COSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

COSOLARGY NEWSLETTER DECEMBER 2024

Hello Gene,

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue, we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](#). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"Seeing this, the Master Jamil spoke once more saying:

"Think not that I am being disrespectful; The Word lives in the Spirit of Christ. The Cross lives in God's New Sun. We have come to release the Christians and the peoples of other religions from bondage to words they do not understand. Too long have our brethren been led astray by those who preach from the Books, not understanding the message. For I say unto you that God summons

man to live the Holy Word. We will give a supplement and open the Book of Life, and all the peoples and nations of the world shall understand the hidden meaning of Scripture now given to mankind in the last and final age. And God's New Sun shall scorch the earth with the Heavenly Fire. And it shall be a balm to the Children of Light. And the Dark One shall no longer deceive the world, for all men shall know the truth by the birth of the Cross of Enlightenment.'

"After these words, Jamil spoke the last and final time to his father, saying: 'Now go from here, for your love of me keeps me from my Work.' Whereupon, Jamil called his mother to comfort her.

"And he looked into her eyes and saw not The Light. She was his earthly mother, and his love for her was beyond human understanding—a kind that generates the sun and the stars."
