

INSIGHT POEM: “The Pain of Parting”

Tom Fee (aka Tom McFee)

The pain and sorrow
of losing someone
can be very deep
yet
seems to be
in proportion to
the joy and happiness experienced

with that special someone
with the sharing of deep thoughts
and meaningful moments.

In parting
the tears of sadness
are but a hint
of the joys that will be missed
and the pleasures known
within.

From *Love and Other Painful Joys* (1970) by Tom McFee
