Due to hundreds of requests received over the past seven years, we are delighted to begin certifying and training select individuals in Sonatherapy® beginning this October 1, 2015 (enrollment deadline). All details may be found at:

Please share this unique opportunity with your healing colleagues. This is an important step forward in WBV therapies!

Basically, there are three tiers:

(1) An individual who has purchased and read SONA:Healing with Wave Front BIOresonance™ (2008) and Sonatherapy®: Healing with Light. Color, Sound, Water & Subtle Energies (2012), who understands those materials and can answer the online questionnaire, plus discuss these concepts and what he/she is doing on the telephone and/or in emails, may receive initial certification as an "Associate in Basic Sonatherapy"

®.” Such persons may include physicians (traditional and alternative), nurse practitioners, sound healers, light and color healers, chiropractors, massage therapists, energy medicine workers, and the like.

(2) An individual who has done all of the above and then undertakes a twelve-month training program in which PDFs of lessons are sent via email, who submits monthly reports and communicates via telephone/Skype, and eventually visits before the end of the year at Steamboat Healing Center for hands-on observation and evaluation, may be certified as an “Advanced Practitioner of Sonatherapy ®.”

(3) The individual who accomplishes all of the above and who also studies one or more years with Jamilian University in the “Arts, Sciences, and Technologies of Cosolargy ®” is eligible for eventual graduation and a signed diploma as a “Master Practitioner of Sonatherapy ®,” subject to faculty review by Cosolargy ® International.

Note: Only sincere applicants with experience, knowledge, or background in healing (traditional or alternative) should apply. Enrollment for the Training Course will be limited; whereas, many may receive the “Basic” certification following review. Once awarded, certificates will be renewed (with additional licensing fee) annually. In rare cases, certification may be revoked. (Sonatherapy ® is a registered Trademark of Cosolargy ® International, a 501(C)3, Corporation Sole, and its outreach and image must be protected.)

Those certified assume an ongoing relationship with Dr. Gary Robert Buchanan, The Sona Group, Steamboat Healing Center, and Cosolargy® International. Approved practitioners will be added to the Sonatherapy ® listing of preferred practitioners situated around the globe.

The Training Course...

Consists of twelve papers covering all aspects of Sonatherapy® , inclusive of its 40-year history; The Sona Group; Cymatic Therapy and Dr. Peter Guy Manners; theory and “hands-on” practicum for students to undertake each month; hundreds of illustrations/photos/charts/diagrams; building “harmonically coherent” Sonations; Cymatics and Synergetics; current and evolving application systems; suggested readings, online links, contact information for fellow practitioners; hundreds of new and improved ABox and Sona Analog Box set-ups for Sonations to be used in therapies – listings given each month; protocols for conditions; infrasonics and base pulse-tones; how to set-up a treatment room and practice; reviews of new studies and approaches in physical and psychological therapeutics; the vibrational relationship of phonons and photons (biophotons), fractal and quantum studies; the acupoints and meridians (TCM tunings); acupressure/acupuncture/ reflexology/ auriculotherapy; light and color applications and systems; hydrotherapy and sound inductions; third- and fourth-dimensional healing; reading and clearing the fields; ethics and legal concerns – in short, everything one must learn to become a certified, trained, and licensed Sonatherapist.
