COSOLARGY NEWSLETTER February 2022

Greetings!

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](https://www.cosolargy.org). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

He [Gene Savoy, Sr.] sought to understand the essence of religion, to go beyond the dogma and theology of the written word. He had read the great religious works of man and discovered that many Prophets, like Akhenaten+, Moses+, Buddha+, Krishna+, Lao-tzu+, Zoroaster+, Mohammed+, Viracocha+ of the Americas, and many others, had brought special messages of God+ to their respective peoples and all shared much in common. What he was seeking, he knew, must come from God+, not through the faculties of cognition or emotion of his own being but from an actualized Spiritual Consciousness+ apart from his physical mind-body. While Holy Men of all ages taught many of the same teachings brought by Jesus+, and shared his fate, he believed that Jesus+ —and perhaps others, too—had transmitted something special that was never put to the written word. Whatever it was, he was certain a scholarly examination would not suffice. The Man put aside his books and gave his very life completely to the Spirit of Christ+."
