

Gary Buchanan Speaking at International Water Conference

Reverend Canon Gary Buchanan will be in Sofia, Bulgaria October 6-9, 2016 to speak at the 11th Annual Water Conference. He will be speaking along with Dr. Gerald Pollack, an old colleague of his who has gained fame in recent years for his theory of fourth-phase water, and who is chairing the conference, and along with several Nobel Prize laureates. Rev. Buchanan's work on Sonatherapy and his use of water to form archetypal cymographs made him a candidate for speaking at this prestigious international conference. In fact, his cymographs have gained so much interest that the conference organizers are using his cymographs on their Facebook page and throughout their newsletter.
