The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"That an authoritative Seer Child should appear in modern times is not without prophetic precedent. The final descent of a cosmic being in the guise of a Child Genius, a bringer of peace and truth, has a long history behind it, spanning many thousands of years. Fragments of recovered Dead Sea Scrolls left by the monks of Qumran, or the Essenes, from which Jesus is believed to have sprung, mention an expected Wondrous Child, a Divine Counsellor, bearing unmistakable body marks, who would come at a future time to inaugurate a new age. Chosen of God, his life and very breath were to be pre-ordained. Like Moses and Jesus, who displayed advanced full-grown natures early in life, the Child Prodigy would attain early maturity in his second year, revealing heavenly knowledge to which the average mortal does not have access. In addition, the heaven-sent Child would serve as a precursor of some great, future cosmic event. (From fragmentary scroll texts from the Qumran Dead Sea Literature.)

"In the Hebrew scriptures, the Prophet Isaiah wrote of a coming new age of peace at a time when "the wolf shall live with the lamb, the leopard shall lie down with the kid, the calf and the young lion and the fatling together, and a little child shall lead them." (Isaiah 11:6)

"Jesus, who often spoke in cryptic parables to his disciples, mentions the coming Child in allegorical terms: "At that time the disciples came to Jesus and asked, 'Who is the greatest in the Kingdom of Heaven?' He called a child, whom he put among them, and said, 'Truly I tell you, unless you change and become like children, you will never enter the Kingdom of Heaven. Whoever becomes humble like this child is the greatest in the Kingdom of Heaven. Whoever welcomes one such child in my name welcomes me.'" (Matthew 18:1–5)"

Divine Reason and the Light of Righteousness

By Gene Savoy, Jr.

Divine Reason

I would like to focus a little on the existence of Divine Reason. It has been asked in scripture, “What shall it profit a man if he shall gain the whole world and lose his own soul?” We can see in our world today that people seek material gain above all else, rejecting the true gain which is immortality of Spirit and Soul. This is primarily true in the Western world where people generally reject the benefits of that state of spiritual immortality – gained while we live in the material world – which is a sharing of Divine Reason that fills the Universe as the sea fills the floor of the ocean.

In the Americas, especially North America, men and women from all over the world have come to the shores of this hemisphere over many centuries seeking a new and free life of plenty. Although this was not true for some who came, for the most part, they found more than their dreams foretold. We have an abundance of all things, and it is not fitting that we reject the greater abundance which God extends.

Light of His Righteousness

But the greater gain is at hand, for God has brought forth the Light of His Righteousness and has filled America with a greater good still. And that greater good is the birth of the Religion of Light come into existence by the Hand of God. And would men and women of intelligence and plenty reject such a gift? All reasoning individuals know that material things are of little good without freedom, love and spiritual values. And if they do not know this, they are, above all people in the world, most miserable. For without embracing the spiritual, all that which is acquired shall be taken away as it was given. To understand spiritual values, Man needs to comprehend Divine Reason. And in order to comprehend Divine Reason, man and woman must be divine.

Cosolargy Facilities Red Rock Consecrated Sanctuary

For nearly 40 years Community Members have enjoyed the serenity of this unique desert Sanctuary spread over 1200 acres in a mountain valley just 20 minutes from downtown Reno, where we meet for beautiful sunrises and Community fellowship. The place to go to be near nature and for healing the spirit. It is a Sanctuary for animals as well as spiritual people, as you can see from the photos and video.

The Sanctuary is divided into two sections known as the North Sanctuary and the South Sanctuary. The South Sanctuary is where most facilities and most events are held including the Sunday Sunrise Divine Service. The primary church at the South Sanctuary is the Cathedral of the Americas where the primary feature is a triune cross 90 feet tall. There are other churches on both parts of the sanctuary and all are open-air churches, meaning they have no roofs to block out the light of the sun. But the sanctuary is more than churches as you can see in the video.
