WEEKLY MESSAGE: September 28, 2022

CÔSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

Wednesday, September 28, 2022

Let me say how grateful I am to everyone for making this year's Community Convocation and Seminar on Color and Sacred Imagery a resounding success! Please mark your calendar for the next Convocation, which will be held the first week of June 2024.

Let us now continue our review of the Twenty-third Saying of Jamil with The Man addressing the Companions of The Way.

The Twenty-third Saying (Part 6)

“‘Jamil often refers to God as ‘the Father,’ because He is active and He is impregnating us with His Energy and with His Light and His Goodness. The masculine title was given to God the Father, the creative spirit. And we, being of the earth, are considered as the feminine aspect because we are receptive. That is why in ancient times, the Soul was referred to as she – Shekinah. The Wisdom of the Soul was always given the feminine designation. Even the sky and the oceans were likened to the feminine aspect. But the Divine Essence, outside of the sky and outside of the world and of the spirit, was likened unto the Father as a masculine power.

“‘Therefore, we make a Divine Marriage in which we give ourselves over to God. He impregnates our being, a conception takes place, and our spirit is reborn and given life as a Soul. We then become Children of God. We live The Way, we look at the sun and reflect to it, we bring about a change in the sun, the change in the sun affects the world and, very slowly, by our Community effort, the world will change and become restored to Light. How long will that require? I do not know. It will require a Community of men and women to achieve this. And that is basically why the religion of our Church is different from any other religion. We are not solely worshiping God, we are not just practicing our religion as a

social activity, we are actually involving ourselves with God in a very creative manner in an effort to change the world on His Terms, not ours because we do not know what He is going to do with this world.'

"Upon hearing these words, the same Companion of The Way said, 'Then, the preordained, those who will come to The Community, are those who originally lived The Way. They saw God face to face. They lived before.' In reply, The Teacher said, 'The pre-ordained are those people who have been touched by God. Their Souls, their spirits, have been quickened by God to do this work, to come into The Community. The motivation is spiritual, not human. What other reason would they have for serving in The Community, especially in the beginning of its formation? To join as disciples of a new religion requires vision and foresight. There is no instantaneous gain or glory. Indeed, there is much sacrifice. But the satisfaction gained by mutual association with others of one's own kind is reward enough.

"'It is Divine Reason that brings members to The Community, not human reasoning. There is a spiritual beauty about the membership, seen and observed by one another, though perhaps not by the world that loves physical beauty only. As those same people get older, we love them even more. That love is more than physical; it is a real feeling of companionship, of wanting to be with them because they are like we are. Like seeks like.

"'Once the spirits of the pre-ordained are touched by God – by the Mind of His Spirit or Consciousness, those persons are reborn and are able to work in this Church by the knowledge given them by God, not by what the Head Overseer of the Church says or the books given them. They recognize the reality of that knowledge because they know from within that it is true. Those are the kind of people that are going to be required to build this Church. And they are different from other people.

Very truly yours in Light+,

Gene

COSOLARGY NEWSLETTER September 2022

Hello Rebecca ,

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](#). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"THEY WERE GUIDED to New Smyrna, Florida, where they lived in a home on a hill of thickets next to the sea. And there, the cool breezes of the ocean and sunlight did strengthen The Woman. One night a brilliant ball of white light appeared from the east out of the sea and burned above The Man on the beach. And he made a sign over his breast with his right hand and looked towards the circle with a prayer on his lips, pondering its meaning. And on the morning of March 16, 1959, under the sign of the fish, The Woman was with pain. At daybreak, eight months following conception, The Child+ came forth like the rising of the sun, strong and perfect, and many came to gaze upon The Child's+ beauty."

HEAD OVERSEER'S WEEKLY MESSAGE

The Twenty-third Saying (Part 6)

“‘There is a saying from the ancients that knowledge of God comes each day at sunrise, which, if you think about it, is true. We like to believe that God is everywhere, and that God shines through matter, and that the Sun of Righteousness is everywhere, even in the night, which is true. That is a beautiful, wonderful thought. But when the sun comes up each day, and we take its energy, and Light, and Goodness into our beings, those elements are reaching us from another dimension – coming into us from a place outside of this world and actually recreating us, nurturing us, giving us strength, giving us power, and giving us the nourishment we need to understand and know God. Without that Sun, we have no way of ascending to God – no access, no way of hearing, no way of

seeing His Presence. That Sun, in a divine sense, is the Face of God. And that is what the Essenes and, of course, Jesus taught. Thus, the knowledge of this religion comes each sunrise. The ancients gave thanks to the Sun at sunset, thanks to God for having walked with them during the day, and prayed that God would send that Sun to them at sunrise. That was a beautiful thought.

“‘The only way God can accomplish Good in the world is by reaching out to what He created – Man’s spirit and his Soul. That is God’s Property, not the body and not this world. God reaches out to the spirits of humankind to call them; and when we look at the Sun, we receive His Goodness, which is His Word, within our beings. And then our spirit begins to live within us, which means that we then become the only-begotten Sons and Daughters of God, just as the Sun of Righteousness is created in His Image. And this is an entirely different concept in religion: a living religion. God lives each day. God is outside of the power of the old priests and ministries and becomes available to all people equally; but they must live The Way in order to receive His Benefit and Bounty.

“‘In acknowledging the manifestation of the Sun of Righteousness, we, as a Church, make a New Covenant with God. Whereas the Jews made a covenant with their god and consented to follow the rites and ritual laid down by Moses, we make a New Covenant with God, acknowledging the existence of His Image and Word as revealed to us by His Messenger, The Child. We receive the Image and the Word into our beings. We open ourselves up to Him and we allow a rebirth to take place.’”

Today’s message is short, as we are in last-minute preparations for next week’s Community Convocation and Seminar on Color and Sacred Imagery. We are looking forward to seeing those of you who can join us and sending many blessings to those of you who cannot be with us in person. I know we will be unified in spirit through Light. We will resume our weekly messages on Wednesday, September 21st. May God bless you.

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,

Gene
