

Dear Seeker,

No doubt, you've heard the buzz about the unprecedented spiritual awakening taking place worldwide. Discourse about this transformation is all over the media, and there is a groundswell of speculation about what's taking place on Earth and what's in store for humanity.

Have you ever asked **what's really going on?** Would you like to know **your own personal role** during this time of change? Life as we know it is in metamorphosis and each of us plays a vital part. Won't you join me in a powerful conversation about spiritual transformation?
