COSOLARGY NEWSLETTER SEPTEMBER 2024

Hello Gene,

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue, we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](https://www.cosolargy.org). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

And Jamil+ laid himself down again, calm and peaceful, communing with an unseen force. And those gathered about wept; for the thought of the successor to Christ+ and the Prophets of former times leaving this world caused them suffering. All were humbled by his loving kindness and the bliss they felt in his presence. And The Man did visit The Child+ once more, exhorting him to remain. And Jamil+ arose and stood on weak legs looking at his earthly father and disciple. Then he put the index finger of his right hand to his lips and smiled, shaking his head. And his father was silent.
