In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"From a study of Jung, Savoy reasoned that psychology had not become a real science of the mind and psyche, nor attained such heights as had the natural sciences in matters of physical reality. To do so, it would have to achieve what classical physics had with the discovery of radioactivity. This would entail the framing of a science of soul, all art of spiritual birth, a technology that would put the soul in contact with the creative forces and energy of the

universe."
