## COSOLARGY NEWSLETTER NOVEMBER 2023

Hello Gene,

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue, we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](#). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

### The Origins of Cosolargy

#### *Quotes from Gene Savoy, Sr.*

"The Man [Gene Savoy, Sr.] bent down to take the boy into his arms. And Jamil+ extended his glorified hand to touch his father. And he wiped away his tears with a kiss. Then he stood up and looked deep into the older man's eyes, and The Light+ flashed again. And he spoke to the inner ear of The Man's Eternal Soul+, saying: "Weep not, father, for I shall not pass until the allotted time. If you would mourn, mourn for those poor, suffering souls here. For I say unto you that the mountain

shall fall again in the space of time, long after the memory of what has occurred here has faded from their minds. Nothing shall remain of this city, save the covered remains of the dead and their habitations.

"And men in the four quarters of the world shall weep for these souls, unaware that the dead will be witness to that which is destined for the whole world. And you shall see in time to come that this shall be the beginning of sorrows spoken of by former Prophets inspired by God the Father+. The human family has turned from God+ and trusted in worldly ways, spurred on by the physical sciences that deny that man is the bearer of the human spirit. Some would have the children of God+ believe that man has no purpose, that his identity and self-hood is destroyed with the loss of the physical body. Such philosophy has caused the negation of human feeling, and nature shall respond in like manner."
