New Film “Eat the Sun” Screened by the Community

A special screening of Peter Sorcher's feature-length documentary film *Eat the Sun* took place at the Rectory-Abbey for Community members on Sunday January 3, 2010. Mr. Sorcher and his film crew visited the Sanctuary a few years ago and conducted interviews with several Community members over a period of a few days as well as filmed parts of the Divine Service at the Cathedral Church of the Americas. The

institution of The Church is included in the film, which also contains interviews with the late Bishop Savoy. Huge bags of homemade popcorn were provided for the event, courtesy of the Rev. Deacon Robert Anderson. For more info on this film, go to www.sorcherfilms.com or www.eatthesunmovie.com.
