STATE OF THE WORLD. Current weather conditions, floods, earthquakes and other disturbances of a geophysical nature on the planet bear out the prophecies of the Child Christ of the Andes and prophets who preceded him. They foretold changing conditions in the final age of the world as a result of the Messianic Sun of Righteousness sending forth its brilliant light and intense frequencies to the physical universe. Look for changes on the physiological and psychological levels of both men and animals, plants and marine life. Immunity is assured by application of techniques.

—Gene Savoy, Head Overseer

JUST OFF THE PRESS. *The Essaei Transcripts/S.P.A.N.* are now completed, both in printed form and on cassette tape. These consist of Part I, an enlightening and highly relevant commentary on the ancient Essaei (popularly known as the Essenes), and Part II, a summary of systems and related techniques which have been used throughout time to alter consciousness through body, emotion and mind. There is a wealth of information here which can lead to a better understanding of the multiplicity of methods for personal development and the value of a total, integrating system.

SACRED COLLEGE SYMPOSIA. The symposia originally scheduled for August through November 1975 have been deferred to 1976 and will be held on a quarterly basis. This will allow us to concentrate more fully on the publication schedule, which is of high priority at this time. The schedule follows:

March 20 & 21	Symposium IX	<i>CHRISTO-THERAPY</i>
June 20 & 21	Symposium X	<i>CHRISTO-PHYSICS</i>
September 20 & 21	Symposium XI	<i>CODE BOOK OF PROPHECY</i>
December 20 & 21	Symposium XII	<i>PROPHECIES OF JAMIL</i>

APPOINTMENTS AND ORDINATION. The appointments of Reverends Paula Valberde, James C. Geoghegan and William C. Weedman to Right Reverend was officially confirmed early this month. Ordinations are continuing for Associates who have completed at least 18 months of studies. Those who are eligible and have not been ordained are encouraged to make arrangements.

PUBLICATIONS. An order form for publications by Gene Savoy is enclosed. Ordering information for *The Essaei Transcripts/S.P.A.N.* and symposia texts for the Sacred College will be mailed separately.

COMMUNION SERVICES. A universal form of communion service is being celebrated at the Center every Saturday at 10 a.m. At that time lessons in ministerial training are given.

PARTICIPATION IN THE COMMUNITY. We would like to remind all Associates that the Community needs your support through active study and practice, regular written reports, and consideration of how you can help the Church in the future to extend its program to greater numbers. One effective method, often overlooked, is to direct positive thoughts of love and prosperity to the Center and the larger Community.

ADVERTISING AND OUTREACH. As you may have noticed, our advertising program is continuing in leading national publications, such as *Psychology Today*, *Saturday Review*, *Scientific American*, and other magazines. In addition to *Jamil*, *The Child: Christ*, *The Decoded New Testament*, and *A Confidential Prospectus*, advertisements are being placed for the new *Essaei Transcripts/S.P.A.N.* volume. Also of interest, the *East-West Journal* will be running an introductory article on the Community in its October issue.

GENE SAVOY. Reverend Savoy has recently returned from his second expedition to Brazil where much valuable knowledge was gained. Currently, he is working intensively on writing a new book.

INTRODUCING THE COMMUNITY TO FRIENDS. The publication of the *Confidential Prospectus* has made it possible for all Cosolargists to make the Community known to others in a knowledgeable, authoritative way. The Spiritual Awareness Aptitude Test, which is enclosed with each prospectus, has been well received by many, and it helps us to get to know each applicant. You may order multiple copies of the *Confidential Prospectus* and ask persons to reimburse you for the cost. Request that they give your name as a reference when they send in the SAAT. Or, if you prefer, forward their names and addresses to us; we will send them an introductory letter, with a SAAT and information on the *Confidential Prospectus*, *Jamil*, *The Child: Christ*, and *The Decoded New Testament*. Please advise whether you wish your name to be used.

CONTRIBUTIONS TO THE NEWSLETTER. You may submit materials which you would like considered for inclusion in the newsletter. Poetry and drawings are also eligible. Contributions should be original and relevant to ICC, limited in length and high quality. In future the newsletter may be expanded, allowing more potential for creative work. Address all correspondence to Carol Salverson (Rev).
