

COSOLARGY INTERNATIONAL
THE SACRED TEACHINGS OF LIGHT

COSOLARGY NEWSLETTER OCTOBER 2020

Greetings!

Welcome to our monthly bulletin with information of interest to friends of Cosolargy International. In this issue we bring you up to date with current and future events and provide a little background on our founder, the late Gene Savoy Sr, and his explorations into solar cultures, along with some uplifting words of inspiration.

If you are curious about the solar techniques and activities of our Community, contact us by using the Contact Form on the [Cosolargy International website](#). It will be forwarded to the appropriate representative for your area.

In these trying times, if you would like to have a prayer said for you or others, click the Prayer Request button at the end of this newsletter.

- By Gene savoy Sr.

Excerpt from Project X - The Search for the Secrets of Immortality

“The spiritual universe cannot be described in the scientific terms of the material physicist. It can only be described in a mystical language understood by spiritual consciousness. If this consciousness is not developed by means of a transformation of man’s spiritual potential, there can be no understanding; none but the enlightened can hope to understand. Therefore, the role of any mystic religion is to teach man how to attain this transformation of self. The old priests of Athens, who came under strong criticism by the scientist, and the layman who is often influenced by scientific thinking, knew and know the dangers of the materialistic attitude. This attitude devalued man, made an animal of him, and brought him down from his celestial abode.”

Are We Now In the End Times?

The End Times

Before we can determine if we are in the End Times, we have to know what the term means. Different faiths, and different churches have slightly different ideas of what they are. Wikipedia says it is a future prediction “which teaches that world events will reach a climax.” That is very generalized, but we can go with that for now. Some believe that this “climax” will be a great destruction in which most of humanity will be destroyed. Others talk of it being a transformation in which most of the material world will transform into a new form. Neither of those beliefs conflict with the general definition from Wikipedia, so we can proceed with that definition for now. Of course, we are concerned with the definition of “End Times” as the term is used in the teachings of Cosolargy. This will be covered in detail as we proceed.

Signs of the End Times

“From the time of the flood that ruined the old world to the present age of the consummation by the Fire of the Sun, the signs of the end times have been upon the world.” ~The Prophecies of Jamil: The Book of God’s Revelation.

A New Retreat Planned

(This continues articles that appeared in the July & September issues)

Cosolargy International's vision is to have Community Centers in unique and specially energized places around the world for enhanced renewal of body, mind and Spirit.

First and foremost, the planned Retreat at El Cardonal is to be Cosolargy International's center for Latin America. Located on the spectacular Gulf of California (Sea of Cortez) one hour north of San Jose del Cabo, this multi-purpose and multi-use facility will encompass not only a teaching center for Cosolargy but also a health and well-ness center that will offer various types of energetic therapies. Many years have been spent diligently translating The Academy course materials into Spanish, so that The System is now ready to be offered to the Spanish-speaking world.

Our Centers are facilities for retreat, contemplation and meditation, prayer, conferences and seminars, and other amenities for both Community members and the public at large. The Retreat at El Cardonal is part of our mission to reach, touch, and affect people in positive and spiritually beneficial ways and to share the Sacred Teachings of Light with people the world over, as part of our global and international Community.

Gene Savoy, Jr., president of Cosolargy International, has been working closely with Andrew Tuck to develop a Sustainable Design and Vision Document for Cosolargy's master plan for our wellness retreat and Community Center in Mexico. Tuck has completed Phase One of the Cosolargy project in Cardonal, delivering the preliminary sustainable design phase and vision framework that will serve as the basis for the project. The Cosolargy retreat project is now in Phase Two: Design review, identifying optimization opportunities for the sustainability goals, and concepts.

Why Join Cosolargy?

Do I need special skills or qualifications to join?

Enrolling in our Academy requires neither a specific academic background nor an above-normal intelligence. The primary prerequisites are a sincere desire to understand one's own spiritual nature and a willingness to expend a reasonable amount of personal effort. If there is one thing in common with all those who have gone through the Academy, it is probably the willingness to immerse themselves in a field of interest with exuberance and intensity.

Do not let your concern about being unprepared stop you - it is not a matter of being worthy or experienced. We say that if you are hungry for the Truth and willing to learn, you are qualified. If you follow The System of Cosolargy, not as an intellectual pursuit, but by practicing and applying it, you will grow. The System is not just a body of knowledge, but a way of life. That you have taken an interest in it, and are reading this newsletter, shows your interest and desire for something more in life than the mundane has to offer.

The Academy Program will give you the basics of a spiritual practice that can enhance and expand your life. And you will have the opportunity to pursue further studies if you wish to do so after completion of the Academy. This Teaching is a gift for those to whom it can be entrusted: Embrace it and do good for yourself and for Mankind in general.

If you'd like more information, take a quick questionnaire and discover your Light Body Profile on our website or contact us by telephone: Toll Free: [844] 758.9766 or email: apply@cosolargy.org
