

Cosolargy.org Expanded

The Community's web site Cosolargy.org has been expanded recently.

The web site has been slightly reconfigured and two new pages have been added. One is a page addressing the controversial issue of [climate change](#). The other is a [shopping page](#) that offers the first three of a series of eBooks.

One is [Living the Life of Light](#), a translation with commentary on the Odes of Solomon by Robert Petrovich. The other books to be offered are by Gene Savoy Sr.

The primer texts previously offered to the public in print

format are now available again to the public in the less expensive and more easily distributed eBook format. The first two primer books to be offered are [Project X: The Search for the Secrets of Immortality](#) and the [Scholar's Edition of the Decoded New Testament](#). Soon to appear on the pages as well are the Millennium Editions of the *Decoded New Testament*, *The Lost Gospel of Jesus*, and *The Essaei Document*.

Two books on Gene Savoy's explorations – *On the Trail of the Feathered Serpent* and *Antisuyo* – will be the final two eBooks offered on the web site in this first series of electronic publications. *Antisuyo*, a recognized classic among books on exploration, has been out of print and a rare book for decades. The electronic publication will help to make Gene Savoy's early findings in Peru more easily accessible to the public.

Also planned for the future, perhaps as early as this year, are the book *Jamil: Child of Light* and a fresh companion volume to this text.
