Evolution Lecture Presented

On Friday evening March 13, 2009 the Reverend Robert Petrovich attended a lecture titled “Darwin, Dover, and Intelligent Design” at the Temple Sinai social hall in Reno. The speaker was Dr. Kevin Padian, president of the National Center for Science Education and curator of paleontology at the University of California Museum of Paleontology in Berkeley.
The lecture explored a range of topics primarily concerned with “theistic evolution” and “intelligent design.” The lecture was preceded by the traditional Jewish Sabbath service.
