COSOLARGY NEWSLETTER MARCH 2025

Hello Gene,

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue, we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](#). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"An aroma of azahares, roses, and gardenias perfumed the ether. And when the remains of the Lustrous One+ were brought down, a radiant Light+ shone about his figure, golden like the sun, and they believed his soul had returned. And they likened him unto a saint, for none had seen such beauty before. Lovingly, they wrapped him in cloth and covered his yellow ringlets of hair with a headpiece, placing his remains in a wooden casket lined with soft material of perfect white. And they placed therein offerings of perfume, incense, and flowers. Having done these things they covered the box with glass, for they could not bring themselves to hide his loving face that reflected the benevolent rays of the sun.

"At high noon, the mourners set off on foot toward the high hill overlooking the city, followed by a delegation of villagers. There they would entomb the earthly remains of Jamil+ in an unmarked tomb prepared by stone masons. The Man [Gene Savoy, Sr.] had selected the hill, so often frequented by Jamil+ in life, where the eucalyptus grew. Arriving at the foot of the hill, the procession stopped. The villagers treated them with consideration and left The Man, The Woman, The Youth, The Nurse, the rest of the Companions, and a single stone mason to continue on; for they respected their grief".

Executive Oversee Established

The first official meeting of the Executive Oversee of the Church of the Second Advent was held on December 3, 2024 to expand and replace the existing Board of Directors of the Church. The meeting was held in the Bishop's Chambers at the Chancellery in Reno. The Right Reverend Gene Savoy, Jr, Head Overseer-Bishop, presided. In attendance were The Reverends Robert Petrovich, Elizabeth Reece, Rebecca Willis and Radheka Patel Savoy.

The Executive Oversee is authorized to exist under Title Three of the Constitution and Canon of the Church (Chapter Four, Canon 76A). The Oversee was authorized to exist by Apostolic Decree issued on November 30, 2024. All in attendance agreed that the initial members of the Executive Oversee will be the existing members of the Church Board of Directors together

with the members of the Finance Council.

The Bishop proposed that the Executive Oversee become the Board of Directors of the Church Corporation (International Community of Christ). All agreed. The Bishop explained that this new structure will simplify working with banks and other financial institutions, lawyers, government officials, etc. The Reverends Petrovich, Reece, and Willis are already on ICC's Board of Directors. Reverend Patel was appointed to the Oversee as a new member, as she is an existing member of the Finance Council.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"The Man remained in the upper room the rest of the day, recalling the events that had transpired since The Child had come into the world. When light faded and night came down upon the Andes, he returned to the Garden, now filled with beautiful bouquets of wild flowers plucked from the hillsides by a multitude of Indians come down to honor the memory of The Child. And the flute players, lamenting the passing of the golden-haired infant, and all the other children of the heights and valleys filled the air with selected refrains. And the drummers beat sullenly day and night as if signaling the gods of ascending spirits.

"With the coming of dawn on the second day, Jamil's remains were prepared for burial. And his father, in company with The Nurse, anointed the twelve openings of his immaculate body—his hands, feet, and forehead—with oils and placed salt on his tongue with a precious stone of jade. And while they were doing this, those gathered in the Garden below noted the peace and calm in the upper room."
