The Origins of Cosolargy

Quotes from Gene Savoy, Sr.

"As the senses of the material body have perceptual experiences, as the mind reasons or thinks, remembers or wills, the Spiritual Body shall perceive, and man's Spiritual Consciousness shall understand and commune with God. Know that was experienced by ordained teachers who came to instruct men and women in the will of God; yea by Jesus and the prophets of your own religion as well as by those Teachers of other world religions. The incarnation of Christ, as a Universal Spiritual Force, is not the property of any one religion or of any one man or woman. Christ is the Consciousness of God the Father, who gives life to His Spiritual Beings as your parents gave you life; for you were not self-generated, which proud men forget in their selfish lives, losing sight of their spiritual origins. Know you that the Spiritual Senses are as different from the material senses as man is from God Who gave him life. No person can commune with God by means of the physical senses. It is for this reason that man has misunderstood the Prophets; for man is unable to comprehend God having fallen away from the Life of Righteousness."
