

EASTER MESSAGE: April 16, 2020

CÔSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

HEAD OVERSEER'S SECOND ADVENT EASTER MESSAGE

April 16, 2020

This Saturday – April 18th – we of this Community will observe True Easter according to the sacred solar calendar. We will assemble and greet the rising Sun at the Consecrated Sanctuary with liturgical prayers, sacred music, chants, bells and crystal bowls and receive the blessings emanating from out of the Sun of Righteousness. We will pray for healing and consolation in the world, for the enlightenment of the human family, and for the health of all our members around the world.

I've spoken often about the madness permeating the world, and I'm sure you have seen this more and more as people are being affected by the various quarantines imposed upon us all. It seems that peoples' mental, emotional, and psychic illnesses are becoming more apparent as they are sequestered and "normal" life is dramatically changed. Rather than taking this time to reflect on themselves and the ills of the world – how to make the planet a better place, what steps they need to take for their own spiritual growth and awareness, etc. – they are all too eager and ready to go back to the madness. They immerse themselves in the newsfeed and can't wait to run back into the chaos.

Last week, I turned to the First Prophecy to the Americas and was reading from Chapter 9 which says, in part:

No man knows the dangers that face the planet by the rebellion of nature which is already beginning to manifest. First earthquakes, then climatic changes, then famine, disease, then a madness from the rays of the Sun penetrating the altered atmosphere, All these first signs are to be mild in the beginning.

But I say unto you that all life will rebel, ceasing to exist like the flame of a candle snuffed out by a strong wind. Just as life came into the world by the breath of God, so shall it cease by the withdrawal of that breath. And men will be greatly perplexed. No man has seen the things of which I speak.

I find these words quite profound. If you have the time to read Chapter 9 in its entirety, I highly recommend that you do so.

It has also strongly come into my mind that those who ignore the commandments of God given through the Word manifest in His ascendant Sun of Righteousness, which even now is transforming the world, are not immune to its effects. It is not a matter of whether people accept the Sun of Righteousness, believe in it, or not. God's Word comes forth regardless and permeates all of Creation. It is unfortunate, however, that His Word is incomprehensible to people of ignorance, impiety, and irreverence to Him; and that this ignorance, impiety, and profanity – which is ugliness and ungodliness – is resulting in a most harmful mutation of being that is most obvious even to the casual observer.

No one on Earth under the Light of this New Sun will benefit from wrongdoing and materialistic ends any longer. As I have mentioned before: Some judge God and say that if Evil and Darkness exist then Evil and Darkness must be equal to God. This is not true, of course. But although

Darkness and Evil do indeed exist, it is only because of Man's continued wrongdoing, error, and the breaking of God's Laws.

As the Cross of Enlightenment has come to enlighten righteous men and women, those of ungodliness are, in effect, maddened by that Light, for those who embrace Darkness will incur much suffering and illness of mind and Spirit. It is written in our Sacred Scripture that the Earth shall be burned up by the

Light of God's New Sun, and men and women of Evil and Darkness shall also be burned up by that Light and judged for their wicked acts, while those of goodness shall receive the Light as a blessing.

Our Prophecies, therefore, are given to the Children of the Earth for the purpose of informing them of the effects and the events prophesied, which are occurring now. We pray that all peoples everywhere choose accordingly; for it is our Teaching that God would not that anyone suffer. God sends forth His Divine Light to judge the ungodly for the sake of the godly who have long suffered at their hands. In due time, the days of injustice will come to an end, and God's Sun of Justice will reign supreme. It is time for us to truly live The Way in earnest.

I wish you a most blessed and enlightened Easter.

Again, if I may be of any personal service to you, please do not hesitate to contact me.

Very truly yours in Light+,Gene
