 24, 2014 at the Chapel of the Holy Child. This sharing was the last liturgical event she experienced before her passing eight days later on January 1st.

Toni was a member of various churches, and was active in the

interfaith community and the Nevada Clergy Association (NCA). For many years she served on various NCA planning committees and with Rev. Gary Buchanan, music director of the Church, on musical selections and as part of the handbell choir. Most recently she helped to organize the Nevada Prayer Breakfast in April 2014, working closely with Bishop Sean Savoy.

Toni felt a calling to perform and lead music for worship. She was the Handbell Choir Director at Lutheran Church of the Good Shepherd, Reno, a Cantor at St. Thomas Aquinas Cathedral, and recently Choir Director of Spanish Springs Presbyterian Church. In her private voice studio she taught musical artistry, coached students for auditions and performances, and mentored many young voices. Students, colleagues, friends and family will always remember her kindness, warmth, and the depth of her caring.

To allow Toni's beautiful spirit to continue to bless the Reno community, a vocal musical scholarship is being established at the University of Nevada, Reno.

Gene Savoy Jr. Interviewed on “Uncommon Awareness”

Dr. Lorraine
Hurley PHOTO:
GCN Radio

On February 6, 2015 Bishop Gene Savoy Jr. appeared on Dr. Lorraine Hurley's radio program "Uncommon Awareness" on Genesis Communications Network (GCN) Radio in a live broadcast from 5:00-7:00 PM Central Time. Dr. Hurley co-hosted the show with Dr. Dean Lloyd.

The show description reads: "Our guest is Gene Savoy Jr. Gene Savoy, Jr. describes the System of Cosolargy and the solar techniques that are taught by the Jamilian University. This practice leads to development of the spiritual Light Body and plays a powerful role in transcending into higher dimensional existence. Practiced as sun-gazing by many, Savoy is establishing schools through out the world that teach the

techniques of Cosolargy.”

Dr. Hurley said to Gene of her interview with him: “I’m pretty fascinated by what you have shared so far about the sun transmitting information outside what we see and feel. I have been wrestling with the ‘truth’ of what has taken over our world and beginning to see larger cracks in the matrix as evidenced by their escalating lunacy and recklessness.”

Lorraine Hurley is a medical doctor who grew increasingly distressed by the failure of medicine to provide health care. Her show presents guests who share fascinating experiences and evidence that we can be cured. From scientists to practitioners, activists, physicists, metaphysicists, spiritualists, esoteric teachers and healers, they show that natural and alternative practices work and that we are living in a new reality paradigm. Dr. Hurley hopes that what she and her guests share will help launch listeners into a profound understanding of human nature, potential and evolution.

Dean is a life-long professional musician who has been practicing holistic healing for more than twenty years. A board certified acupuncturist, naturopath, radio show host, author, professor, inventor, and philosopher, Dean teaches Acutone to Acupuncturists and health practitioners and has invented numerous musical healing devices, including the Resonance Bell, which he employs in his busy clinical practices.

Reconnaissance in Mexico – January 2015

View of Los Barriles across Sea of Cortez
PHOTO: Gene Savoy Jr

Bishop Gene and his wife, Radheka, traveled to Mexico January 21-29, 2015 on an exploratory mission with the intention of establishing a Community Center there. They were located in the small town of Los Barriles in the state of Baja California Sur, about 40 minutes northeast of the international airport at San Jose del Cabo. Los Barriles is dry and arid and rests on the coast of the Sea of Cortez. The trip from Reno to Cabo takes approximately 5 hours via Phoenix, AZ.

Lagunas mountains, west of Los Barriles

Joining Gene and Radheka was Consociate Humberto Garcia who traveled from Ciudad Juarez across the border from El Paso, TX. Together, they met with an attorney who began paperwork on a non-profit association which will either be named International Community of Christ, Cosolargy International, or Cosolargy Institute of Mexico. Very similar to the United States, the association will have tax-exempt status and donors will be able to claim tax deductions. The original incorporators are Mexican citizens: Bishop Gene, Humberto and Claudia Grady, the wife of Deacon Shane Grady.

In addition, Gene and Humberto also met with real estate agents who introduced them to geothermal areas in the region. Bishop Gene's vision is to establish a retreat/conference center in conjunction with a healing center/spa, much on the same lines as The Community has at Steamboat Hot Springs in Reno.

Some of the positives of the area include: (1) easy access to an international airport; (2) the beauty of the Sea of Cortez; (3) the area has both mountains and beaches; (4) the weather is warm and sunny; (5) a large ex-pat community of Americans and Canadians; (6) English is widely spoken; (7) geothermal/mineral springs; (8) low land prices and building costs; (9) a significant number of people from Reno reside and own homes there; (10) excellent seafood and water sports; (11) organic and natural foods stores and restaurants; (12) safety; (13) an Eastern exposure with good sun and good energy; (14) it's close to other places, such as Cabo, La Paz, El Triunfo, San Antonio, Santiago and Todos Santos; and (14) it sits on the Tropic of Cancer.

We will keep you informed as things progress on this interesting project. Ole!

“Martin Luther King Jr. Remembered 2015”

Unitarian-Universalist Fellowship,

The traditional MLK service and car caravan originated in a new Reno location in 2015. The 29th Annual Interfaith Community Memorial Service will be held at 3:00 p.m. on Sunday, January 18, 2015 at the Unitarian-Universalist Fellowship, 780 Del Monte Lane Lane in south Reno. According to Bishop Gene Savoy, Jr., Chair of the Northern Nevada Martin Luther King, Jr., Holiday Committee, this change from the longtime former venue, Reno's Second Baptist Church, represents a new direction toward wider celebration of the holiday in the Reno area. The Second Baptist Choir will perform on Sunday. The 2015 theme is "Loving All Our Children." The keynote address will be delivered by Dr. Angie Taylor, Vice-President of the Washoe County School District Board of Trustees.

On Monday, Jan. 19, the 17th Annual Community Memorial Caravan will depart from Unitarian-Universalist Fellowship at 10:00 a.m. As always, this year's motorcade will travel the stretch of Interstate 580 which Rev. Onie Cooper successfully campaigned to have named in honor of Dr. King. The Holiday Committee and Memorial Caravan were founded by former NAACP Reno-Sparks Branch President Cooper (1925-2011). Mrs. Mary Cooper continues to serve on the committee.

Details of the MLK program are available in downloadable PDF format <HERE>.
