Reverend Canon Gary Buchanan presented on Sunday, October 7th at the 7th International Globe Sound Healing Conference held October 6 – 8, 2018 at Temple Congregation Sherith in San Francisco. Reverend Buchanan presented primarily on Sonatherapy, but spoke a bit on Cosolargy and the Steamboat Healing Center and Spa as well.

Gary demonstrates the applicators with various sound frequencies on a member of the audience. About 50 people were

in attendance.

There are two primary intentions of the sound healing conferences sponsored by the Globe Sound and Consciousness Institute:

(1) to raise consciousness and bring people into higher states of awareness more consistently by disseminating techniques and information and with experiential exercises to actually go into these states.

(2) to bring sound healing into mainstream homes and hospitals and gain more acceptance by helping the public to understand the science and effectiveness behind sound healing and by providing a venue for sound practitioners, the public and the medical community to meet and form connections and alliances.

The 7th International Globe Sound Healing Conference was held October 6 – 8, 2018 at Temple Congregation Sherith in San Francisco, one of the oldest Jewish synagogues in California. The Jewish congregation that built the synagogue was formed in 1850. The building was erected in 1904/05 and survived the great San Francisco earthquake and fire of 1906.

This year's conference was held in Spectacular Temple Congregation Sherith – 2266 California Street, San Francisco
