Following the service of Baptism, the Rite of Confirmation was conducted for Sophia Jamila Savoy in the presence of her godparents, the Reverends Robert Roy and Elizabeth Reece and Ms. Jamila Savoy, and for Bianka Sushil Patel in the presence of her newly appointed godparents, the Reverends Francine and

Robert Petrovich.

Following these services in the Head Bishop's chambers, the private Rite of Anointing took place for Sabrina Josephine Savoy in the presence of attendants and her godparents, the Reverends Francine and Robert Petrovich. The Rite of Anointing preceded the public ceremony of Institution of Acolyte Service for Sabrina Savoy.

Following these private ceremonies, Sophia Savoy and Bianka Patel were presented publically to the congregation in the Chapel of the Holy Child prior to the service of Communion. Their confirmation and presentation indicates that these children have joined the congregation as full members.

Celebration Planned”**

Bishop Gene Savoy Jr., Chairman, Northern Nevada Martin Luther King, Jr. Holiday Committee, called for the formation of the organizing committee to plan January's Martin Luther King, Jr. events, which will include the annual Community Memorial Service and Caravan. The memorial service will be held on Sunday, January 19, 2014 at 3 p.m. at Second Baptist Church. The caravan will take place on the morning of Monday, January 20, 2014.

Pastor Michael Randle and Bishop Savoy have met and are requesting help in forming the organizing committee. This year they would like to see the annual Martin Luther King Jr. events to be expanded and to encompass more people in the greater Reno-Sparks community. They are asking for individuals who are interested in serving on the committee to let them know as soon as possible. The first organizing meeting will be

held on Thursday, December 5, 2013 at 12:00 noon at the Second Baptist Church on Montello Street to discuss theme, program, recruiting a keynote speaker, media coverage, and other topics.

**Cosolargy Online Pilot
Program Ready to Launch**

December 23, 2013

Dear Community Member,

At the General Assembly of Cosolargy meeting on October 2 our technology and business consultants, Empower Consulting Group, introduced those in attendance to the idea of online learning as part of our new global community outreach plan, and at the 4th Annual Conference on the Spiritual State of the World held October 4-6 in Reno, University Chancellor Sean Savoy announced the upcoming launch of the pilot for the first online educational program: *Project "X" Course on Ancient Solar Cultures–Level 1*.

"This program is being planned to involve not only new methods of teaching Cosolargy and presenting our learning materials online but also new ways of reaching out to the world via the Community's web sites. Global outreach and online learning will be a new focus as we take our Community further into the digital communication and information age," said Sean Savoy.

"For The Community, reaching new levels of global outreach is paramount to our future success as an organization with a universal, global Teaching to impart. It is within our mandate to reach people, to take the news of the New Light with its inherent intelligence and information to greater numbers. Using the internet for Community services and programs as well as for our educational programs is quite a complex proposition—but an exciting one.

"We have much work to do as we convert our vast library of

educational services and programs, including The Academy, Project 'X', and advanced sacred programs in Theology, Divinity and Liturgics."

Since July, members of the Jamilian University staff have been on the path of creating a test program—our **"Pilot Project"**—to see how best to present some of the basic solar techniques and theory to new students of Cosolargy. Over the next few weeks, a test group will be introduced to "Week 1" of the online program, based on Project "X" research into ancient Solar Cultures, specifically, the Solar Teachings of the Americas, and will give us their feedback on its design and function.

In the meantime, we would like to share with you a short presentation that is intended to provide background to the undertaking of the Pilot Project— to give you an understanding of the how and why online education will help us deliver and evolve the Teachings and the body of work of The Community and our founder, Gene Savoy Sr., for the global community. The presentation is delivered by one of our consultants from Empower Consulting Group, Carol Vickers.

< [To watch the presentation, please follow this link.](#) >

NOTE: You will be asked to download the presentation, which may take several minutes (depending upon your internet speed). Or you may save it to your Drop Box if you use that program and then watch it from there.

To view the presentation, you will need to have Power Point viewer on your computer. If you do not currently have Power Point, [you may download the program by following this link.](#)
