COSOLARGY NEWSLETTER May 2022

Greetings!

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the Cosolargy International website. It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"ONE MORNING, The Man climbed a hill to collect his thoughts and plan how best to serve God+. He often went to the forested crest, to a cave that harbored an image of the Virgin Mary. Reverently, he lit a candle and arranged a bouquet of flowers at the foot of the statue. Kneeling, he took his rosary and prayed. He remained on his knees a long time. He might have remained longer had he not felt the warmth of the rising sun falling on his shoulders and heard the songbirds saluting the golden orb. He then turned from the statue and walked over to a ledge and stood looking down upon the sleeping city, blinking in the bright light. He closed his eyes and listened to the sounds of wildlife rustling in the first light of dawn.

A soft breeze began to blow across his face, and the tree branches above his head danced about. The gilded rays fell on his eyelids, and he had an urge to look into the golden disk. As he slowly opened his eyes, he saw the whole horizon aglow with light. Below, the woods and grasslands, wet with mist, glistened like a carpet woven from millions of sparkling diamonds. Out of the corner of his left eye he caught sight of the delicate webbing of a spider holding dew drops, reflecting a rainbow of colors as if made of prisms.

He looked directly into the sun. A kaleidoscope of colors and geometric patterns swam before his vision. Like miniature suns, his eyes were linked to the greater Light+; they became part of a galaxy of stars, revolving around the center of the universe now throbbing as a heavenly heart."

CÒSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S WEEKLY MESSAGE

Wednesday, May 11, 2022

Birthday of The Man (1927)

Ninety-five years ago today, my father was born in Bellingham, Washington just 20 miles from the Canadian border. His life was certainly a series of expeditions, quests, and explorations in more ways than one. I always spend the day of his birth contemplating his life and this Teaching.

Today, I write to you from Baja California Sur, Mexico, where I am with our Companion of The Way, Humberto Garcia. We are not far from The Community's property on the Gulf of California; and, after a pause of more than two years, we are solidifying plans for Humberto's relocation from mainland Mexico to our property in El Cardonal.

I will have more information for you once we return and will also, of course, give a detailed report on our mission in Mexico and our other plans during this year's Community Convocation. In the meantime, I leave you with this portion of the Twenty-second Saying of Jamil.

The Twenty-second Saying (Part 14)

"To these words, the same Companion queried, 'Will there continue to be War between the Light and the Dark when the ultimate transformation occurs?' The Man answered saying, 'This struggle between Light and Darkness is already taking place. At the transformation of the material world into Light, the whole material universe will be transformed into Light. Matter will be "burned up" by the Light of the Spirit. There will be no Darkness. There will only be God and His Creation. All will be restored to Light, and perhaps with the knowledge that each Soul has within it, there will never be the need or desire to separate from God again.

"The Image and The Word is a seed that is implanted in the

spirit of man and woman, and that seed grows into a Soul – creates a Soul – and out of the Soul comes Community, and out of the Community comes Nation, and out of the Nation come Nations, and out of the Nations comes one People, and out of the one People comes the Union of God and Man, or God and humanness, or God and spirit. Once this unity is achieved, all the illusion of matter will disappear and be no more, because there will be no reason for it to exist. It is only separation from God that creates the false illusion.’”

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,

Gene

The Community's web site Cosolargy.org has been expanded recently.

The web site has been slightly reconfigured and two new pages have been added. One is a page addressing the controversial issue of [climate change](#). The other is a [shopping page](#) that offers the first three of a series of eBooks.

One is [Living the Life of Light](#), a translation with commentary on the Odes of Solomon by Robert Petrovich. The other books to be offered are by Gene Savoy Sr.

The primer texts previously offered to the public in print format are now available again to the public in the less expensive and more easily distributed eBook format. The first two primer books to be offered are [Project X: The Search for the Secrets of Immortality](#) and the [Scholar's Edition of the](#)

[Decoded New Testament](#). Soon to appear on the pages as well are the Millennium Editions of the *Decoded New Testament*, *The Lost Gospel of Jesus*, and *The Essaei Document*.

Two books on Gene Savoy's explorations – *On the Trail of the Feathered Serpent* and *Antisuyo* – will be the final two eBooks offered on the web site in this first series of electronic publications. *Antisuyo*, a recognized classic among books on exploration, has been out of print and a rare book for decades. The electronic publication will help to make Gene Savoy's early findings in Peru more easily accessible to the public.

Also planned for the future, perhaps as early as this year, are the book *Jamil: Child of Light* and a fresh companion volume to this text.

- April 8, 2022

The combined 2022 Cosolargy Convocation and Seminar will be held in Reno from September 7th through September 12th. This year is a very special year, as it marks the 60th anniversary of the birth of the Sun of Righteousness and the announcement of God's Second Advent. It is also a cosmically important 20-year cycle – the 3rd since 1962. The planned schedule includes:

Residence Training: Color & Sacred Imagery

Part 1 is six hours of oral instruction on the psycho-physical and spiritual bodies; color polarities; demonstrations on the use of gemstones, the sacred thread, and mirrors; and the use of color in ancient medical practices. Part 2 is an expansion of Part 1 in four hours of oral instruction on healing, the use of the sacred thread and vestments, the Pythagorean image of the sun, and the awakening of the force centers.

Readings: The Jamil Commentaries

Originally published in 1973, a series of six moving impressions expressed by people who actually met The Child with a foreword by Gene Savoy Jr., who met and knew each of the six individuals. Included in the commentaries is Jamil's natal chart.

Presentations:

- The Three Communion – Gene Savoy Jr.

A comprehensive commentary on the three communions – the communion of bread and water, the communion of light, and the communion of the Divine Presence – their importance, meanings, and related symbolologies.

- Solar Cultures of Africa – Shawn Smith

Every culture that applied The System has something to offer us. This includes the many solar cultures that existed in Africa. This presentation will focus mainly on the Dogon of western Africa.

- Liturgical Chimes and Hand Gestures – Bruce Kanzelmeyer

Sound, color, and an introduction to chants and gestures used in the Sunrise Divine Service. ([click here for more details](#)).

- Origins of Shingon Buddhism – Yukinori Matsushita

Shingon Buddhism, meaning "True Word," is one of the major sects of Buddhism in Japan and was founded by Kukai (774 – 835 CE), known posthumously as Kobo Daishi, after he traveled to China, where he studied Tangmi under the monk Huiguo and became a Teacher of Light and introduced a solar religion to Japan. His school at Mount Koya has one of the few replicas in the world of the so-called Nestorian Monument.

- What is Metanoia ? – Ted Staver

Exploring the concept of metanoia as it relates to The System of Cosolargy and The Community as a whole: the forms of metanoia; metanoia as regeneration of spirit and a special state of grace that is a blanket over the Community; collective manifestation of metanoia and Shekinah; the oral tradition of the paradosis as the secret of parousia and the means to metanoia.

- The Solar Cross and The Sacred Calendar

"The Sacred Calendar" – Amanda Buchanan

The geometry of the Sacred Calendar, sacred days and how they were derived, the calculation of sunrises and sunsets, and how the calendar relates to the Solar Cross.

"The Solar Cross" – Michael McIntyre

A multi-faceted approach on the symbology of the Solar Cross borrowing from the disciplines of anthropology, cognitive science, ancient texts, geometry, and psycholinguistics.

- The Essene Legacy – Robert Petrovich

Rediscovering, through the Sacred Teachings of Light and the findings of recent scholarship, the power and dedication of the Essenes and Therapeutae.

([click here for more details](#)).

- New Scientific views of Consciousness – Rebecca Willis

A new movement within science is working to overturn the currently accepted materialistic worldview and its limitations on understanding the human spirit. They recognize consciousness as beyond the brain and primary to physical existence. Their work offers new perspectives on consciousness while laying a groundwork for greater receptivity to the teachings of Cosolargy within society.

- State of The Community Address – Gene Savoy Jr.

A report by the Head Overseer on the activities of The Community; on things accomplished; projects in the works or nearing completion; and strategies, tasks, and ventures planned for the near future.

The Twenty-second Saying (Part 13)

“And another of the Companions said, ‘I do not know of any race of people which does not have a religious concept. Is the search for God imbedded in the archetype?’

“‘It is taught in this School,’ replied The Man, ‘that man and woman have a spirit. And that spirit continually yearns to have life and to be nurtured. And that is why there will continually be some form of religious expression, even if it is not the ultimate form. The religions of the world preserve our religious yearnings and make it possible for us to someday find the Truth, because God’s Image and Word will always manifest and He will always send Proclaimers or Messengers into the world to proclaim the Truth. And once that Truth and

The Way are known to man and woman, they will then live it.

“‘This brings us back to the City and the Nation we must found. This is to be a Nation of people of the Eternal Race who are representative of the new people with new sights and new goals beyond politics, economics, and the military. But we can never turn from these things until we are truly spiritual. People in the world today want to free themselves from the control of the State. They want to free themselves from law and order and social restraint and economic control. In wanting to be free, they find or seek escape in the use of drugs, in metaphysical speculation, in materialistic or humanistic viewpoints, in music, art, or poetry. They desire to be liberated – to break away from conformity. These acts only lead them deeper into error of matter and the self. In the end, they become enslaved to their emotions and to their desires. It is almost as if people are seeking their own destruction. They are rebelling because they cannot find ultimate and True Religion. This fact explains the great need for our Church to instruct the awaiting masses of the world. But in order for this to happen, our Church must be totally free to teach the Truth as revealed to us without hindrance.

“‘Our communion of bread and water is a symbol of unity and of our humanness. We ask God to endow that bread and water with a special blessing, which, in a way, prepares us to receive the greater blessing in the Sun of Righteousness whereof we eat the True Bread of Life and drink the Living Waters of God. Thus we have a lower and a higher form of religious expression.

“‘If we as spiritual beings die, we cannot help the world. If we seek our death, we cannot instruct humankind. Therefore, it appears that we must accept our spiritual Origin and Nature as well as our human nature and responsibility to the world to instruct humanity and free them from the Powers of Darkness that hold the innocent in a grip of death. Once we are reborn – made spiritual – we remember our origins and our true

natures and begin to see that we are immortal. As Jesus taught, "Before Abraham was I am."

"By our instructing the ignorant of the world in the Ways of God, this world will change into spirit. First, individuals will collect together into a Community; the members of that Community will collect into a Nation, and that Nation will instruct other nations. Eventually, all the nations of the world will form into a whole, and then God's Word and Image will manifest and engulf the world and it will be restored to spirit. That is the concept.

"Therefore, as men and women of spirit, we must think beyond the Christian religion. We must think beyond any world religion and think in terms of a universal religion. As Americans, we must think beyond America and think in terms of a spiritual Nation. In essence, we are creating or generating a kind of spiritual revolution that will cause men and women to let go of those powers that control them – economics, politics, the military, social restraints – and refuse to be governed by the Powers of Darkness. It is a great war that we are involved in – a war of peace, a war of conquest and of triumph – God's Instruments by which this will be achieved are the Sun of Righteousness and the human Soul.'"

Again, if I may be of any personal service to you, please do not hesitate to contact me.

The Twenty-second Saying (Part 12)

“Then The Mariner said, ‘My mind returns to the difficulty of exemplifying righteousness. Why is it so difficult, and I am speaking singularly, to exemplify righteousness – to live The Way. Also, despite our ideals and our intentions, why is it so difficult to do the proper thing – the right thing?’

“The Man said, ‘The world is a world of matter. And matter originated out of Darkness. Therefore, Darkness is the ruler, the governor, and the god of the material world. This is the first great fundamental teaching that must be acknowledged by all initiates of The Way. The world evolved out of the archetype which was the Fallen Angel, then out of Adam and Eve, the progenitors of the human race. There is nothing Good in the world – only Evil, only Darkness, only suffering, and only pain. If it were otherwise, we would not experience death. Regardless of how beautiful a child may be to its parents, that child will eventually grow, suffer and die. And that child is lost to the parent, as the parent is lost to the child. There can be no permanence in matter. Therefore, matter is not Good, because Good cannot suffer and Good cannot die. That is a fundamental teaching.

“‘Acknowledging and accepting that the world is not a Good place, that the world must be restored to Goodness by changing to Light and to spirit, the teacher – the disciple of God, the minister of God – does not cling to the world. He or she clings to the spirit, clings to God, and is strengthened and nurtured by The Image and The Word of God. One is first spirit and secondly a physical being or a human being.

“‘We struggle in the world because we exist in a world of Evil

and Darkness. The world suffers violence. Men and women who possess great power and wealth suffer and die just as poor people do. There is no real, lasting benefit in the world.

“‘The world is continually at war on greater and lesser scales. The State is at war. The bureaucrats are at war. All are at war with one another. Life forms in the world are involved in a constant vicious cycle of eating and killing other forms by which to live. Everything is based on death. The survival of the fittest is constantly demonstrated in our society and in our social and family life. No matter how much we love our spouse, our children, our brothers and sisters, father and mother, there is continual strife. This is the way of the world – of our human nature – but not the way of our spiritual Nature.

“‘Therefore, we must expect the world to be at war with us – to war with the Church. The Church is obligated to instruct the world by example. The best way to live an example is to be stern, as was Jesus, even if you are killed for it. We need to be stern, to be strict, to lead by example, to organize, and to live in Community, because only by strength of numbers can we hope to overcome the power of the State. The State governs us by numbers.

“‘The world is kept ignorant of God because people are in the hands of the Powers of Darkness. And the Powers of Darkness must always fight against the Light. It is a perpetual struggle. And even if you were to be enlightened and even if you were to become ennobled and become a great spiritual Teacher, you would still have to suffer the indignation, the undignified act of suffering old age and death. In the end, the world triumphs over the body. There cannot be peace or Goodness on earth except in spirit. Therefore, the world must change and be restored to its original state. That is the goal of spiritual Teachers. If we let go of the spirit and cling to the world, we are lost. But though we lose our bodies or our human beingness, if we cling to the spirit, that is where we

find our immortality and our permanence.

“‘In giving The Image and The Word to humankind – to the world – God gives Food for nourishment of the Soul. In other words, God’s Image and Word is food to the spirit. God is what feeds us; not prayer, not devotions, not the sacraments, not the priests of the old church, not anything of the world. If we can understand that it is only God’s Image and Word as our Food and Nourishment that sustains and redeems and restores us, then we can understand the need for living in Community, which allows us to become instruments of change for the world. If Light does not live and exist in the world, then the world will have no knowledge of it; and it is our obligation to give knowledge of God’s Image and Word to it.

“‘That is why we must build a City and a Nation of God. We must dwell in Sanctuary – we need to preserve The Teachings in archives and keep them in existence for the world so they will not be lost. Jesus was killed, the disciples were killed, the first Church was destroyed; and through that destruction, the Teachings of the True Begotten Son of God – The Image and The Word manifest – were lost. And the world inherited a perverted, artificial, man-made religion that people follow, believing it is the Way to God, which it is not. That is a horrible realization once you are reborn and have knowledge of the Truth. Each must hold to The Way and not be weakened by the hold of the world.’”

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,

Gene
