Cosolargists to Present at International Conference in Germany:Conference Postponed

NOTICE: AS OF TODAY, MONDAY, SEPTEMBER 10, 2012 THE CONFERENCE IN GERMANY IS POSTPONED UNTIL FURTHER NOTICE.

Konstanz on the Lake, site of the Emergence 2012 Conference in October

At the upcoming conference Emergence 2012: Light Consciousness and the Sounds of Healing, to be held October 12–14, 2012, at the Steigenberger Hotel in Lake Konstanz, Germany, members of the Jamilian University Faculty will be joined by celebrated presenters from Germany to speak on vibrational and alternative healing, Cymatics, Sonatherapy, and Cosolargy, as well as the newly manifesting solar conditions upon the planet and its inhabitants. The presenters at the conference include James L. Oschman, PhD; Sean Savoy; Gary Buchanan; Alexander Lauterwasser; Gene Savoy, Jr.; Mark Abadi; and Siranus von Staden.

Four of the speakers from the 2012 Spiritual State of the World conference being held in Nevada September 27–30, 2012, will be presenting at the conference in Germany. The members of the ICC named above will be featured at the annual three-day conference in historic Konstanz, a town lying at the base of the Alps at the headwaters of the Rhine River.

The Festsaal Room where the conference will be held

On Saturday, October 13, James Oschman, PhD, will be giving the keynote address titled “Cosmic Thinking & Being.” Dr. Oschman is one of the foremost authorities on alternative healing in the world. He will be followed on that day by Sean Savoy with a presentation titled “Linking to the X-Sun for Activation of a Conscious World.” Savoy will be followed by Dr. Gary Buchanan, who will speak on “Sonatherapy & Cosolargy: The Future of Healing.” Friday’s closing presenter will be the celebrated Cymatics author and photographer Alexander Lauterwasser. He will present “Cymatic Photography & Discussion,” a talk covering his decades of research in Cymatics and recent books and articles on that subject.

Sunday’s opening presentation, “Syntonium Holistic Therapy,” will be delivered by Mark Abadi. He will be followed by his German colleague, Siranus Sven von Staden, who will explain his work in a talk titled “Quantum Energy Healing” as well as his role as an alternative healing consultant. This

presentation will be followed by Thorsten Weiss, whose topic will be “The Crystalline 12er Matrix-Consciousness for the New Era.” Sunday’s concluding presentation will be delivered by the Right Reverend Gene Savoy, Jr., President of Cosolargy International, and is titled “Dawn of the Golden Age of Light: Transformation by Cosmic/Solar Intelligence.”

The Steigneberger Hotel

The venue for the conference is the Steigenberger Inselhotel Konstanze. The conference gathering will open on Friday October 12, with a Zeppelin ride over the Alps and Lake Konstanz with the presenters, with a presenters’ reception and evening dinner following.
