The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"In this last and final age of the world, the Universal Religion, the True Religion, has come one more time from the mouth of God the Father+, manifest through the Living Christ+ and the Sun of Righteousness+. And the sign is the Cross of Enlightenment+, which shall be seen by all peoples by means of their spiritual sight. Man may be regenerated because of this Religion, turning from destructive ways and regaining the Way to Salvation. Many religious and civil leaders, believing that things will continue as before, shall try to impose themselves in the era of Christ+ by clinging to the old and attempting to tear down the new. Know that they have no authority over this Religion. Those who would speak against the Apostles or Ministers of this religion cannot darken God's Light+, which is irresistible and more powerful than worldly powers. It comes to alleviate the ills of the world and is therefore truly universal. All prophets of all ages—the Holy Spiritual Order of Elders—who have risen in the Light+ shall manifest in the Sun+ with Christ+. They do this to restore man, their younger brother, who has lost his way."

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"As the senses of the material body have perceptual experiences, as the mind reasons or thinks, remembers or wills, the Spiritual Body shall perceive, and man's Spiritual Consciousness shall understand and commune with God. Know that was experienced by ordained teachers who came to instruct men and women in the will of God; yea by Jesus and the prophets of your own religion as well as by those Teachers of other world religions. The incarnation of Christ, as a Universal Spiritual Force, is not the property of any one religion or of any one man or woman. Christ is the Consciousness of God the Father, who gives life to His Spiritual Beings as your parents gave you life; for you were not self-generated, which proud men forget in their selfish lives, losing sight of their spiritual origins. Know you that the Spiritual Senses are as different from the material senses as man is from God Who gave him life. No person can commune with God by means of the physical senses. It is for this reason that man has misunderstood the Prophets; for man is unable to comprehend God having fallen away from the Life of Righteousness."
