Storyteller Jim Eaglesmith’s presentation at the 2012 Cosolargy Conference was titled “We are One, 2012” and addressed perceptions of myths from the past, practical solutions for conscious community building, and tools for strengthening resolve in challenging times. His original music, with beautiful images and storytelling, provided the core of his presentation.

He performed for his “friends of Cosolargy” the original song “I Am . . . the Light” with a slideshow specially prepared for the occasion and showed a few minutes of the film *Black Whole* by Gaiam Films to underscore his discussion of the HeartMath & Global Coherence Initiative. He also told his own personal tale of personal salvation under the guidance of a Native American shaman in “Little Flower Eagle,” sang a Mayan song of greeting, and told the prophetic Incan tale of the Condor meeting the Eagle, an event presently under way in the Americas.
