COSOLARGY NEWSLETTER MARCH 2023

Hello Rebecca ,

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue, we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

This is the first issue for 2023, a number that equals seven (2+0+2+3) in numerology. Seven is a number of good luck and growth.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](https://www.cosolargy.org). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"In the days and weeks that followed, father and son walked in the meadows and woodlands and often visited the great Temples of the Sun left by the ancient Chavin people who had been masters of the Andes three thousand years before. The Child gazed upon the broken stones and the great granite columns, and he listened to the sound of the wind rustling through the branches of the tall eucalyptus trees that stood like giant sentinels. And he reflected upon the Sun communing in a tongue that only the spirit speaks.

"Shepherds and peasants left their flocks and oxen unattended to walk in the footsteps of The Child. Sparrows and hawks fluttered above. Grazing sheep ran beside him. And the fallen statues seemed to open their eyes, as if the light from his shadow, reflected on their mute faces, awakened them from a long sleep.

"Once The Child came to the edge of a swamp crossed by a stream, and the multitude with him stopped. But The Child proceeded swiftly over it, leaving faint impressions upon the surface. Eagerly, they awaited his return.

"Returning home in the gathering twilight, the father carried The Child in his arms, contemplating the events of the day. That night, The Man [Gene Savoy, Sr.] observed about the cradle a luminous glow made by radiant figures standing around the sleeping Child. They were robed like the Apostles and one appeared to be Jesus administering to the sinless infant."
