COSOLARGY NEWSLETTER AUGUST 2025

Greetings!

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue, we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](#). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"When night was come, the earth rocked to and fro as if seeking to unite itself with the Light+. And the stars fell from Heaven+ in a great shower. And an angel+ appeared to The Man [Gene Savoy, Sr.] in his dreams saying that he should await the signal from God+, the Cross+ by which the world was enlightened, at the tomb of The Child+ [Jamil] two days hence.

With the coming of dawn, the members of the household arose with the sun. And when they entered the garden, they found three rose bushes in bloom; they counted two roses of white, five red, thirteen yellow, and twelve pink. And they were amazed that all the shrubs had flowered from one day to the next in the whole village."
